# SOULFUL LIVING

Enter a haven of peace which is envisioned to be the home you always dreamed of. Beautiful living spaces combining luxe living and modern functionality, designed by the world's leading architect.

We believe that luxury is what luxury does.

An island of bliss where children play, families live in harmony and elders can enjoy peace and tranquility. We aim to create a perfect balance between man and nature, so our residents can get a break from the stressful world outside without feeling disconnected.

# IT'S ALL ABOUT THE LOCATION

- Located off the Golf Course Extension Road, sans traffic and dust, with direct connectivity from both Delhi and Gurugram, Elevate enjoys lush views of the Aravallis in a premium upscale neighbourhood.
- It neighbours proposed high-end developments like a five-star hotel, office, premium retail and serviced apartments which ensure high sales and rental values.
- Gurugram is the fastest growing city in the NCR region close to the busiest airport in the country, the highest concentration of top-notch multinational employers and social infrastructure (schools, hospitals, retail and entertainment).

Map not to scale. The map is not necessarily accurate to surveying or engineering standards. The map shown here is for illustration purposes only. It does not represent the ground survey and represents only the approximate relative location and boundaries. The location map depicts on indicative and selective representation of certain key developments around the Project. The Developer makes no representation segarating continuity / existence of these developments / landmarks going forward. The driving time indicated is tentative and actual time may vary, depending upon traffic and other conditions.

# LUXURIOUS BUT GROUNDED

- The grounds are planned in European style where the facade is a symmetrical composition of high-rise blocks shading the Winter Garden. The buildings are set on an elevation to give the feel of free space on the ground floor.
- Dense peripheral landscaping filters dust and external noise.
- A grand Central Water Spine accentuates the axis of the beautifully landscaped 'Winter Garden'.

# THE HEART OF THE MATTER: APARTMENT DESIGN AESTHETIC

Only two apartments per elevator (lift) bank for exclusivity and privacy.

- Three side open apartments for maximum light and cross ventilation.
- 8'-6" high windows and sliding doors that face north, south and best views, maximum day light, energy efficiency and winter sun.
- Living rooms have a corner window for maximum view, sunlight and openness.
- A large balcony is an extension of the living room that allows the space to expand when needed and provides outdoor living during good weather.
- Thoughtfully designed, large bedrooms and living spaces to maximize efficiency and space.
- Spacious, well laid out kitchens connect to a large, shaded utility balcony for laundry and other service usage.
- A separate entrance to the utility room from the service area helps keep two segregated accesses for residents and domestic staff.

# HOMES PLANNED WITH AN EYE FOR DETAIL

Well-lit and ventilated homes, designed with a meticulous eye for the finer details are sure to impress the aesthete in you. Step into the living room and a breathtaking panoramic view of the surroundings will unravel. Spacious L-shaped balconies in all three-bedroom homes provide you with an unrestricted view of nature. Separate service elevators are incorporated for greater privacy and luxury.
