when certain maintenance services are provided by the Competent Authority, the Parties will review the maintenance charges payable by the Buyer for the services rendered by the Seller thereafter.

6. INFRASTRUCTURE AND ENVIRONMENT

- 6.1 The Seller has the approval of the Government for drawl of surface water as well as to extract the ground water. The Seller is developing the complete infrastructure to draw the water, transport to its Licensed Industrial Colony/Project, distribution network to supply the water as well as collect waste water, treat and supply the treated waste water to the Buyer. The Buyer undertakes to pay the user charges for such supply of fresh water, treatment of waste water and supply of treated waste water at the rates decided by the Seller. In case the Buyer desires to have water supply limit more than the limit as calculated based on the plot wise norms as may be prescribed by Government/Seller from time to time, it shall pay the extra cost in advance to the Seller as determined by the Seller for such excess limit.
- 6.2 The Seller has the approval of the Government for development of electrical infrastructure for sourcing and distribution of energy to the Buyer in its Licensed Industrial Colony/Project. The Seller is developing the complete infrastructure to draw the electricity, transmit to its Licensed Industrial Colony/Project, distribution network to supply the electricity to the Buyer. Seller is also planning to obtain second distribution license under the Electricity Act, 2003 to distribute the electricity to the Buyer at the tariff approved by HERC and Buyer shall procure such power from the Seller on the terms agreed in respect thereof. Till such time, the Seller or its nominated agency distributes the electricity to the Buyer, the Buyer shall obtain the connection from UHBVN and pay the requisite charges for consumption of electricity and pay the energy charges as per the bills raised by UHBVN from time to time.
- 6.3 The Seller shall provide requisite infrastructure at a single point at the boundary of the Plot for supply of electric power on or before the Buyer commences occupation in the Plot. The Seller will not provide infrastructure for supply of power or water for undertaking construction activity by the Buyer.
- 6.4 The Buyer at its own cost and its discretion may procure power from State Grid or set up own diesel generator sets (DG sets). In case DG sets are used, the Buyer shall take all approvals for running of DG sets for power generation as permitted in law.
- 6.5 The Seller will be providing and/or has made arrangements for provision of certain infrastructure services on a specific 'use based charge' or 'pay and use principle' to the Buyer, which shall not be considered as a part of Common Areas. The Buyer agrees to pay the separate service charges for such infrastructure services as and when availed at the rates fixed by the Seller from time to time.
- 6.6 The Seller shall endeavour to provide motorable approach road from SH-15 A to the entry gate of the Plot before the commencement of construction over the Plot by the Buyer and other infrastructure facilities as mentioned herein before completion of construction and obtaining of occupation certificate in respect of the Plot.

7. TRANSFER OF THE PLOT

The construction of the Residential Unit on the Plot shall be a condition precedent to the creation of any third party rights over the Plot by the Buyer, of any nature whatsoever. It is reiterated, acknowledged and confirmed by the Buyer that it is mandatory and the essence of this Sale Deed that the Buyer shall not be entitled to

sell, dispose of, transfer or assign, etc., in any manner, its title or ownership rights in the Plot before completion of the construction and grant of occupation certificate of the Residential Unit constructed over the Plot by the competent authority. Any such transfer or sale made by the Buyer in contravention of this Sale Deed shall be treated as null and void and shall not be binding or enforceable under the applicable law. No right of any nature shall be acquired by the Transferee by virtue of such unauthorised transfer. including but not limited to maintenance charges, water charges, electricity charges, interest and penalty charges on delayed payment etc. the Buyer shall first pay the billed amount and then apply for refund on the basis of material proofs and the Seller/Maintenance Agency/Association of Buyers will look into his submissions and give valid reason for recovery/ appropriation of the said charges or refund the amount, if it has been wrongly claimed.

11. OBLIGATIONS OF BUYER

11.1 The Buyer, at its own cost and expenses, shall obtain all Applicable Permits which are necessary for construction of its Residential Units on the Plot, including but not limited to, building plan approval, occupancy certificate, etc., and the Buyer will ensure that each of the Applicable Permits are valid and current at all times, and that the Buyer shall fully comply with the terms and conditions of each of the Applicable Permits and this Sale Deed at all times. The Buyer agrees to indemnify, hold harmless and keep indemnified the Seller from any proceedings or actions which may be taken by a Competent Authority against the Seller due to the Buyer's failure to procure an Applicable Permit or due to the contravention of any Applicable Laws by the Buyer, in any manner, whatsoever.

11.2 From the Execution Date, all the dues, cess, electricity charges, taxes, maintenance charges, property tax, ground charges, and any other taxes or charges levied by any Governmental Authority, association of allottees or industrial associations, in respect of the Plot, shall be the sole responsibility and liability of the Buyer regardless of the fact that such demand and/or levy and/or charges and/or taxes are raised and/or made in the name of the Seller.

11.3 Payment of Government Charges

11.3.1 Notwithstanding anything contained above, the Parties further agree and acknowledge that the Total Price does not include External Development Charges ("EDC") and such other charges and /or increase thereof, as may be levied by the Government (collectively hereinafter referred to as "**Government Charges**") from time to time. The Buyer accordingly agrees and undertakes to pay to the Seller as demanded by Seller all such Government Charges in relation to the Plot as applicable, and all increases thereto, as may be levied by the Government from time to time. Further, the Buyer shall be liable for the payment of any other such Government charges, fees, cess, levies, taxes, payments for the Plot, which are to be normally paid/payable by a buyer or recoverable from a buyer as per the applicable laws or as per the prevailing market practice at any time. It is made abundantly clear that all Government Charges are solely to the account of the Buyer and the Seller shall have no liability in this regard;

11.3.2 It is also made clear to the Buyer that such Government Charges may be levied by Government of Haryana from prospective or retrospective effect from date of license and in that event the Seller shall demand from the Buyer to pay such charges in proportion of the area of the Plot bears to total area of the Licensed Colony as explained in para 11.4 hereinafter mentioned;

11.3.3 Further, it is made known to the Buyer that Government of Haryana may also levy other charges at any stage including on the completion of the Licensed Industrial Colony or thereafter, the demand of which will be raised by the Seller and the Buyer undertakes to pay the same. In the event, the Seller pays any Government Charges for the Plot, the Buyer will make good such payments to the Seller within a period of 30 (thirty) calendar days failing which the Seller will be entitled to pay interest on

such amounts, calculated at 15% (fifteen percent) per annum, compounded on quarterly rest;

- 11.3.4 This undertaking by the Buyer shall always survive the conveyance of the Plot in favour of Buyer and further sale/ transfer by the Buyer in favour of a Transferee. The Buyer recognizes that such demand when made will constitute unpaid Price and agrees that even if such demand is made by the Seller after sale deed is executed in favour of Buyer and/ or the sale deed is executed by the Buyer in favour of the Transferee, the Seller shall have lien/first charge on the Plot for all unpaid amounts and in the event of any non-payment/ non-compliance, the Seller will be entitled to exercise and enforce its lien/first charge over the Plot at the cost and expense of the Buyer. The Buyer undertakes not to object to the Seller resuming the Plot or taking any legal action to recover such unpaid Price from Buyer;
- 11.3.5 In the event the Buyer fails to fulfil any of its obligations in terms of Clause 11.3 of this Sale Deed then, the Seller shall have the following rights:
- (a) the Seller shall have first charge over the Plot and any superstructure thereon, to be recoverable either by enforcing the charge or from out of the sale proceeds of the Plot, as the case may be;
 - (b) the right to suspend the infrastructure services for the Plot, at the cost and consequences of the Buyer; and
 - (c) Any other legal recourse or remedy available to the Seller.
- 11.4 The Buyer further agrees that as and when the Seller is required to pay such Government Charges then the Seller shall demand, and the Buyer undertakes to pay the same proportionately in the manner in which the area of the Plot bears to the total area of the Industrial Colony, on which such Government Charges have been either demanded or paid, as calculated by the Seller on gross area basis. For the purpose of clarity, EDC and/or any Government Charges shall be payable by the Buyer and will include the additional charge for common area as and when demanded by the Competent Authorities. The amount payable by the Buyer will be determined as per the formula = total amount payable / (1 - x). Where 'x' stands for the percentage of the land used for common area development as per the last approved layout plan.
- 11.5 The Buyer shall, at all times, comply with all conditions as envisaged in the Licenses granted by DTCP for the Licensed Industrial Colony.
- 11.6 The Seller shall not make any additions and alterations in the sanctioned layout/ zoning plans in respect of the Plot as the case may be, without the previous written consent of the Buyer as per the provisions of the Act or as per approvals/ instructions/ guidelines of the competent authorities. Buyer confirms that it has seen and understood the site and scheme of development, approved layout plans/ environment clearance approvals/ other licenses, approvals and documents. The Buyer is also aware that the Project is planned to be developed by the Seller in accordance with the layout plan sanctioned by the Competent Authority, which may be changed from time to time by the Competent Authority. Further, the Buyer understands and acknowledges that there are other's land parcels situated within and adjacent to the layout plan area, which may be acquired by the Seller for the purposes of coherent, comprehensive and contiguous development and will thus require revision of the layout plan of the Licensed Industrial Colony subsequent to obtaining license for such additional area. Buyer also acknowledges that the Seller may also make such additions or alterations as may be required by Seller, or such

changes or alterations as per the provisions of the Act and Rules made thereunder or as per approvals/ instructions/ guidelines/ regulations of the competent authorities. Considering all the above circumstances, Buyer hereby confirms that it shall have no objection if the Seller makes suitable and necessary alterations in the layout plan of the Project, if necessary for better planning of the layout of the Project and/or as per approvals/ instructions/ guidelines/ regulations of the competent authorities and such alterations may involve license of additional area adjacent to the Project, de-license of some area, change in the planned road network, common areas, change in the identification number of the Plot, and subject to mutual consent, change in the access, change in location of Plot, dimensions or area of the Plot, etc. Subject to the above, the Buyer agrees to inform the Seller or the Competent Authority in writing, its consent or objections to the changes within 30 (thirty) days from the date of intimation of such changes in the layout plan provided by the Seller to the Buyer failing which it shall be deemed to have given its consent to such alterations/ modifications.

- 11.7 The Buyer undertakes in relation to the Plot to ensure that it will strictly abide by all norms and conditions of the zoning plan/layout plan/building plan, notifications, rules, bye-laws and/or any other Applicable Permits, like licenses/ environment clearance, etc., granted by the Competent Authority(ies) in respect of the Plot, Project and, or the Licensed Industrial Colony, as may be applicable/revised from time to time and agrees to comply with any other condition as notified by a Governmental Authority for the Licensed Industrial Colony, from time to time. The Buyer shall not cause any nuisance for the other occupants of the Licensed Industrial Colony and/or the Seller. The approval of the building plan(s), occupation certificate, etc., shall be at the sole costs and responsibility of the Buyer and the Seller shall have no obligation in the same whatsoever. The Buyer shall submit a copy of the approved building plan with the Seller before starting of any construction work at the Plot. In the event of non-compliance of any conditions of the zoning plan/layout plan/building plan, notifications, rules, bye-laws and/or any other Applicable Permits, the Buyer alone shall be responsible for all penalties, costs, consequences and legal proceedings by any Competent Authority. The Buyer agrees to indemnify, hold harmless and keep indemnified the Seller from any proceedings or actions which may be taken by a Competent Authority for the Buyer's failure to comply with the terms and conditions of any Applicable Permit.
- 11.8 The Buyer agrees to ensure compliance with all Applicable Laws (including obtaining the required approvals and pay the respective charges for the same) while construction and occupation of the Plot and abide by all norms and conditions of licenses, zoning plan, notifications, rules, bye-laws and/or any other Applicable Permit. The Buyer shall construct the Residential Unit on the Plot and maintain the open areas, green areas, ground coverage, Floor Area Ratio (FAR), Floor Space Index (FSI), in accordance with the Applicable Laws, after obtaining all necessary approvals for construction thereof, including site and building plan, and environment approvals, required if any and pay the respective charges for the same and will comply with all the conditions as envisaged in the license for Industrial Colony granted by DTCP.
- 11.9 The Buyer understands that the Seller is undertaking development of the Industrial Colony as per the terms of the Licenses received by it within the purview of the Haryana Development and Regulations of Urban Areas Act, 1975, and the rules thereunder and the policies of the Government of Haryana, as applicable and as amended, from time to time. The Buyer agrees and undertakes to start the construction of Residential Unit on Plot covered under this sale deed within three months of execution of this sale deed as well as complete the construction of the

minimum 25% (twenty five per cent) of the permissible FAR of the Plot and obtain occupation certificate to occupy the proposed Residential Unit on the Plot within a period of 21 (twenty-one) months from the date of execution of this Sale Deed, before transfer, sale, lease or otherwise dispose off the Residential Unit to its Transferee. In the event that the Buyer is of the view that it would not be able to achieve such construction, within the aforesaid time period, it shall promptly inform the Seller thereof and the Seller and the Buyer shall negotiate in good faith about the possible counter measures. The Seller may at its sole discretion, and after satisfying itself regarding the bonafides of the Buyer (considering the prevailing circumstances as well as the difficulties faced by the Buyer and also actual progress made by the Buyer in this regard), the status of construction work undertaken by the Buyer, consider granting of extensions of 1 (one) year each time and extension charges at the rate of (A) Rs. 100/- (Rupees One Hundred Only) per square yard calculated against the area of Plot for the first year of delay or part thereof; (B) Rs. 150/- (Rupees One Hundred and Fifty Only) per square yard calculated against the area of Plot for the second year of delay or part thereof; (C) Rs. 200/- (Rupees Two Hundred Only) per square yard calculated against the area of Plot for the third year of delay or part thereof; (D) Rs. 250/- (Rupees Two Hundred and Fifty Only) per square yard calculated against the area of Plot for the fourth year of delay or part thereof; and (E) Rs. 500/- (Rupees Five Hundred Only) per square yard calculated against the area of Plot for every year of delay or part thereof thereafter, beyond the fourth year shall be payable annually till the date of completion of the construction of minimum 25% (twenty five percent) of the permissible FAR and grant of occupation certificate of the residential house by competent authority.

11.10 The Buyer in relation to the Plot further undertakes the following:

- (a) The Buyer understands and agrees that the boundary wall around the Plot shall have to be constructed as per the design provided by the Seller. While making an application for obtaining approvals of the building plans for construction on the Plot, the Buyer shall strictly adhere to and comply with the architecture control guidelines issued by the Seller (including any amendments thereof) from time to time. The Buyer also undertakes and agrees to construct the Residential Unit for residential purposes only and shall not use for any other purposes, viz. commercial, industrial, warehousing etc. on the Plot and strictly in accordance with architecture control guidelines and building plan approved by competent authority(ies) and in accordance with Haryana Building Code, 2017.
- (b) While carrying out construction/development activity, the Buyer as well as its contractor or its worker or agent, shall not cause any obstruction or damage or commit any encroachment over the road and the common areas abutting to the Plot. In the event, the road or the common area abutting to the Plot is obstructed or damaged during the course of construction/development over the Plot, the Buyer shall alone be liable and responsible for any consequences thereof including but not limited to bear/incur the cost of repair of the road and common area to bring to its original condition. The Buyer undertakes that it shall not directly or through any contractor or third party impair, deface, vandalise or in any way cause damage or loss to the common areas, service areas, facilities and amenities, pavers, horticulture, etc., constructed or that may be constructed by the Seller in the Project and the Licensed Industrial Colony, while undertaking any development and construction activity at the Plot. The Buyer undertakes to be liable for any damage, loss suffered by the Seller on account of activities undertaken by it or any person or contractor / third party engaged by the Buyer or acting on behalf of the Buyer and shall on demand make good the damage and loss suffered by the Seller. The Buyer hereby authorizes the Seller to

- (c) It shall take necessary measures for disposal of sewerage in the external sewerage system established by the Buyer as per the State and Central Government environmental norms. The Buyer shall pay for the treatment charges levied by the Seller for treatment of such effluent/ sewage generated by the Buyer to meet the requirements of recycled water/ for final disposal into a public drain as per applicable laws;
- (d) It shall undertake solid waste /municipal waste management/ building and construction waste management measures as may be directed by the Haryana State Pollution Control Board/ local authorities for the Plot;
- (e) It shall carry out installation of a Solar Photovoltaic Power Plant as per provisions contained in the notification No. 22/52/2005-5 power dated September 3, 2014 or any other directions, notifications as may be applicable and, or as applicable from time to time, pursuant to the directions of the Renewable Energy Department, Government of Haryana;
- (f) It shall comply with any other condition as notified by Haryana Government/ Government of India for the Licensed Industrial Colony of the Buyer as deemed necessary from time to time;
- (g) It shall not encroach upon any revenue rasta falling in the Licensed Industrial Colony;
- (h) It shall make sufficient arrangement for rainwater harvesting system and re-charging of the ground water table to minimize water run-off in the Plot as per Central Ground Water Authority/ Haryana Government norms/ as applicable from time to time; and
- (i) It shall make sufficient provision of light emitting diode (LED) fittings for internal lighting as well as for campus lighting in the complex.

11.11 The Buyer shall permit the Seller and/or its agents to enter into the Plot to ascertain that the Plot is being used in conformity with the terms and conditions of this Sale Deed and/or the then applicable permitted use. Such inspection by the Seller and/or its agents to the Plot will be conducted only at the business hours of the Buyer and the Seller will give prior intimation to the Buyer of such inspection. The Buyer also recognizes that if such inspection is required by a Competent Authority, then the Buyer shall co-operate and shall not obstruct or prevent such inspection.

11.12 In order to facilitate equal user rights to all plot owners and for the smooth operation and maintenance of the Licensed Industrial Colony from time to time, Seller has put-forth the Development Control and Services Guidelines. The Buyer agrees and undertakes to comply with the Development Control and Services Guidelines, as formulated by the Seller in accordance with Applicable Law, which will be applicable to all occupants of the Industrial Colony.

11.13 Subject to the Applicable Laws, in the event of any conflict with the Development Control and Services Guidelines as formulated by the Seller and this Sale Deed, the terms of this Sale Deed shall prevail.

- 11.14 The Buyer shall at all times take reasonable precautions to prevent any unlawful, riotous or disorderly conduct of residents in the Plot, and to preserve peace and protection of persons and property in the neighbourhood, against such conduct.
- 11.15 The Buyer shall not put up its name plate, sign board, neon sign, publicity or advertisement material, notice board, etc., in the common areas in the Project/ Industrial Colony. The Buyer shall be entitled to display its name plate only at the designated place on its Plot only.
- 11.16 That the said Project and industrial colony shall always be known as 'MET City' and 'Model Economic Township' or in short 'MET', respectively and the said names shall not be changed by the Buyer and / or jointly by the Buyer and other allottees, association of the allottees in the Project and the Industrial Colony and the Buyer shall refrain from voting for any such change of name.

12. DEFECT LIABILITY:

- 12.1 The Parties agree that this Sale Deed is intended for the sale of the Plot with certain infrastructure, facilities and other services. In case of any defect in the aforesaid infrastructure and services of the Seller as per this Sale Deed relating to such development is brought to the notice of the Seller by the Buyer, within a period of 5 (five) years from the date of offer of possession/ handover of possession of Plot, it shall be the duty of the Seller to rectify such defects without further charges, within a period of 90 (ninety) days. In the event of Seller's failure to rectify such defects within such time, the Buyer shall be entitled to payment of appropriate compensation in the manner as provided in the Act subject to credible proof/substitution of the defects attributed to the Seller. Provided that the Promoter shall not be liable to any such structural, architectural and other defects induced, directly or indirectly by the Buyer or any other person, other than duly authorized by the Seller, by means of carrying out any changes or works thereon.
- 12.2 Subject to the above, the Buyer acknowledges and confirms that since the Seller is selling the Plot and the Buyer shall construct the Residential Unit over the same, the Seller shall not be liable to any structural, architectural and other defects induced arising out of such construction, directly or indirectly.
- 12.3 Provided further that the Buyer shall be solely responsible for structural, architectural and other construction defects and liabilities in relation to the Residential Unit, constructed over the Plot by the Buyer. Any defect liability over the Residential Unit constructed on the Plot, towards any Transferee, shall always be of the Buyer and the Seller shall not have any liability, of any nature whatsoever, in this regard.

13. TITLE DEFECT:

The Seller hereby agrees to compensate the Buyer, in case of any direct loss suffered by the Buyer after the execution of this Sale Deed, due to defective title of Seller in the land beneath the said Plot, which is substantive in nature and non-curable and is comprised in such area of the Plot that has been sold to the Buyer. However, such compensation shall be proportionate to the area of land of the Plot for which the title is found to be defective and shall not, under any circumstances, exceed the Total Price received by the Seller under this Sale Deed. Provided further that such compensation shall be payable by the Seller only where the Buyer makes a claim for such defect in title of land within 5 (five) years of execution of this Agreement and the Seller accepts the claim of the Buyer.

Schedule – II

The Buyer, as well as each of the subsequent Transferee(s)/buyer(s) of the residential independent floor or residential villa, i.e., Residential Unit /Plot, agree and undertake to ensure and procure that the following terms and conditions contained in this Schedule II shall be incorporated in the sale deed and any subsequent Transfer/sale deed with each such subsequent Transferee/buyer:

1. The Transferee/buyer has been informed and has understood and satisfied itself after verifications about the saleable and non-saleable areas in the Project. The Transferee/buyer understands and acknowledges that only one plot earmarked for a community centre, will be developed by the Promoter, Model Economic Township Limited ("METL") and handed over to the association of allottees. The Transferee/buyer further understands and acknowledges that third party rights will be created by METL in the plots earmarked for high schools, primary school, dispensary, temple in the Project on receipt of consideration, and such third parties will develop these plots, raise construction and operate and manage the same and shall realize revenue therefrom. The Transferee/buyer understands and acknowledges that costs of these plots earmarked for high schools, primary school, dispensary, and temple have not been accounted for and recovered from any of the allottees of Licensed Industrial Colony including the Transferee/buyer. The third parties in whose favour allotment of these sites is made, shall upon payment of agreed consideration to METL alone have exclusive and absolute ownership as well as possessory rights therein. The Transferee/buyer further acknowledges and confirms that these common facilities, wherever they are located/established are for common use of all the habitants of the said Land/Licensed Industrial Colony as well as for outside public. The Transferee/buyer undertakes not to object, restrict or obstruct the free access of all the habitants of Licensed Industrial Colony as well as for the general/ outside public to these common facilities.
2. **Payment of Government Charges**
 - (a) Notwithstanding anything contained in this Sale Deed, the Parties further agree and acknowledge that the Sale Consideration of the Residential Unit does not include External Development Charges ("EDC") and any other charges and /or increase thereof, as may be levied by the Government (collectively hereinafter referred to as "**Government Charges**") from time to time. The Transferee/buyer accordingly agrees and undertakes to pay to METL as and when demanded by the METL, all such Government Charges in relation to the Plot/ Residential Unit, as applicable, and all increases thereto, as may be levied by the Government from time to time. Further, the Transferee/buyer shall be liable for the payment of any other such Government charges, fees, cess, levies, taxes, payments for the Plot/ Residential Unit (as applicable), which are to be normally paid/payable by a buyer or recoverable from a buyer as per the applicable laws or as per the prevailing market practice at any time. It is made abundantly clear that all Government Charges are solely to the account of the Transferee/buyer and the METL shall have no liability in this regard.
 - (b) It is also made clear to the Transferee/buyer that such Government Charges may be levied by Government of Haryana from prospective or retrospective effect from date of license and in the event METL shall demand from the Transferee/buyer to pay such charges in proportion of the area of the Residential Unit/Plot bears to total area of the Licensed Colony as explained herein below.

- (c) Further, it is made known to the Transferee/buyer that Government of Haryana may also levy other charges at any stage including on the completion of the Licensed Colony or thereafter, the demand of which will be raised by METL, and the Transferee/buyer undertakes to pay the same to METL. In the event METL pays any Government Charges for the Residential Unit/ Plot, the Transferee/buyer will make good such payments to METL within a period of 30 (thirty) calendar days failing which METL will be entitled to an interest on such amounts payable by the Transferee/buyer to METL, which shall be calculated at 15% (fifteen percent) per annum, compounded on quarterly rest.
- (d) In the event METL has to provide any bank guarantee to a Government authority in respect of Government Charges mentioned hereinabove in relation to the Residential Unit/Plot, the Transferee/buyer, shall furnish such bank guarantee within a period of 15 (fifteen) days from the date of notice from METL. In the event such bank guarantee is furnished by METL to the Government Authority for the Residential Unit/Plot, the Transferee/buyer shall provide a bank guarantee for an equivalent amount in favour of METL, within a period of 15 (fifteen) days from the date of notice from METL. Upon being given a notice to comply with the terms within a stipulated time, if the Transferee/buyer fails to comply with the provisions of this Clause within the stipulated time, then any interest, default interest, fines or penalties that are charged/demanded from METL by such Competent Authority or cost of any legal proceedings which may be taken by such authority against METL shall be to the account of and payable by the Transferee/buyer to METL.
- (e) This undertaking by the Transferee/buyer shall always survive the conveyance of the Plot in favour of Transferee/buyer. The Transferee/buyer recognizes that such demand when made will constitute unpaid Price and agrees that even if such demand is made by METL after sale deed is executed in favour of Transferee/buyer, METL shall have lien/first charge on the Residential Unit/Plot for all unpaid amounts and in the event of any non-payment/ non-compliance, METL will be entitled to exercise and enforce its lien/first charge over the Residential Unit/Plot at the cost and expense of the Transferee/buyer. The Transferee/buyer undertakes not to object to METL resuming the Residential Unit/Plot or taking any legal action to recover such unpaid Price from Transferee/buyer.
- (f) In the event the Transferee/buyer fails to fulfil any of its obligations in terms of these Clauses/provisions then METL shall have the following rights (which shall be without prejudice to any other rights or remedies of METL):
- (i) METL shall have first charge over the Residential Unit/Plot and any superstructure thereon, to be recoverable either by enforcing the charge or from out of the sale proceeds of the Residential Unit/Plot as the case may be;
 - (ii) the right to suspend the infrastructure services for the Residential Unit/Plot, at the cost and consequences of the Transferee/buyer; and
 - (iii) any additional legal recourse /remedy available to METL.
3. The Transferee/buyer confirms that it has read and understood the contents of common area maintenance services agreement, water supply and services agreement and Development Control and Services Guidelines framed by METL and has entered into the sale deed after having understood all these agreements and agree to abide by the terms of the same. The Transferee/buyer further undertakes to execute the common area maintenance services agreement, water supply and services agreement and all other documents, as may be prescribed by METL and abide by the terms and conditions of the same.

4. The Transferee/buyer represents and undertakes to do compliance with all applicable laws (including obtaining the required approvals and pay the respective charges for the same) while in occupation of the Residential Unit/ Plots and abide by all norms and conditions of licenses, zoning plan, notifications, rules, bye-laws and/or any other approval as required, under any applicable laws, and shall provide copies of all such approvals to METL, within a period of 10 (ten) days from the date of obtaining such approvals.
5. The Transferee/buyer hereby agrees and undertakes that the Transferee/buyer (itself and it shall procure and ensure that the subsequent allottees/buyers of Residential Units) shall become member of a body of the association of owners Residential Units to be formed in accordance with the applicable laws, rules and bye laws and execute necessary documents as and when required. Post development of all phases/projects over the Licensed Industrial Colony, METL may, depending on the nature, scope and use of entire development and as may be required under applicable laws, form: (i) separate association/ apex body/ apex bodies for one sector; (ii) separate association/ apex body/ apex bodies for each phase; (iii) or form a single association for all of the phases. Further, in case METL forms separate associations for each of the projects, METL may form an apex body over and above all associations. Each association shall adhere to its respective bye laws and guidelines as may be formulated by METL in accordance with applicable laws. Further, each association shall be independent of the other, manage and conduct the affairs relating to respective phase and the rights, entitlements and obligations of Transferee/buyer with respect to the respective common areas and facilities. The apex body of the association of all the projects as well as separate association of each of the projects shall give right of way and further agrees that it shall not obstruct/ restrict the usage of the access/ common roads in the project(s) to METL and the general/outside public, including but not limited to their access to the other land parcels to carry out the development in future.

6. MAINTENANCE OF PROJECT

- (a) METL or the maintenance agency appointed by METL will provide and maintain essential services in the Project till taking over of the maintenance of Project by the Competent Authority or the association of allottees, as the case may be, upon the issuance of the completion certificate of the Project, as the case may be.
- (b) The Transferee/buyer acknowledges and agrees that a sum equivalent to common area maintenance charges for three quarters is payable/to be deposited on account of interest free maintenance security deposit ("IFMSD") (which is payable at the rate of INR 20,000/- per Residential Unit) along with last instalment of the Price before taking over possession of the Plot and execution of sale deed. The Transferee/buyer further acknowledges and agrees that the IFMSD amount payable by the Transferee/buyer shall be entrusted/ transferred by METL to the account of the association of allottees/ Competent Authority at the time of handing over of the common areas to the association/ Competent Authority after adjusting dues of the Transferee/buyer, if any.
- (c) The Transferee/buyer agrees to enter into an agreement for the maintenance of common areas with METL or the maintenance agency appointed by METL, as may be, at the time of taking over usage/possession of the Residential Unit, for the maintenance and upkeep of the Project and undertakes to pay charges for such maintenance at the rates fixed by METL from time to time, until these are handed over to the association of allottees or the competent Government authority or any other body so appointed/ authorized by the Government. The Transferee/buyer undertakes to pay these charges to METL from the date of offer of possession/conditional offer of

possession or commencement of common area maintenance service by METL, whichever is later, and till such time the maintenance services are handed over to the association of allottees or the competent Government authority or any other body so appointed by METL or authorized by the Government.

7. INFRASTRUCTURE AND ENVIRONMENT

METL would provide certain infrastructure services on use based charges or pay-and-use principles to the Transferee/buyer. The Transferee/buyer affirms and acknowledges that: (a) a separate agreement would be executed between METL and the Transferee/buyer, in relation to such infrastructure services; and (b) separate service charge(s), as decided by METL, shall be payable by the Transferee/buyer in relation to such infrastructure services.

(a) Power

METL has obtained approval of the Competent Authority/ Government for development of electrical infrastructure for sourcing and distribution of energy to the Residential Units in its Licensed Industrial Colony. METL is developing the complete electrical infrastructure to draw the electricity, transmit to its Licensed Industrial Colony, electrical distribution network, to supply the electricity to the Residential Units.

METL shall provide last mile connectivity to the battery limits at a single point at the boundary of the Plot.

The Transferee/buyer undertakes to obtain the connection from UHBVN and pay the requisite charges for consumption of electricity and pay the energy charges as per the bills raised by UHBVN. The Transferee/buyer acknowledges that METL may, in future, obtain requisite permission/approval to distribute the electricity in its Licensed Industrial Colony at the tariff approved by Competent Authority. The Transferee/buyer agrees and undertakes to obtain supply of electricity from METL, whenever such supply/ distribution is commenced by METL or its nominated agency.

The Transferee/buyer at its own cost and its discretion may procure power from State Grid or set up own diesel generator sets (DG sets). In case of power supply from State Grid, the Transferee/buyer shall pay the necessary usage charges to the State Grid or any other power utility company for consumption of electricity. In case DG sets are used, the Transferee/buyer shall take all approvals for running of DG sets for power generation as permitted in law.

(b) Water Supply

METL has obtained approval of the Competent Authority/Government for drawal of surface water as well as to extract the ground water. METL is developing the complete infrastructure to draw the water, to transport the water to its Licensed Industrial Colony, setup a distribution network to supply the water as well as to collect waste water, treat and supply the treated waste water to the Residential Units. The Transferee/buyer undertakes to pay the installation charges (including for the meters) to METL and the periodic user charges for such supply of fresh water, treatment of waste water and supply of treated waste water at the rates decided by METL from time to time.

The Transferee/buyer will carry out any further treatment of water as per its own specifications and make necessary arrangements for storage of water within its premises at its own cost and expense.

Provided that in the event METL is unable to extract ground water on account of any regulatory restriction or the approval being rejected, METL shall provide alternative source of water, at Transferee/buyer's option and cost, as soon as practically possible.

In case the Transferee/buyer desires to have water supply limit more than the limit as calculated based on the plot wise norms as prescribed, it shall pay the extra cost, as determined by METL, for such excess limit.

(c) Data Connection

METL has an arrangement with Reliance Jio Infocomm Limited (**Jio**) to be the service provider for broadband, voice and data connectivity within the Project. The Transferee/buyer can seek connectivity from Jio and pay to Jio the requisite charges for such connectivity and the user charges for the services.

In case the Transferee/buyer desires to take data connectivity from an alternate service provider then METL will charge right of way charges for laying of the requisite cables or towers for such connectivity from the service provider.

8. RIGHT TO ENTER FOR REPAIRS AND MAINTENANCE WORKS

The Transferee/buyer shall permit officials of METL/maintenance agency/ Competent Authority to enter the Plot/ Residential Unit to ascertain that construction has been raised as per sanctioned plan and in accordance with applicable statutory provisions and to further ensure that the Plot/ Residential Unit is being used in conformity with the terms of the sale deed and the applicable laws.

9. USAGE

The Transferee/buyer covenants to use the Plot/Residential Unit only for residential purposes, in accordance with the terms and conditions agreed of the sale deed.
