With reference to your letters 1<sup>st</sup> and 2<sup>nd</sup> cited, it is to inform that in accordance with Central Pollution Control Board (CPCB) re-categorisation of industrial activities into RED, ORANGE, GREEN AND WHITE categories, TSPCB has issued circular (copy of which is herewith attached) stating that the list of activities listed in the circular which are categorized under WHITE category are exempted from taking Consent for establishment (CFE) or subsequent Consent for operation (CFO).An intimation to the TSPCB about the project is sufficient.

As per the letter submitted the line of activity that has been mentioned is "electrical and electronics assembly (dry process)" which is at S.no.13 of list of white category activities in the circular issued by TSPCB and as already mentioned the unit is not required to obtain CFE or CFO and hence renewal of same does not arise. If you are going for additional products which fall under electrical and electronics assembly (dry process) then a mere intimation to TSPCB is sufficient.

Yours faithfully,
