No.1-1(116)/RD/Sale/NA/2003/ 7173/2003 Silvassa Date : 30/12/2003.

Read : Application received from Shri Ratilal Khandubhai Desai, Sumanbhai Khandubhai Desai, Shri Rameshchandra Khandubhai Desai, Prakashbhai Kikubhai Desai, Rajeshbhai Kikubhai Desai, Rajnikant Kikubhai Desai and Milankumar Kikubhai Desai of village Dadra for grant of Sale/NA use permission in respect of their agricultural land bearing Survey No.118/1 (0.79 Hect.) and Survey No. 118/2 (0.16 Hect) total admeasuring 0.95 Hect. of village Dadra for Industrial purpose in favour of M/S SRV Polytex Pvt. Ltd of village Dadra.

ORDER

Shri Ratilal Khandubhai Desai, Sumanbhai Khandubhai Desai, Shri Rameshchandra Khandubhai Desai, Prakashbhai Kikubhai Desai, Rajeshbhai Kikubhai Desai, Rajnikant Kikubhai Desai and Milankumar Kikubhai Desai have applied for permission to sell their agricultural land bearing Survey No.118/1 (0.79 Hect.) and Survey No.118/2 (0.16 Hect.) total admeasuring 0.95 Hect. of village Dadra for Industrial purpose in favour of M/S SRV Polytex Pvt. Ltd. of Dadra and M/S SRV Polytex Pvt. Ltd. has also applied for grant of N.A. use permission in respect of the said land for Industrial purpose vide their application referred to in preamble above.

As per prevailing guidelines, a joint site inspection by a team of concerned officers was carried out. Reports from various authorities were also obtained, which are on record. All the applicants were also heard in person. It is observed that there is neither litigation nor any land acquisition proposal on the subject land. The land is free from any encumbrances. Thus the title of the land is clear. The A.T.P. has reported that as per Statutory Regional Plan, the land bearing number 118/1 & 118/2 is existing in

Irrigation Command area and now in Industrial Zone-I. The accessibility to said survey numbers is available through 12 mtrs. wide industrial road. There is no objection from planning point of view for considering the land bearing survey number 118/2 for Industrial use N.A. permission with the condition that the applicant should ~~be~~ make land available for road widening at free cost in view of the requirement of accessibility as and when required the same. As per the Statutory Regional Plan the land bearing survey number 118/1 of village Dadra is in existing Irrigation Command area and now Industrial Zone-I. The above Survey Number ensconced by the land owned by SRV Polytex Pvt. Ltd. who are also the purchaser of the proposed land. Hence from planning point of view there is no objection if the survey number 118/1 of village Dadra is considered for Industrial use with the condition that the purchaser should get a revised layout approved from the competent authority failing which a separate access to these survey has to be provided. There is a Kotar passing around the survey number. The applicant has to leave sufficient space as per D.C. Rules from edge of the kotar. The A.T.P. vide his report dated 16.12.2003 has further stated that the average road land width available on site is about 15.00 mtrs.

From the ATP's report the subject land falls under Irrigation Command Area of Damanganga Project. The NA use permission for Industrial purpose can be allowed provided the applicants shall pay the cost of execution of Damanganga Irrigation Project at the prescribed rate as notified that the cost of execution per hectare of Damanganga Irrigation Project to be recovered for conversion of land use from agriculture to non-agriculture in the Irrigation command area, that may be recovered shall be at the rate of Rs.70,000/- per hectare i.e. Rs.7/- per sq.mtrs. Hence the applicant is required to pay an amount of Rs. 66,500/- (Rupees Sixty Six thousand Five hundred only) to the Government being the cost of execution of Damanganga Irrigation Project for converting an area of 0.95 Hect in to N.A..

The sellers are Non-Adivasi and the intending purchaser is a registered company. The Hon. Collector has recently fixed the rate of NA land of village Dadra at the rate of Rs. 25,000/- per Acre, which is adequate sale consideration. Hence the sale consideration of the subject land is fixed at the rate of Rs.25,000/- per Acre.

After considering full facts and circumstances of the case in totality, I am of the view that there appears to be no objection for granting requisite Sale/NA use permission in respect of the said land for Industrial purpose.

Therefore, in view of the facts mentioned above and in exercise of the powers conferred upon me under section 42 of the D & NH. Land Revenue Administration Regulation, 1971 and rule 17(2) made thereunder Shri Ratilal Khandubhai Desai, Shri Sumanbhai Khandubhai Desai, Shri Rameshchandra Khandubhai Desai, Shri Prakashbhai Kikubhai Desai, Shri Rajeshbhai Kikubhai Desai, Shri Rajnikant Kikubhai Desai and Shri Milankumar Kikubhai Desai of village Dadra are hereby granted permission to sell their agricultural land bearing Survey No.118/1 (0.79 Hect.) and Survey No. 118/2 (0.16 Hect.) total admeasuring 0.95 Hect. of village Dadra to M/S SRV Polytex Pvt. Ltd. of village Dadra for Industrial Purpose and M/S SRV Polytex Pvt. Ltd. is granted N.A. use permission in respect of the said land for Industrial purpose with the following conditions :

- 1).The permission is granted subject to the provisions of Dadra and Nagar Haveli Land Revenue Administration Regulation, 1971 and the rules made there under.
- 2). The holder shall commence N.A. use permission within a period of five years from the date of issue of this order. failing which, unless the said period is extended by the Collector from time to time, the permission granted shall be deemed to be lapsed.

- 3). The holder shall pay non-agricultural assessment at the rate of Rs. 0.02 paise per sq.mtrs per annum.
- 4). The holder shall execute the Sanad in prescribed form No.VIII within a period of 30 days from the date of issue of this order.
- 5). The holder shall abide by other reasonable condition or conditions which the Collector may deem fit to impose having regard to use of the land at any time.
- 6). No tree standing on the land shall be allowed to be cut/felled without the prior permission of the competent authority.
- 7). The land shall not be allowed to be used for purpose other than that for which the permission is granted. The land use permitted is for Industrial purpose only.
- 8). The land holder shall obtain construction permission and shall get the building plans prepared as per norms/rules of the Development Control Rules, 2001 and get them approved from the competent authority prior to carrying out any construction work on the site.
- 9). The holder shall apply separately for access through roadside protected forests.
- 10). No overhead transmission line will be permitted and land holder will have to lay underground cables at their own cost.
- 11). The holder concerned shall make his own arrangement for water supply. There is no guarantee whatsoever for power supply.
- 12). Both the parties shall execute Sale-Deed in the office of the Sub-Registrar, D & NH, Silvassa at the sale consideration of Rs.25,000/- (Rupees Twenty five thousand only) per Are.
- 13). The applicant shall pay an amount of Rs. 66,500/- (Rupees Sixty Six thousand Five hundred only) being the cost of execution of Damanganga Irrigation project by way of Challan to be obtained from the Mamlatdar, D & NH, Silvassa. No mutation entry shall be carried out indicating subject land as an NA. land or Sanad shall be granted unless the payment is made to the Government by the applicant.

14) The establishment of unit shall be in accordance with the policy of Govt. of India/Administration of D.N.H.

15) 80% unskilled, 20% Semi-skilled and 10% skilled workers shall be recruited from locals.

16) The holder shall get the appropriate permission from Pollution Control Committee before setting up the industrial unit.

17) The distance from the Kotar has to be left as per the D.C. Rules by the land holder concerned.

18) The land holder should make land available for road widening at free of cost in view of the requirement of accessibility for Survey No.118/2 as and when required the same.

19) The purchaser of Survey No. 118/1 should get a revised lay out plan approved from the competent authority failing which a separate access to these survey number has to be provided.

In the event of breach of any of the above conditions, the Sale/NA use permission shall be deemed to have been cancelled and the construction so carried out shall be liable to be removed at the risk and cost of the party concerned.
