Subject: Proposal for **(600 & 625) Kva** KOEL Green DG Set.

Respected Sir,

This is with reference to your inquiry regarding purchase of **(600 & 625) Kva** KOEL Green DG Set.

Firstly, we would like to extend our gratitude for your interest in our custom-designed products. We are delighted to submit our proposal that comply with your current power requirements.

KOEL Green is India's No.1 Genset manufacturing company; a brand which is synonymous with superior quality, integrity and excellence in after-sales services. Since inception, their fore-most priority has been to present turnkey power solutions that are tailor-made to meet the client needs. KOEL Green has over 30,000 Genset installations in the range of 180-1010 kVA, designed and manufactured in line with latest technology trends and market preferences.

We, **Jakson & Company** are an authorised **manufacturer** of KOEL Green genset in India.

With a customer -centric approach, we provide solutions that are technologically superior and are backed by our exceptional service.

With this endeavour, we look forward to build a long-lasting relationship with your esteemed organisation.

We are pleased to offer you the most competitive proposal that is best in town.

Attached herewith is a glimpse of our company that showcases our product quality and client commitment: We look forward to your valuable feedback. For any clarification, kindly get in touch with us.

Thanking you,

Yours faithfully,
RP Balyan

- 98%+ parts available at each outlet
- Flexible & economical AMC-Bandhan

Efficient Network

- Consistent, reliable & long-established
- 250+ expert touch points across India
- 500+ solution oriented professionals
- Uniform customer experience across
- Central system for enquiry to PRF
- Fair trade practices & Price transparency

Efficient Deliveries

- Cost-effective deliveries guaranteed
- Assured 7-day delivery of gensets
- Supports project management system
- Reduced working capital for customer
- Award-winning replenishment model
- Assurance of FRESH products always

Efficient 24X7 Care

- 24 X 7 operational customer care centre
- Team of over 70 trained & focused exec.
- Tracking every service request till closure
- Centrally maintained CRM for all requests
- Satisfaction call after every SR closure
- Central sales lead tracking system
- Continuous NPS and CDI measurement

ANNEXURE 2:

SALIENT FEATURES

- **Low Cost of Ownership** – KOEL Green power Genset features best-in-class fuel efficiency and low lubricating oil consumption that reduces cost of ownership. Additionally, GREEN power generators ensure minimal environment footprint.
- **Genset Health meter at Your Fingertips** – Microprocessor-based Genset controllers display a host of parameters that gives you complete control of your Genset performance.
- **KOEL Remote Monitoring** – KRM system links your Genset with a central monitoring data server which can be accessed via desktop or mobile anytime.
- **Best-in-class Lube Oil Change Interval** – KOEL Green Genset is powered by specially formulated lubricating oil (K-Oil) that minimises oil consumption so that you do not have to change it frequently. **Environment Friendly** – Our diesel Genset is 100% eco-friendly and designed to meet CPCB norms. It conforms to latest global pollution standards.
- **Silent Genset** – In-built fuel tank and meticulous engineering makes our diesel gensets compliant to all noise emission norms.
- **Widest Service Network** – KOEL Green acclaims the most extensive 'After Sales Service Network' that is rated the best in the industry.
- **Single Point Support** – KOEL Green advantage lies in providing single point contact for dedicated after-sales service for engine, alternator, battery and acoustic enclosure.
- **Easy Parts Availability** – All kinds of genuine spare parts and accessories are easily available, providing air convenience and dexterity.
- **Value added Services** – Avail a range of value added services like Annual Maintenance Contracts (AMC) and customer training programs Bandhan.
- **Industry-best Warranty Policy** – KOEL Green power generation sets come with unmatched warranty on most spare parts and manufacturing defects.
- **Installation Health Check-up** – We endeavour continued customer commitment and therefore, we have implemented (Project Kangaroo) across India.
- **24x7 Availability** – We have dedicated Customer Care Centre, operating around-the-clock for customer inquiries.
