The Purchaser acknowledges that the 'Construction Progress Linked Payment Plan' offers several advantages to the Purchaser, including that the installment payments may become due later in time than as envisaged at the time of entering into this Agreement, if the relevant construction milestones are delayed. This significantly reduces the risk of the Purchaser as compared to the 'Time Linked Payment Plan' option and the Purchaser has entered into this Agreement after taking into account the advantages and risks of the 'Construction Progress Linked Payment Plan'. The Company has agreed to accept the aforesaid Total Consideration on the specific assurance of the Purchaser that the Purchaser:-

5.4 The project costing has been done on the basis of the USD-INR exchange rate prevailing at the time of start of construction of the Building. In case there is depreciation of the Rupee above this level, the resultant first 5% increase in the project costing shall be absorbed by the Company. Any cost increase on account of rupee depreciation beyond this first 5% limit shall be borne by the Purchaser. The additional amount payable shall be calculated as follows: Total Consideration x 25% x (applicable % depreciation of INR beyond assumed exchange rate - 5%). The applicable % depreciation of INR shall be based on the daily average exchange rate (USD=INR), as available from the RBI, from the date of start of construction of

7

14

the said Building (which shall be deemed to be the first working day of the quarter in which the first approval of the plans for the Building is obtained) upto the Date of Offer of Possession of the Unit. The said applicable % depreciation of INR shall be certified by the Chartered Accountant of the Company and the Purchaser agrees that such calculation shall be binding on him and waives any right to raise a dispute in this regard. The Purchaser agrees and undertakes to pay such amounts to the Company within 7 days from the receipt of the demand in writing in that regard, time being of the essence. The Company confirms that such demand shall only be raised simultaneously with the offer for possession. It is clarified that, irrespective of the quantum of increase in project costing, the maximum additional amount payable on account of this factor shall not exceed 4.99% of the Total Consideration. It is also clarified that the Total Consideration shall not stand reduced below the amount(s) stated herein under any circumstances.

6. **CONSTRUCTION AND DEVELOPMENT**

The Purchaser hereby accords his irrevocable consent to the same and undertakes not to raise any objection to such construction by the Company and waives his rights to raise such objection or make any claims in that regard.

6.3 The Purchaser agrees that till such time that the conveyance of the said Property in favour of the Ultimate Organizations is executed, the Company shall retain with itself all the rights on the terrace of the Building either by itself or through their nominee(s) or assignees, as the case may be (including the right to exclusively commercially exploit the same including but not limited to installing antennae of various telecom and other service providers) and the Purchaser agrees not to raise any objection or make any claims in that regard and the claims in that regard shall be deemed to have been waived.
