Perfect
engineering solutions

Dear Sir,

We thank you very much for the interest shown in our product!

Perfect Generators have been associated with Mahindra & Mahindra Ltd as their OEM for "Powerol Brand DG Sets" for last 10 years. Taking a step further to this association we have agreed with M&M Ltd to be their partner in solar power. We offer a complete range of Products & Services for Power Generation.

Silent DG Sets: 5 KVA to 625 KVA

We are glad to inform you that Mahindra & Mahindra Ltd. has won the JQM & DEMING AWARD which is the world renowned Japanese award for Quality. We are the only Indian Industrial Engine manufacturer in world to win this prize. All Mahindra Engines meet the stringent CPCB 2 norms for Noise and Exhaust Emission. More than 4,00,000 Gensets powered with Mahindra Engines are already being used.

These engines are manufactured as per IS-10000, BS-5514 at state of art the Plants in Kandivli- Mumbai which are ISO 9001-14000 certified & follow the best manufacturing practices like Total Quality Management (TQM). This ensures a world class quality product for our valued customers.

The company has blue chip customer base like (To name a few) -Raymonds, Fullerton India, Max New York Life Insurance, Aviva Life Insurance, Religare, Citi financial, Share khan, Ranbaxy Laboratories, Bajaj Hindustan, Tech Mahindra, PACL, Mahindra Finance, Reliance Vision Express, Sahara Group, Max Health, ITC, Thomas Cook, IDBI Bank, ICICI Bank, J&K Bank, Corporation Bank, State Bank of India, Syndicate Bank, Oriental Bank of Commerce, Punjab National bank, Hindustan Petroleum, Bharat Petroleum, Indian Oil Corporation, Indus Towers, Bharti Infratel, Vodafone, GTL, Idea Cellular, Quippo telecom, Tower vision, WTTIL, Huawei, Acme, Datacom, Aircel, Reliance Telecom, BSNL etc. It will be our pleasure to serve you. Thanking you and assuring you of our prompt attention at all times.

Yours Sincerely,

For Perfect Generator Technologies (P) Ltd

Salient Features of Perfect Silent DG Set powered with Mahindra Powerol Engines

- Compact, Sleek, Manual/ Automatic.
- Low vibration, low fuel consumption.
- Class A1 Governing in its range, which gives better accuracy in decreasing the speed drop in transient and lowering the recovery time of the speed.
- Low cost of service & spares
- Low operation cost
- The Enclosure is of modular construction with the provision to assemble and dismantle easily.
- The sheet metal components are 11 tanks pre-treated and is Polyester based powder coated (inside as well as outside) for long life.
- Battery is provided in a tray inside the enclosure.
- Doors are gasketed with high quality EPDM gaskets to avoid leakage of sound.
- A special Residential silencer is provided to control exhaust noise.
- Specially designed sound attenuators are provided to control sound at air entry & exit points inside the enclosure.
- To make the system vibration free, engine and alternator are mounted on specially designed anti-vibration pads mounted on base frame.
- The enclosure is designed and layout of the equipment is such that there is easy access to all serviceable parts.
- Adequate ventilation is provided to meet air requirement for combustion & heat removal.
- The silent DG set comes with following safety features:
 - ♦ High water temperature.
 - ♦ Low lube oil pressure.
 - ♦ Emergency stop push button outside the enclosure.
- Specially designed Standard Control Panel is mounted inside enclosure itself.
- In-built draw in type fuel tank of suitable capacity.
- With UV resistant powder coating, can withstand extreme environments
- The walls of the enclosure are insulated with the retardant foam so as to comply with the noise level of 75 dB(A) at distance of 1 mtr. in open free field environment as per ISO 8528 part 10 specified by ministry of Environment & Forest.

TECHNICAL SPECIFICATIONS – SILENT DG SET

A. DIESEL ENGINE:

M&M make engine Model 4575TCIGM C-2, 4 cylinder, inline, 4 stroke cycle, LIQUID COOLED, developing 57 BHP at 1500 RPM under NTP conditions of BS:5514. The engine shall be provided with electrical starting arrangement & shall give the electrical output of 45KVA/36KW at 0.8 power factor, 415 Volts at the alternator terminal

M&M make engine Model 4725GM C-2, 4 cylinder, inline, 4 stroke cycle, LIQUID COOLED, developing 72 BHP at 1500 RPM under NTP conditions of BS:5514. The engine shall be provided with electrical starting arrangement & shall give the electrical output of 50KVA/40KW at 0.8 power factor, 415 Volts at the alternator terminal.

The Engine is fitted with the following standard accessories.

01. A1 class Governor
02. Battery Charging Alternator
03. Engine safety Sensors (LLOP & HWT)
04. Air Cleaner
05. Lube Oil Filter
06. Fuel Filler

B. ALTERNATOR:

Leroy Somer/Mahindra approved make 45kVA/36KW & 50KVA/40KW, alternator 3 phase, 415 V, 0.8 PF, Brush less type, screen protected, revolving field, self-excited, self-regulated through an AVR. The alternator has the following features:

- "H" class insulation
- $\pm 1.0\%$ voltage regulation (max.) in static conditions
- IP: 23 protection with insulation class H
- Permissible overload of 10% for one hour in 12 hours of operation.

C. CONTROL PANEL:

The Control Panel is manufactured with 16/18 gauge CRCA sheet and is powder coated for a weather-proof and long lasting finish. The Control Panel consists of Microprocessor based SEDMAC electronic controller, MCCB of suitable rating, Key Switch, Push Button (starter), LED: Battery Charging alternator fail indication, Current Transformer, Instrument fuses.

The SEDMAC microprocessor electronic controller displays the following parameters:

- Voltage, Frequency, Current, Rpm, Cumulative Run Hours, Oil Pressure, Coolant Temperature & Charging Current (DC Amp Meter).

The SEDMAC microprocessor electronic controller provides the following safety to the engine:

- Under & Over Voltage, Under & over Frequency, Under & Over Speed, Overload, Low Lube Oil Pressure, High Coolant Temperature & Emergency Off.

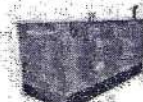

D. ESSENTIAL ACCESSORIES:

- Fuel tank: Sub Base Fuel tank (DRAW IN TYPE) of MS sheet of adequate capacity.
- Base Rail: Base Rail of adequate size is provided.
- Batteries: For electrical control circuit 1 no. 12 Volts suitable sized battery for electrical starting of DG set.

PRICE SCHEDULE:

S.No.	Description	Qty.	Price (Rs.)	Amount (Rs.)
1.	Supply of 45KVA Silent DG set comprising of M&M make Engine Model 4575TCIGM C-2, 57BHP@NTP, 1500 RPM, coupled to 45KVA Leroy Somer or Mahindra approved make 3 phase 415V, 50 Hz alternator mounted on a common Base frame along with other accessories i.e., Fuel tank, MANUAL Control Panel, Battery with leads and acoustic enclosure.	1	3,94,436/-	3,94,436/-
2.	Supply of 50KVA Silent DG set comprising of M&M make Engine Model 4725GM C-2, 72BHP@NTP, 1500 RPM, coupled to 50KVA Leroy Somer or Mahindra approved make 3 phase 415V, 50 Hz alternator mounted on a common Base frame along with other accessories i.e., Fuel tank, MANUAL Control Panel, Battery with leads and acoustic enclosure.	1	4,36,040/-	4,36,040/-

TERMS & CONDITIONS:

GST: GST@ 18% Extra.

TERMS OF PAYMENT: 30% payment as an advance along with order & balance 70% payment against Performa invoice prior to dispatch from our OEM factory.

FREIGHT: Prices are **Exclusive** of freight charges.

TRANSIT INSURANCE: Prices are **Exclusive** of transit insurance charges.

APPROVALS: Approvals from concern authorities shall be to customers account.

DELIVERY: Supply within **3 - 4 Weeks** from the date of receipt of your order along with advance, subject to force majeure conditions and unforeseen delay, which is beyond our / our manufacturers' control.

WARRANTY : The offered Engine & Alternator is warranted for a period of 2 years from the date of dispatch OR 5000 Hrs. of operation from the date of commissioning, whichever is earlier against any manufacturing defect/defective materials only. However, electrical and other proprietary items would be covered as per their respective manufacturer's standard warranty clause. The warranty will not cover the normal wear and tear or damages caused by accident, wrong handling and improper maintenance.

VALIDITY: Our offer shall remain valid for a period of **30 Days** from the date of our offer and subject to our confirmation thereafter.

SCOPE OF SUPPLY: Our offer is confined to whatever is specifically included and stipulated in the technical and commercial clauses and is subject to changes as may be mutually agreed upon finalization of the contract.

EXCLUSIONS: Our offer is for supply of equipment only. Installation job work, i.e., unloading of DG set at site, earthing pits, G.I. strips, foundation, power cabling & control cabling with end terminations, exhaust piping with supports, manual changeover switch etc. Shall be charged extra.

ARBITRATION: In the event of any disputes or differences arising between the parties out of or relating to the validity, construction, meaning, operation or effect of this offer, or any amendments or other documents relating to this offer, or the breach of the terms of any document agreed to between the parties, the same shall be referred to Arbitration, as per the provisions of the Arbitration and Conciliation Act 1996 and the arbitration proceedings shall be held at **Ghaziabad/ Delhi** jurisdiction only.

It will be a pleasure serving you for your valued requirement.

Looking forward to provide you our best of the services.

Thanking You,

With Regards,

For Perfect Generator Technologies (P) Ltd

Hi sir,

Greetings from Perfect Generator Technologies Pvt. Ltd.!!

Please find the Techno commercial Offer for 62.5 KVA Mahindra Diesel Genset & 125Kva Genset for your consideration.

We have been servicing prestigious brands like Amazon, Jubilant Foods, Tata Starbucks, Hdfc Bank, Yes Bank, Axis Bank and assure you the best of our services.

Hoping that our offer is in line with your requirement.

Look forward to doing business together and hearing from your soon.!!!

Regards,

Tanvi Pawar

1	JOCKEY PUMP Supplying, installing, testing and commissioning of Electrical driven Fire Hydrant pumps suitable for automatic / manual operation. Vertically mounted, Multi stage centrifugal end suction type fire pump capable of delivering 180 LPM against a total head of 70 meters while running at 2900 r.p.m. complete having tail pieces for proper connection to suction and delivery line. Squirrel cage, TEFC induction motor 415 + 10% 3-phase 50 Hz A.C, 7.5 HP/ 5.5 KW for the above pump. Common Bed plate of requisite strength manufactured out of M.S. channels. Coupling and coupling guard for direct coupling of pump and motor. Suitable anti vibration mounts for mounting of the pump. Pump Make : Kirloskar Motor Make : Kirloskar/ ABB	2	set	2600	5200	2000	4000
2	MAIN PUMP Supplying, installing, testing and commissioning of Electrical driven Fire Hydrant pumps suitable for automatic / manual operation. Horizontally mounted, single stage centrifugal end suction type fire pump capable of delivering 2280 LPM against a total head of 70 meters while running at 2900 r.p.m. complete having tail pieces for proper connection to suction and delivery line. Squirrel cage, TEFC induction motor 415 + 10% 3-phase 50 Hz A.C, 60 HP for the above pump. Common Bed plate of requisite strength manufactured out of M.S. channels. Coupling and coupling guard for direct coupling of pump and motor. Suitable anti vibration mounts for mounting of the pump on a concrete pedestal (pedestal not in scope) Pump Make : Kirloskar Motor Make : Kirloskar/ ABB	2	set	80000	290000	7000	14000
3	DIESEL DRIVEN PUMP Supplying, installing, testing & commissioning of Diesel Engine driven stand by fire pump suitable for automatic / manual operations. Horizontally mounted multistage centrifugal end suction pump capable for delivery of 2280 LPM against a total head of 70 meters while running at 1500/1800 r.p.m. complete having tail pieces for proper connection to suction & delivery line. Diesel engine for the above pump 62 BHP complete with standard accessories & suitable cooling system as per enclosed technical specification. Common base plate of requisite strength manufactured out of M.S. channels. Coupling & coupling guard for direct coupling of engine & pump 1 No. day oil storage tank. Tank shall be provided with inlet, outlet, overflow, vent drain connections & level indicator. Engine Control panel with alarms. . 12 volts 180 AH lead acid battery for starting the engine automatically. Suitable anti vibration mounts. Pump Make : Kirloskar	1	set	165000	165000	6500	6500
4	CONTROL PANEL Supplying, Testing & commissioning of electrical panel compartmentalized fabricated & painted as per 7 tank procedure as per detailed specification and consisting of the following:						

	2 No. 60 HP Star Delta Starter for hydrant pump CT operated ammeter with selector switch, Auto manual switch on - off push button and lamps, control circuit and interfacing/interlocking with pressure switch and Engine driven pump. 2 No. 7.5 HP Starter for Jockey Pump CT operated ammeter with selector switch, Auto manual switch on - off push buttons and lamps, control circuit and interfacing with pressure switch. Diesel engine starting Panel with battery charger with boost & trickle facility. 1 No. supply to DG Battery charger (with cut-off contactor when DG is running.)	1	set	95000	95000	8500	8500
5	CABLES & ELECTRICALS Supply, laying, testing and commissioning of 1100V grade 1.1KV XLPE insulated and PVC sheathed steel Armoured, Aluminium/ copper conductor cables as per IS:7098/11 including termination cable lugs and glands. 3C X 35 sq.mm Aluminium conductor (A2XFY) 4C X 16 sq.mm Aluminium conductor (A2XFY) 4C X 25 sq.mm Alum. SUBJECT:- YOUR REQUIREMENT OF Main LT Panel and Distribution Panel

Dear Sir,
This is reference to our discussion and provided SLD regarding above subjected enquiry. Please find below our offer with bill of material required and terms and condition

1. Price
2. Terms and conditions
3. Bill of material

For any techno-commercial clearance please feel free to contact us. We trust that our offer will suit you commercially as well as technically.

For *M.S. Engineers & Controls*

Sandeep solan
9719019872

1. Price Schedule(without tax)

2. COMMERCIAL TERMS AND CONDITIONS

PRICES

- : Net Ex works meerut in unpacked condition as in price schedule. Any increase of new material or finished product except as in Bill of material will be to the purchaser,s account.

PACKING AND FORWARDING

- : Extra actual to purchaser,s accounts.

DELIVERY PERIOD

- : Within 4-6 weeks after recieving of P.O.

PAYMENT TERMS

- : 40% Advance withn order ,50% and tax before delivery and 10% balance after commissloning

GURANTEE AND WARANTEE

- : The equipment offered by us is waranteed against any manufacturing defect for a period of 12 th month from the date of despatch. Any defect arising in the equipment due to improper storage, incorrect installation faulty operation and maintenance shall be responsibility of customer.

LOADGING,BOARDING, FOODING

- : Extra actual to purchaser,s accounts.

TRAVELLING CHARGES
VALIDITY OF OFFER
JURIDISTION

Extra actual to purchaser,s accounts.(EQUI. TO IIIrD ac)
: 30 Days from the date of offer
: Subjected to juridistion of Meerut only

Truepower Energy & Automation Pvt. Ltd. is fastest growing Brand in the Power Electronics segment in India.

- Start-up firm with core team of professionals having >50+ years of combined techno-commercial experience.
- Our Vision & Mission is to become fastest growing organization in power electronics & industrial automation.
- We have state of the art manufacturing set-up and warehousing facilities in Delhi NCR to support faster deliveries to our partners and customers, accredited with ISO 9001:2015 & MSME certifications.
- We are having strong team of highly skilled people to take care of operation & management.
- Factory trained service engineers equipped with Mobile App for after sales support in selected cities in India.

We are thankful and honoured for the interest shown in our products / solutions and for considering us for your valuable requirement.

We are confident that we shall be able to provide you the most efficient solution for all your power quality challenges.

In anticipation of your valued PO.

Thanking you and look forward for a long lasting association with your esteemed organization.

Powerfully Yours,

Nishit Saxena

Commercial Terms & Conditions

- Quotation shall be valid for 30 days from the offer date.
- Quoted prices are basic.
- Packing & forwarding included
- The present Taxes given below shall be charged extra:
 - **GST extra @18%.**
 - **GST is applicable on Basic price plus packing charges if any.**
- Octroi / Entry tax /LBT (if applicable shall be arranged by buyer through their sources / agents).
- Required Road Permit / Waybill / E Sugam to be arranged immediately on submission of dispatch details. Any delay in arrangement, if vehicle is on hold then applicable detention charges if any to your account.
- Freight Charges FOR Site
- Transit insurance included.
- Installation charges mentioned in quote are considering 3 man-days. If Installation is delayed due to any reason, per day Rs.2,000/- shall be charged extra
 - **GST @18%** shall be charged extra on supervision of Installation & commissioning charges.
- Delivery period shall be 2-3 Weeks from the date of receipt of techno-commercially clear purchase order.
- Payment terms: 25% Advance balance against PI before despatch.
- **Standard Warranty Terms and Conditions:**
 1. M/s Truepower directly or through OEM warrants the purchaser of product that it is free of defects in material and components, which if proven to suffer from manufacturing defects or defective material during the warranty period, will be provided free services, repairs or replacements.
 2. The period of validity of the warranty is 24 (Twenty Four) months (unless specified separately) from the date of commissioning, if said activation is carried out by OEM personnel or personnel authorised by OEM, and not however more than 25 (Twenty Five) months from the date of delivery by M/s Truepower.
 3. The warranty is recognized within national territory. If the unit is exported out of national territory, the warranty (if agreed separately) shall be valid ex-works & shall be limited only to the cover of the parts used to repair the fault.
 4. The warranty covers all the parts used to repair the fault.
 5. The warranty shall not apply in the following cases:
 - Failures due to fortuitous circumstances or force majeure (lightning, floods, etc.).
 - The product's original identification (serial number, etc.) markings have been defaced, altered or removed.
 - Failures due to negligence or improper use (use out of tolerance: temperature, humidity, ventilation, electric power supply, applied load, batteries) or improper Installation & Commissioning.
 - Insufficient or inadequate maintenance.
 - Attempted maintenance, repairs or modifications not carried out by M/s Truepower/ OEM personnel or personnel authorized by OEM.
 - In case of UPS systems, if the battery has not been recharged in accordance with the terms indicated on the packaging and in the manual, in cases of extended storage or UPS inactivity. OEM may, at its own discretion, opt on chargeable basis, for the repair of the product or for the replacement of the faulty or defective parts with new parts or with used parts that are equivalent to new parts with regard to functions and performance. Defective or faulty parts replaced free of charge are to be put at the disposal of OEM who becomes the sole owner.

Truepower Energy & Automation Pvt. Ltd.

25/2, Ashoka Road, Shipra Suncity, Indirapuram, Ghaziabad-201014 (India)

info@truepower.net.in www.truepower.net.in

6. *Replacements or repairs of parts and any modifications to the product during the warranty period cannot extend the duration of the warranty. In no case will OEM be responsible or liable for damages (including, without limitations, damage for loss of earnings, interruption of activity, loss of information or consequential or incidental damages) deriving from the use of the product, either independently or otherwise.*
 7. *The present conditions are subject to Indian law. Any dispute falls under the province of the Court of Chennai*
- **Force Majeure Clause:** The above said prices, terms and conditions etc. are valid and binding on us subject to force majeure conditions i.e. strike, war, accident, natural disasters, acts of enemy, or acts of god or reason beyond our control. Under above said force majeure, we shall be absolved of any legal / monetary obligations with reference to or in connection with this contract.

QUOTATION

VARAHAMURTI FLEXIRUB IND. PVT. LTD.

Halol, Gujrat

Date: 13.09.2021

Ref.: ITT/KS/153

Kind. Attn.: Mr. Rajat Rao

Subject: Offer for FS CURTIS make FASV Series Variable Drive Screw Air Compressor

Dear Sir,

Thank you for your enquiry for air compressors & allied accessories. We take this opportunity to introduce ourselves as authorized dealer of **FS Compressors India Pvt. Ltd.**, a group company of Taiwan's top Industrial house, **Fusheng Industrial Co. Ltd.** The Group has 19 plants across the globe, and, as per a market study published in USA, is the 3rd largest manufacturer globally for compressed air solutions. The company's focus is to provide best designed compressed air systems under **FSCURTIS** brand in a cost-effective way and with outstanding service levels.

Fusheng Industrial Corp was incorporated in 1953 as an Air compressor company in Taiwan. Over the years, they have established three main business divisions viz., Machinery, Electronics, & Sporting goods with all the divisions under the directives of the group President. By far, the machinery division is the largest of the three and represents the true global portfolio of the group. The companies and brands under the Group are

- 1) **FS-Curtis**, Curtis Toledo for Air compressors based in St. Louis MO USA,
- 2) **FS-Elliott Co.**, for centrifugal compressors based in Pittsburgh Pa. USA,
- 3) **FS Europe GmbH Germany** for R&D and Engineering,
- 4) **FS-Precision Tech Co.** LA Cal. USA, for manufacturing high precision casting products for automotive, medical and aerospace industry.
- 5) **ALMiG** for air compressors, based in Germany

The group has maintained the spirit of '**Pursuing excellence and enriching lives**' and is applied to every corner of the enterprise's activity. The company strives for innovation and continuous improvement.

Our manufacturing unit in Chakan, Pune will be the hub to manufacture '**FSCURTIS**' Brand Piston and Screw Compressors. Our product range comprises of:

- 01) Piston compressors up to 64 CFM (lubricated and oil free type)
- 02) Oil Injected Screw Air Compressors up to 1240 CFM
- 03) Transport Compressor up to 14 CFM
- 04) Water Injected Oil Free Screw Compressors up to 750 CFM Range
- 05) Booster Compressor up to 324 CFM
- 06) Refrigerated Air Dryer up to 2500 CFM
- 07) Heatless Air Dryer up to 2000 CFM
- 08) Filters up to 1645 CFM
- 09) Air Receiver up to 12 m³
- 10) Auto Drain Valve up to 3000 CFM

The company has regional offices and resident engineers, trained service personnel across India to cater to the customer needs and services.

FS boasts of a clientele that encompasses a wide array of industries, some of which are ONGC, Bharat Petroleum, Linde, Hindalco, L&T, Praxair, PepsiCo, Coca Cola, Honda, Shell Cars, Essar Power, GE Energy, RIL, MCF, IOCL, HOCL, JSW Steels, BALCO, JSL Stainless, Tata Power and many more.

INDUSTRIAL TOOLING TECHNIQUES

Office No.-10, 2nd Floor, Ramneek Complex, NIT, Faridabad, Haryana
Phone- 0129 4142927, Email- sales@ittindia.co.in, www.ittindia.co.in

With this background, **FS Compressors India Pvt. Ltd.**, is now all geared up to cater to wide spectrum of compressed air needs, of the industry in India by providing its customers with **affordable systems** under '**FSCURTIS**' branded **compressors and accessories which are being assembled in India**. It is our earnest wish to be associated with your organization in our area of interest for a mutually fruitful longstanding business relation. Kindly call us at your earliest convenience to explore these possibilities. Our team of Engineers will be glad to visit you for providing the best of compressed air systems.

We are committed to making the entire transaction with our customer a satisfying one.

We look forward to partnering you in your new projects. Please find enclosed herewith the Technical Specifications, Price Schedule & Terms and Conditions.

We trust you will find our offer in order and in line with your requirement. Should you need any further information / clarification, please feel free to contact us

Thanking you again for your enquiry and faith reposed in our product.

Yours sincerely,
For Industrial Tooling Techniques

Compliance and Jurisdiction:

1. The KION Group Code of Compliance implemented within KION Group and its brands is an expression of the legal and ethical standards embodied in the excellence KION strives for throughout all of its businesses, and which KION and its brands expect in return from its business partners. The KION Group Code of Compliance (the "KGCC") together with its KION Compliance Principles for Independent Partners in KION's Sales & Service Organisation emphasises the commitment to compliance with the law, sets forth basic standards of legal and ethical behaviour, and forms an integral part of this Communication / Offer / Agreement. The relevant link is : >> https://www.kiongroup.com/en/main/investor_relations/corporate_governance/compliance_at_kion/Compliance.jsp 2. Any dispute arising out of or in connection with the Contract shall be subject to jurisdiction of Pune Court. 3. Notwithstanding any other clause of the Contract, the Delivery of the goods to you or your Order, will be subject to our Credit and Risk Assessment of your Company / Firm,

and you may be requested to provide us with an upfront payment for the value of the invoice, depending on the result of our Assessment.

CANCELLATION OF ORDER: Order placed on us shall be firm and final. In the event of any order cancellation by the customer for no reasons attributable to KION and if delivery of the equipment is not taken within the pre-agreed delivery period, the 100% advance payment received with the order shall be forfeited by KION as order cancellation charges.

Yours Sincerely,

FOR UNITY EARTHTECH

Dear Gurpreet Singh,

Greetings from Identimatic, a brand of Toshi Automatic Systems Pvt. Ltd. (TASPL)!

We thank you for the interest shown in our products and value the opportunity to present our techno-commercial proposal to you. The proposal consists of the following:

- 1) Introduction
- 2) Identimatic Product Range
- 3) Techno-Commercial Offer

Should you require further information at this time or have any questions, please do not hesitate to contact us.
We look forward to our business collaboration in the near future.
Thank you, and assuring you of our strongest commitment to successfully service your requirement.

Best Regards,
Identimatic Team
(A brand of TASPL)

Siddhant Sachdev

1) Introduction about our Company

We are pleased to introduce ourselves as one of India's oldest and most trusted automation companies, with a legacy that spans over two decades.

Since our inception in 1992, TASPL has evolved to establish itself as a thought leader and innovator in the field of Entrance Automation, operating under the brand of **Identimatic**. With deep-rooted expertise in conceptualizing, designing, manufacturing, supplying, and maintaining automation products, solutions, and services for application in Industry, Public Safety, and Mass Transit, we are working tirelessly to fulfill our vision:

To establish indigenously designed automation products, solutions, and service standards as the benchmark for the world.

Our comprehensive portfolio under the Identimatic brand includes:

Industry	Public Safety	Mass Transu
Rolling Shutters	Flap Barriers	Platform Screen Doors
High-Speed Doors	Turnstiles	AFC Turnstiles
Dock Levelers	Swing Barriers	Border Control Gates
Dock Shelters	Speed Gates	Immigration Control Gates
Entrance Gates	Boom Barriers	
Sliding Doors	Bollards	
Fire Doors	Road Blockers	
Hangar Doors	Tyre Killers	
Operators & Accessories		

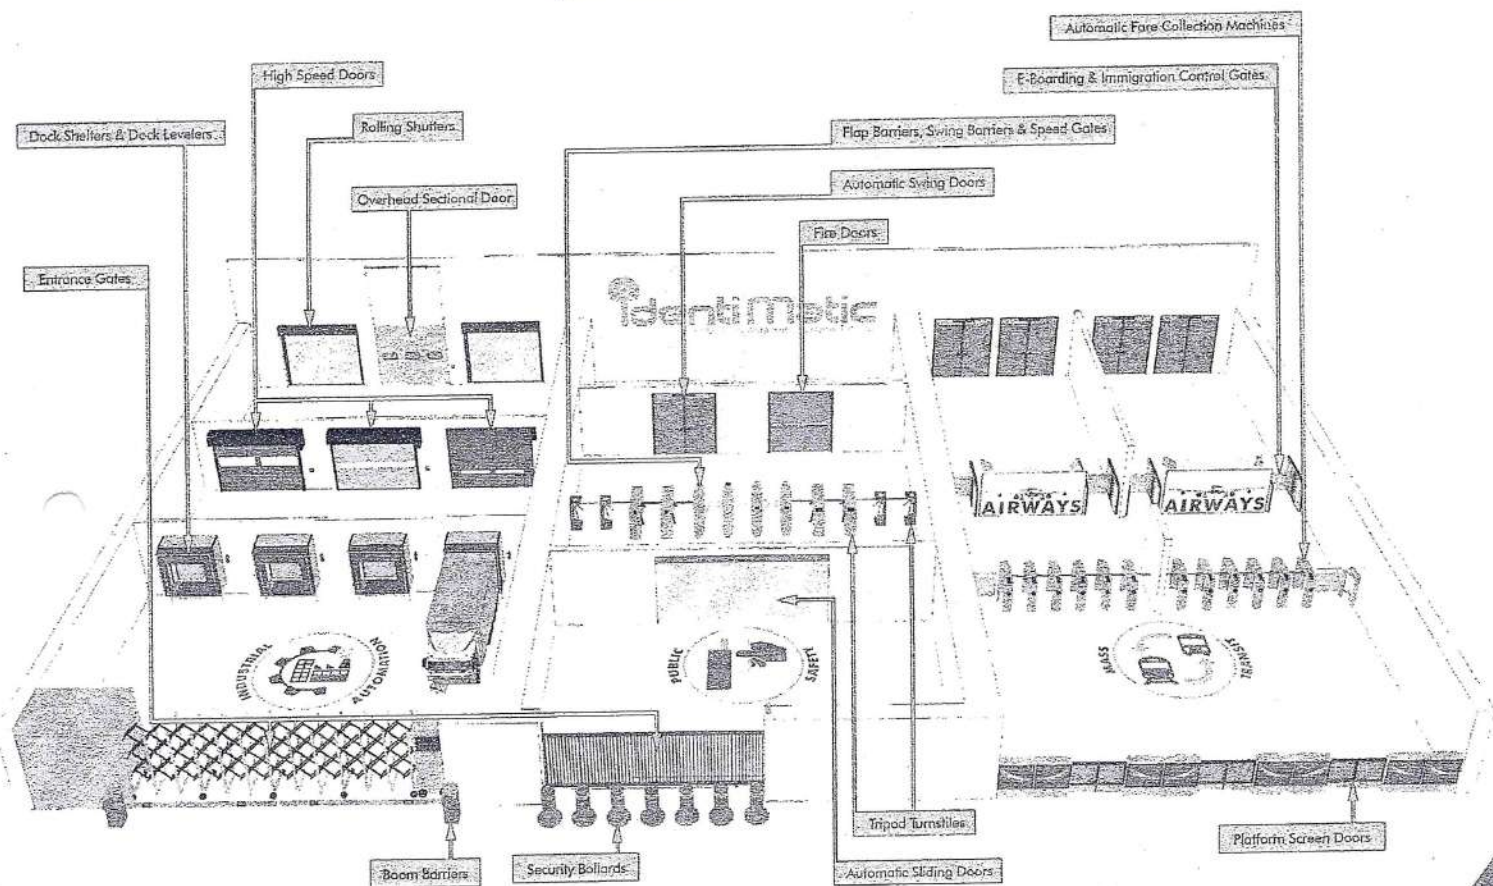

Our state-of-the-art manufacturing and warehousing facility spans over 30,000 sq.ft. and is located in Ghaziabad (43 Km south-east of New Delhi). As an ISO 9001:2015, 14001:2015, and 45001:2018 certified company, we lay exceptional emphasis on our quality standards.

Our team of trained professionals comprises electronic, mechanical and design engineers, steered by a veteran management with 35+ years of experience in the automation industry.

Finally, we firmly believe that any equipment is only as good as the maintenance and service it receives and to that end, our team of dedicated customer service professionals is trained to maximize the life of our products and enhance user safety, efficiency and convenience.

We welcome the opportunity to collaborate with your organization and service your requirements below.

2) Identimatic Product Range

NOTE: *Drawing approval in the client's scope - only after drawing confirmation, production of the particular product will be started (wherever applicable).*

OFFER TERMS:

Payment: Supply Order: 60% of the basic value as advance against stamped and signed PI, 40% plus 100% GST prior to dispatch subject to inspection of goods at our works

Installation Order: 100% within 15 days of commissioning or 30 days from supply, whichever is earlier

Delivery Note: 2-3 Working Weeks (approx.)

Freight: Extra as per actual in client scope

Unloading: In client scope

Warranty: 12 months from date of invoicing against manufacturing defects only.

Exclusions: Civil and RCC work, along with provision of power cable will be in client scope.

Offer Validity: 23-01-2021

TERMS AND CONDITIONS

INSTALLATION CONDITIONS

- Installation can start only after site readiness written confirmation received from client. Once site readiness written confirmation received, Installation Team will be mobilized on site with in 5 - 6 Days, unless otherwise notified by TASPL team by email.
- For any reason installation team required to be demobilize without completing the work, In that case, extra charges would be applicable for remobilization of the installation team.
- MS ISMC Frame structure for installation (where required) will be in client scope unless mentioned in the offer.
- Civil or RCC work for installation is under client scope.
- Any requirement of hydra, forklift, ladder, or scaffolding on site will be in client scope unless mentioned in the offer.
- Provision of free electric point should be made available near work/Installation place.
- At the time of storage at site or warehouse for perpetuate periods, if material damaged then repairing/replacement cost will be in client scope and due to this re-painting required will be in client scope.

DELIVERY & TRANSPORT

- Subject to the approval of site conditions, measurements, technicalities, and receipt of an advance payment as per PO terms.
- The delivery period to be provided at the time of order finalization (subject to change due to customs clearance and import delays) and considered after drawing approval by the client.
- Customer shall inform via email, fax letter about the delivery of damaged goods (if any) within 3 working days of receiving material at the site, and mention on invoice with photographic evidence.
- Any claim towards discrepancies must be brought to our attention within 8 working days of material delivery.
- If the customer postpones the delivery for any reason, TASPL will shift finished goods in dispatch warehouse and raise the Invoice for next due payment as per P.O. terms and 1% stocking charges plus tax will be charged, per week on total product value.

EXCEPTIONS

- Drawings submitted after confirmation of the order.
- The above offered value is by considering the above sizes and quantity, if the sizes and quantity of the products varies the prices will vary accordingly.
- All product correct sizes & measurements to be provided by client. TASPL will prepare the drawings, client will approve the same. Product will be manufactured as per approve drawing sizes.
- Unloading, safe storage, bringing goods to the installation location, and alterations in the structural column are under client scope.
- Refurbishment of goods like rust removal, re-painting, etc., as well as welding tool requirements at the site, will be under the client's scope.
- Shortage of material due to theft, misplacement, improper storage, pilferage is under client scope.
- Interest of 24% per annum will be charged in case the payment is not made as per agreed terms.

SITE PROVISIONS - CIVIL & ELECTRICAL

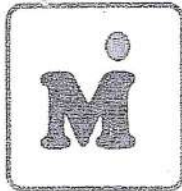

- Electrical power supply (single-phase/three-phase) through a separate MCB upto the point of installation is by the client at their expense.
- Cables, conduits, flexible hoses, or cable trays required for installation of goods and accessories will be provided by the client at their expense.
- Stable and spike free power supply through stabilizers or spike protectors to the installation site is at the client's expense.

GENERAL WARRANTY

- Unless specified otherwise, TASPL warrants to you that "Identimatic Products" will be free from defects in materials and workmanship affecting normal use for a period of 12 months as applicable from invoice date ("Standard Warranty") or as mentioned in commercial offer. This Standard Warranty does not cover damage, fault, failure or malfunction due to external causes, including accident, abuse, misuse, problems with electrical power, servicing not authorized by TASPL, act of God, any attempt by any person other than TASPL personnel or its authorized partners, or any person authorised by TASPL, to adjust, repair or support the Products and problems caused by use of parts and components not supplied by TASPL.
- Warranty will be void if supply / installation payment is not made on time as per agreed payment terms.
- Warranty is Void against any power supply malfunction or physical damage to the equipment
- Liability restricted to rectification of equipment subject to cause of failure attributable to manufacturing defects only return to bench (Ghaziabad factory/Warehouse)
- Factory/warehouse Acceptance is final acceptance. Thereafter our liability is restricted to obligations arising of warranty

FORCE MAJEURE & JURISDICTION

- All terms subject to Ghaziabad, U.P. jurisdiction

Terms and conditions:

1. Price and Government levies

The above price is ex-works Faridabad GST @18% in lieu thereof and other Governmental levies as applicable at the time of dispatch charges will Be extra

2. Packaging and Forwarding charges

Packaging and forwarding charges will be account to your at actual

3. Warranty

The machine will be warranted for satisfactory performance and for any Inherent material and manufacturing defects of the same for a minimum Period of one year, from the date of dispatch for your works

4. Insurance

If you require, we can arrange to insure the goods at the time of dispatch, Covering all risks from our work to the destination and the insurance Charges will be debited to your account

5. Delivery

10-12 weeks weeks after PO and advance.

6. Payment

30 % Advance

12% on 22 nos Powerised Roller Conveyor Delivery

12% on 21 nos Powerised Roller Conveyor Delivery

12% on 20 nos Powerised with 90 degree turn conveyor Delivery

19% on 2 Nos Quality Conveyor, 3 Nos Flipper Conveyor, 1 Nos Inclined Conveyor Delivery

10% on Delivery of full set.

5% After install and validation.

Note : Amount of GST will be cleared with the corresponding invoice raised alongwith respective delivery payment.

7. Erection and commissioning

Our engineer will be disputed for the erection and commissioning of the system.

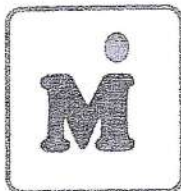

8. Validity

The validity of this quotation will be 1 week from the date of Quotation

9. Trial

All the materials which will be used in trial process will be provided by the Customer or the amount will be charged extra.
