The image shows a document page, possibly a ledger or record book, with handwritten entries. At the top, there is a header section with the text "RECORD OF" and "1911". Below this, there are several rows of data, including names and dates. A small square stamp is visible at the bottom left of the page.

A hand-drawn floor plan of a building, oriented vertically. The plan shows a central rectangular area divided into several smaller rooms or sections. Dimensions are indicated by lines and numbers: the overall width is 10.0, the overall height is 10.0, and various internal dimensions are marked (e.g., 2.0, 3.0, 4.0). Labels are present, including 'DEPT. OF COMMERCE' at the top, 'OFFICE' on the right, and 'STREET' at the bottom. The drawing is a technical sketch, likely for a building permit or record.
