

Minutes of Meeting (MoM) of the Commissioning Committee recorded on 31st October 2018 at the Project Site at District- Kutch, State Gujarat, witnessing the Part Commissioning activities for 50 MW out of 250 MW capacity of Wind Power Project of M/s. Ostro Kutch Wind Private Limited (Project ID: WPD-ISTS-T1-OKWPL-P1-250GJ).

Reference

- MoM of Commissioning committee dated 21st Aug 2018
- Commissioning Certificate (GEDA/PWF/Ostro-I/Kutch/18-19/3521) issued by GEDA dated 06th Sep 2018 to M/s. Ostro Kutch Wind Private Limited (Project ID: WPD-ISTS-T1-OKWPL-P1-250GJ)

1. In continuation to the references mentioned above of this MoM, the Commissioning Committee witnessed the additional Part commissioning of 50MW out of 250MW Wind Power Project (Project ID : WPD-ISTS-T1-OKWPL-P1-250GJ) of M/s **Ostro Kutch Wind Private Limited** at **Village-Ajapar, Chubdak, Kurba, Harudi, Nabhoi, Sakrai Timbo, Vada, Vadajar and Sanosara Tehsil/Taluk-Bhuj, Anjar and Mandvi District-Kutch State-Gujarat on 31st October 2018**
2. Physical verification of the 25 Nos WTG systems installed at the Project site has been carried out by the Commissioning Committee on 31st October 2018. Installation report of the equipments is enclosed as Annexure -I
3. 24 Nos of WTG's installed location details vide Ref No. GEDA/PWF/OSTRO-1/Commissioning/2018-19/Kutch/6764 dated 30.10.2018 and 1 no. of WTG's installed location detail vide GEDA/PWF/OSTRO-1/Commissioning/2018-19/Kutch/2544 dated 21.08.2018 are enclosed as Annexure-II & III.
4. Copy of CEA approval for Energisation for 24 nos. WTG's and 33 kV USS vide Ref. no. CEI/3/EI/RIO(W)/INSP/2018/1573 dated 26/10/2018 is enclosed as Annexure-IV and Copy of CEA approval for Energisation for 01 no. WTG's and 33 kV USS vide Ref. no. CEI/3/EI/RIO(W)/INSP/2018/1148 dated 18/08/2018 is enclosed at Annexure-V.
5. Copy of CEA approval for 33kV single circuit transmission line vide Ref. no. CEI/3/EI/RIO(W)/INSP/2018/1574 dated 26/10/2018 and CEI/3/EI/RIO(W)/INSP/2018/1149 dated 18/08/2018 are enclosed as Annexure-VI & VII.
6. Copy of CEA approval for 33kv over head line vide Ref. no. CEI/3/EI/RIO(W)/INSP/2018/967 dated 03/07/2018, CEI/3/EI/RIO(W)/INSP/2018/1106 dated 02/08/2018, WRIO/GJ/OSTRO/BACHAU/B-392/DD/2018/1239-40 dated 10/08/2018 and CEI/3/EI/RIO(W)/INSP/2018/1149 dated 18/08/2018. The same are enclosed as Annexure-VIII, IX, X & XI
7. Copy of CEA approval for energisation vide Ref. no. CEI/3/EI/RIO(W)/INSP/2018/757 dated 31/05/2018 (Two no's of 220/33KV associated with 220/33kv transformer bays). The same is enclosed as Annexure-XII

31/10/18

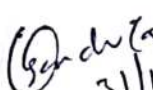

31/10/18

31/10/18

8. Copy of CEA approval for Electrical installation of 220kv Double circuit energisation vide Ref. no. CEI/3/EI/RIO(W)/INSP/2018/758 dated 31/05/2018. The same is enclosed as Annexure-XIII
9. Copy of CEA approval for 2 Nos of 220kv line bays (Bay No 210&211) energisation vide Ref. no. CEI/3/EI/RIO(W)/INSP/2018/894 dated 22/06/2018. The same is enclosed as Annexure-XIV
10. Power from this 50 MW (Part Commissioning) out of 250 MW Wind Power Project of M/s **Ostro Kutch Wind Private Limited** at Village-Ajapar, Chubdak, Kurba, Harudi, Nabhoi, Sakrai Timbo, Vada, Vadajar and Sanosara Tehsil/Taluk-Bhuj, Anjar and Mandvi District-Kutch State-Gujarat, is fed to Power Grid Bhachau 400/220 kV Sub Station through a 220 kV double circuit overhead line (Two separate - Bay 210 & Bay 211 for this project). The Main meter, Check meter and Stand by Energy Meters (for recording of energy evacuated from this project) have been installed at the end of Power Grid Bhachau S/s at 220 kV Panel. The Committee witnessed and recorded the Energy Meter readings installed in the Power Grid Bhachau Sub station on 31/10/2018. The details of the energy readings witnessed and recorded are enclosed as Annexure-XV.
11. Based on above, 50 MW ie. Part Capacity of 250MW Wind Power Project of M/s Ostro Kutch Wind Private Limited may be considered as Commissioned on 31/10/2018.
