: No

13 Provision of fire fighting

: No

Copies of Plan and elevations of the Property to be included.

Valuation

ent to the request from the bank, valuer inspected property for the purpose of estimating & assessment of the present fair market value, based upon information furnished and from the particulars provided by the borrower / bank at the time of inspection; a detailed present fair market valuation opinion is prepared and furnished as hereunder.

Valuation ownership has been shown as per photocopy of Two Sale Deeds provided by the Bank. Details attached specification of the super structure viewed is such that it can be placed in Institutional category as classified by U.P.W.D./C.P.W.D.

Legal opinion / Non - Encumbrance Certificate must be obtained from the lawyer, also approved / sanctioned / Compounded / Completion plan / State from the respective development authority and all the no objection certificates required from municipal board/corporation, electricity department, pollution, fire, also receipts of house tax, water tax, electricity bills should be obtained from the owner for the purpose of Equitable mortgage as legal security. The bank should also separately verify boundaries of the property & actual physical possession of the owner on the property under consideration to cross check the report before sanctioning loan to the borrower.

Calculation of present cost of the structure, approved rates of U.P.P.W.D. / C.P.W.D. have been adopted, which includes internal specification, water supplies and sanitary fittings etc.

Rate has been adopted Rs 6,500.00 per sq. mtr. Considering the location of the land of which structure is erected, after thorough survey from local property dealers / residents.

All measurements are subject to statistical variations. This opinion is an investigation and therefore has technical limitations, as well as in accuracies in the field / site / human error and statistical analysis of technical process. It should always be viewed in this perspective. This opinion should be considered in correlation with legal and structural details of the property under consideration. This is only a technical opinion report as regards the value of the property, and not a Guarantee of realization of that Value. This opinion is valid only for the purpose specified on page-1 of the report.

Opinion is given after doing extensive market survey and keeping in mind the prevailing / present market conditions, Location of the property under consideration. As per the engineering principles and with much care, an opinion as regards estimated value of the property, is worked out, due weightage having been given to the verbal inquiries from Local & dependable agencies from locality, for which no written proof can be procured/produced, for obvious reasons.

Opinion is given with due delegacy and keeping in mind the interest of financing agency, all the facts & figures were discussed brought into the knowledge of the Branch Manager before giving this opinion, however the financing agency may also seek opinion / advice regarding the assessment / estimation of valuation of property under consideration, if desired / required sanctioning loan to the borrower/s, appraiser will not be held responsible / accountable in any case what so ever.

Responsibility is to be assumed for matters legal in nature, nor is any opinion of title rendered by this opinion. Good title is assumed legal description and dimension are taken from sources thought to be authoritative, However no responsibility is assumed for unless a survey, by a competent surveyor, is furnished to the appraiser.

Appraiser, by reason of this opinion, is not required to give testimony in court, with reference to the appraised property unless arrangements for such contingency have been previously agreed upon. The physical condition of the improvement was passed on inspection, No liability is assumed for the soundness of structure since no engineering test were made of the property.

Issuance of any copy of this opinion does not carry with it the right of publication, nor may be used for any purpose by any one, the addressee, without the previous written Consent of the appraiser, and in any event, only may be revealed in its entirety.

MODEL CODE OF CONDUCT FOR VALUER-APPENDIX-VI

Integrity and Fairness

- A valuer shall, in the conduct of his/its business, follow high standards of integrity and fairness in all his/its dealings with his/its clients and other valuers.
- 1 A valuer shall maintain integrity by being honest, straightforward, and forthright in all professional relationships.
 - 2 A valuer shall endeavour to ensure that he/it provides true and adequate information and shall not misrepresent any facts or situations.
 - 3 A valuer shall refrain from being involved in any action that would bring disrepute to the profession.
 - 4 A valuer shall keep public interest foremost while delivering his services.
 - 5 A valuer shall render at all times high standards of service, exercise due diligence, ensure proper care and exercise independent professional judgment.
 - 6 A valuer shall carry out professional services in accordance with the relevant technical and professional standards that may be specified from time to time.
 - 7 A valuer shall continuously maintain professional knowledge and skill to provide competent professional service based on up-to-date developments in practice, prevailing regulations/guidelines and techniques.
 - 8 In the preparation of a valuation report, the valuer shall not disclaim liability for his/its expertise or deny his/its duty of care, except to the extent that the assumptions are based on statements of fact provided by the company or its auditors or consultants or information available in the public domain and not generated by the valuer.
 - 9 A valuer shall not carry out any instruction of the client insofar as they are incompatible with the requirements of integrity, objectivity and independence.
 - 10 A valuer shall clearly state to his client the services that he would be competent to provide and the services for which he would be relying on other valuers or professionals or for which the client can have a separate arrangement with other valuers.

Independence and Disclosure of Interest

- 11 A valuer shall act with objectivity in his/its professional dealings by ensuring that his/its decisions are made without the presence of any bias, conflict of interest, coercion, or undue influence of any party, whether directly connected to the valuation assignment or not.
- 12 A valuer shall not take up an assignment if he/it or any of his/its relatives or associates is not independent in terms of association to the company.
- 13 A valuer shall maintain complete independence in his/its professional relationships and shall conduct the valuation independent of external influences.
- 14 A valuer shall wherever necessary disclose to the clients, possible sources of conflicts of duties and interests, while providing unbiased services.
- 15 A valuer shall not deal in securities of any subject company after any time when he/it first becomes aware of the possibility of his/its association with the valuation, and in accordance with the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 or till the time the valuation report becomes public, whichever is earlier.
- 16 A valuer shall not indulge in "mandate snatching" or offering "convenience valuations" in order to cater to a company or client's needs.
- 17 As an independent valuer, the valuer shall not charge success fee (Success fees may be defined as a compensation / incentive paid to any third party for successful closure of transaction. In this case, approval of credit proposals).
- 18 In any fairness opinion or independent expert opinion submitted by a valuer, if there has been a prior engagement in an unconnected transaction, the valuer shall declare the association with the company during the last five years.

Confidentiality

- 19 A valuer shall not use or divulge to other clients or any other party any confidential information about the subject company, which has come to his/its knowledge without proper and specific authority or unless there is a legal or professional right or duty to disclose.

Information Management

- 20 A valuer shall ensure that he/ it maintains written contemporaneous records for any decision taken, the reasons for taking the decision, and the information and evidence in support of such decision. This shall be maintained so as to sufficiently enable a reasonable person to take a view on the appropriateness of his / its decisions and actions.
- 21 A valuer shall appear, co-operate and be available for inspections and investigations carried out by the authority, any person authorized by the authority, the registered valuers organization with which he/it is registered or any other statutory regulatory body.
- 22 A valuer shall provide all information and records as may be required by the authority, the Tribunal, Appellate Tribunal, the registered valuers organization with which he/it is registered, or any other statutory regulatory body.

- 24 A valuer while respecting the confidentiality of information acquired during the course of performing professional services shall maintain proper working papers for a period of three years or such longer period as required in its contract for a specific valuation, for production before a regulatory authority or for a peer review. In the event of a pending case before the Tribunal or Appellate Tribunal, the record shall be maintained till the disposal of the case.

Gifts and Hospitality

- 25 A valuer or his/its relative shall not accept gifts or hospitality which undermines or affects his independence as a valuer. Explanation.— For the purposes of this code the term 'relative' shall have the same meaning as defined in clause (77) of Section 2 of the Companies Act, 2013 (18 of 2013).
- 26 A valuer shall not offer gifts or hospitality or a financial or any other advantage to a public servant or any other person with a view to obtain or retain work for himself/ itself, or to obtain or retain an advantage in the conduct of profession for himself/ itself.

Remuneration and Costs

- 27 A valuer shall provide services for remuneration which is charged in a transparent manner, is a reasonable reflection of the work necessarily and properly undertaken, and is not inconsistent with the applicable rules.
- 28 A valuer shall not accept any fees or charges other than those which are disclosed in a written contract with the person to whom he would be rendering service.

Occupation, employability and restrictions

- 29 A valuer shall refrain from accepting too many assignments. If he / it is unlikely to be able to devote adequate time to each of his / its assignments
- 30 A Valuer shall not conduct business which in the opinion of the authority or the registered valuer organization discredits the profession
