Export Control

These item(s) may be subject to export controls, if so they may not be sold or otherwise disposed of without prior written approval of the Seller. Where these commodities, technology or software are subject to export regulations, the export or re-export without proper export licenses or export license exceptions is strictly forbidden.

These commodities, technology or software when exported from the United States, are in accordance with the US Export Administration Regulations. Diversion contrary to U.S. law is prohibited.

Philips Standard Terms and Conditions of Sale shall apply.
