**8. Possession:** As per my site visit and on perusal of the above said documents the Borrower is in possession of the above said lands and is running its research and development, processing unit.

**9. Payment of Municipal/Local/Cess Etc:** The Borrower has acquired larger extent of lands in various survey numbers situated in Wargal and Gowraram Villages, of Wargal Mandal Medak District. And it appears that the lands acquired by the Borrower in the said two villages are adjacent to each other. As such it is unable to find out in which of the above said villages, the schedule land is falling unless the same is measured, fix boundaries in accordance with the sale deeds of the Borrower by a Mandal surveyor. However, from the documents submitted by the Borrower it is noted that the Borrower has obtained building permissions from the Grampanchayath, Gowraram Village and raised structures in it. The said structures were assessed to property tax and were allotted H.Nos. 4-97, 4-98 and 4-98/1. **10. Applicability of the Urban Land (Ceiling & Regulation) Act, 1976 (ULCRA):**

Not Applicable.

**11. Applicability of Local Laws:**

Not Applicable

**12. Searches:**

**(i) Searches in the Office of Sub-Registrar of Assurance:**

On 06-05-2016, I conducted searches in the O/o. SRO Gajwel, and I found that the entries recorded in the said registration office are tallying with that of the above said document bearing No. 1482/95 submitted by the mortgagor. Hence I opine that the said document is true and correct.

The search receipt No.69, Dated: 06-05-2016, issued by SRO Gajwel, is filed herewith in proof of the same.

**(ii) Enquiries made in the Office of Mandal/Revenue Office:**

Since in some of the lands of the subject property is being utilized for research and development and also for processing unit by raising structures, enquires have not made. However, I carried online searches and found that the Borrower is having patta for the subject lands. Further village pahani for the year 2015-16 and IB-ROR downloaded from the website are discussed above and the same have been appended to the list of the documents perused above.

**(iii) Searches in the Office of Registrar of Companies:**

The Bank may obtain the ROC searches carried by a practicing Company Secretary.

(iv) **Lispendency:** The mortgagor has stated that no cases are pending in any court of law in respect of the above described property. But it is advised that, the bank shall obtain a declaration from the mortgagor that no cases of any nature are pending in any court of law/tribunal/authority. And further the bank shall cause a public notice to be published in any local news paper calling for objections if any from any person/s before creating mortgage.

**13. Site Inspection:** On 06-05-2016 I visited the site of the above said property as shown by Sri. T. Srinivas, DGM (Legal) of the Borrower. The said property is situated about 1 Km., from the High Way leading from Hyderabad to Karimnagar beside the road of Gowraram Police Station on the way leading to Sarawathi Temple Wargal Village. The Borrower is having larger extent of land which is divided into two bits, in view of the village road leading from Karimnagar High Way to Sarawathi temple Wargal Village. The land on the right side of the temple road consists of nearly Ac 8-00 to 10-00 in which administrative blocks, canteen, Research building with open space is located and the area is fenced by Barbed wire and the name of the Borrower is displayed on the Board at the entrance of the property.

The remaining extent of the land is located on the left side of the temple road, consists of sheds of process development unit which are raised /erected on the smaller extent of the land and the rest of the land is being utilized for growing mango gardens, Cultivation etc. the said land is also surrounded by Barbed wire fencing with a board displaying the name of the Borrower at the entrance.

Even though the property of the Borrower has road accessibility as observed by me during site visit, but as per the schedule of the property as described in the respective sale deeds, the extents covered are land

locked lands. As such in order to ascertain the approach to the all the extents of the lands acquired by the Borrower, it is required to measure the total extent of land acquired by the Borrower, fix boundaries and a map has to be drawn by the Mandal Surveyor. **Therefore, the Borrower shall submit the map drawn by the Mandal Surveyor by fixing the boundaries to the entire extent of land acquired by the Borrower to the Bank.**

#### **14. Conclusion and Recommendations:**

Thus, with the above said observations, on the basis of documents submitted by the mortgagor I am of the opinion that the mortgagor, is in possession and enjoyment of the above described property. Though some structures are existing in smaller extent of land against the total extent of the land held by the Borrower, no land conversion proceedings have been obtained by the Borrower from the competent authority. Further the larger extent of the land held by the Borrower is being utilized for agricultural purpose only. **Hence the nature of the land can be considered as Agricultural land only.** The Borrower is having clear and marketable title to the Schedule described property. However, the borrower is advised to submit to the Bank below listed documents apart from the documents listed in the Schedule -I at the time of creation of mortgage.

1. Mutation proceedings
2. The Borrower shall take necessary steps to modify name of the Pattedar as Nagarjuna Fertilizers and Chemicals Limited instead of K.S. Raju in Pahanies, ROR, Pattedar Pass Book and Title Deed issued by the Revenue Authorities.
3. Payment of tax dues till date and produce no dues certificate issued by concerned authorities.
4. Map drawn by the Mandal Surveyor clearly demarcating all the respective extents of lands acquired by the Borrower

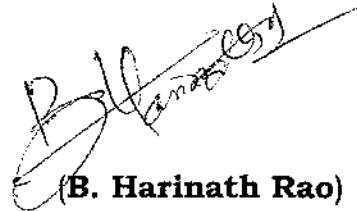

survey numbers and also to ascertain the total extent of land present on site.

5. To obtain certificate from the Revenue authorities certifying that the lands acquired by the Borrower are private patta lands only.
6. Issue public notice in respect of the proposed properties to be mortgaged before creation of security.
7. The Sale deed vide Doc. No. 1482/95 is to be taken both original and extra copy registered along with the original sale deeds at the time of creation of mortgage.

**15. Certificate:** Subject to the observations made in above said paras, I certify that Nagarjuna Fertilizers and Chemicals Limited, Hyderabad has a valid, clear and marketable title to the immovable property stated above.
