Dear Sir,

This valuation certificate is in reference to the assignment received via an email dated 19<sup>th</sup> November, 2022. As you are already aware that during the time of site inspection along with you, we have not found any asset at the site. During the time of our site inspection, we have found that some other company has occupied the premises where the subject assets was supposed to be present. In absence of the assets, we are unable to do the valuation assessment of the said assignment.

Request you to acknowledge this certificate and process our professional charges.
