You will intimate BCCL in writing the date from which you will be fully ready to undertake the work in totality.

The above mentioned work is being awarded to you on terms and conditions of NIT / Tender Document.

You will have to ensure compliance of all technical parameters as stipulated in NIT / Tender Document and all relevant circulars / guidelines / direction of the CVC issued from time to time, including Circular no. 01/01/12 dated 12.01.2012 in respect of e-tendering.

You shall abide by all rules, regulations and guidelines under Indian I T Act 2000 with all subsequent relevant amendments and shall indemnify BCCL against any claim of Statutory Authority to this effect.

If required you shall make suitable changes in the system to comply with any further direction from Govt. of India or CVC or BCCL during the period till finalization of tenders floated during contract.

Further you have to fulfill the following before execution of Contract Agreement:

- To get the offered two software products, one for e-tendering and the other for e-reverse auction, integrated into a single package customized for Bharat Coking Coal Limited (BCCL) for simultaneously conducting e-tendering with or without e-reverse auction.
- To get the said integrated software duly audited by STQC within two months and will submit, at the earliest, the STQC Certificate along with Audit Report(s) which clearly indicate that the software tested complies with the CVC guidelines and provisions of the Information Technology Act 2000 read with all subsequent amendments and that it is suitable for simultaneously conducting e-tendering with or without e-reverse auction and ensures that the quotes from the various bidders with their name are not being displayed to anyone including to the organization carrying out e-reverse auctioning process.

You shall not disclose or rent or lend to any third party, any information, data and record whether in electronic form or any other form, related to providing the service for e-tendering to BCCL. This will include all back-end data captured by the web server related to the visitors to the site including time logs, audit trails and footprints caused by the incoming traffic into web server.

The above mentioned work is being awarded to you on terms and conditions of NIT / Tender Document.

You will have to ensure compliance of all technical parameters as stipulated in NIT / Tender Document and all relevant circulars / guidelines / direction of the CVC issued from time to time, including Circular no. 01/01/12 dated 12.01.2012 in respect of e-tendering.

You shall abide by all rules, regulations and guidelines under Indian I T Act 2000 with all subsequent relevant amendments and shall indemnify BCCL against any claim of Statutory Authority to this effect.

If required you shall make suitable changes in the system to comply with any further direction from Govt. of India or CVC or BCCL during the period till finalization of tenders floated during contract.

Further you have to fulfill the following before execution of Contract Agreement:

- To get the offered two software products, one for e-tendering and the other for e-reverse auction, integrated into a single package customized for Bharat Coking Coal Limited (BCCL) for simultaneously conducting e-tendering with or without e-reverse auction.

- To get the said integrated software duly audited by STQC within two months and will submit, at the earliest, the STQC Certificate along with Audit Report(s) which clearly indicate that the software tested complies with the CVC guidelines and provisions of the Information Technology Act 2000 read with all subsequent amendments and that it is suitable for simultaneously conducting e-tendering with or without e-reverse auction and ensures that the quotes from the various bidders with their name are not being displayed to anyone including to the organization carrying out e-reverse auctioning process.

You shall not disclose or rent or lend to any third party, any information, data and record whether in electronic form or any other form, related to providing the service for e-tendering to BCCL. This will include all back-end data captured by the web server related to the visitors to the site including time logs, audit trails and footprints caused by the incoming traffic into web server.

ATTESTED AS PER DOCUMENTS & DECLARATION
PRESENTED BEFORE US WITHOUT ASSIGNING ANY
RESPONSIBILITY OR RISK ON THE PART OF CE.

Subject : Extension of "Certificate of Approval" of e-Procurement System

Dear Sir,

This refers to the STQC Certification of EPS Bank e-Auction ver 3.0 (<https://bankeauctions.com>) developed by M/s C1 India Pvt. Ltd., Gurugram. As the re-certification of the system is in process at STQC IT Centre, Delhi, the "Certificate of Approval" issued by STQC having Certificate no. STQC/eProc/C1/Recert 2019-2 dated 02/04/2019 and having Validity till 02/04/2022 was extended till 02/07/2022, then again till 02/10/2022. Since the testing is still in progress, the certificate is hereby further extended till 02/01/2023.
