**Textual information (10)****Disclosure in auditors report relating to fixed assets**

1) In respect of its fixed assets: a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets. b) As explained to us, fixed assets have been physically verified by the management during the year in accordance with the phased program for verification adopted by the management which, in our opinion, provide the physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such physical verification. c) According to the information and explanations given to us, the Company does not hold any immovable property in its name.

**Textual information (11)****Disclosure relating to physical verification and material discrepancies of fixed assets**

b) As explained to us, fixed assets have been physically verified by the management during the year in accordance with the phased program for verification adopted by the management which, in our opinion, provide the physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such physical verification.

**Textual information (12)****Disclosure in auditors report relating to inventories**

2) In respect of its inventory: a) As explained to us, the Company does not hold any inventory of finished goods, stores, spare parts and raw material. Hence the provisions of clause 3(ii)(a), (b) & (c) of the Companies (Auditors Report) Order, 2016 are not applicable to the Company.

## Textual information (13)

### **Disclosure in auditors report relating to loans**

3) According to the information and explanations given to us, the Company has granted secured and unsecured loans, to Companies, firms and LLP or other parties covered in the register maintained under Section 189 of the Companies Act 2013, However the terms and conditions of grant of such loans are, in our opinion, prima facie, are not prejudicial to the Company's interest.

## Textual information (14)

### **Disclosure in auditors report relating to compliance with Section 185 and 186 of Companies Act, 2013**

4) According to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.

## Textual information (15)

### **Disclosure in auditors report relating to deposits accepted**

5) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits during the year from the public in contravention of the directives issued by the Reserve Bank of India, and the provisions of Section 73 to 76 or any other provisions of the Companies Act, 2013 and the rules framed there under are not applicable.

## Textual information (16)

### **Disclosure in auditors report relating to maintenance of cost records**

6) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of any cost records under sub-section (1) of Section 148 of the Companies Act, 2013 in respect of activities carried out by the Company. Therefore, provisions of Clause 3(vi) of the order are not applicable to the Company.

## Textual information (17)

### **Disclosure in auditors report relating to statutory dues [Text Block]**

7) In respect of Statutory dues:

a) According to the information and explanations given to us, and on the basis of our examination of the books of account, the Company is generally regular in depositing the undisputed statutory dues, wherever applicable, including provident fund, Employees' State Insurance, Income Tax, Sales Tax, Wealth Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues, with the appropriate authorities.

b) According to information and explanations given to us, no undisputed amounts payable in respect of Income Tax, Wealth Tax, Goods and Service Tax, Duty of Customs, Duty of Excise, Value Added Tax and Cess were in arrears/outstanding as at March 31, 2020 for a period more than six months from the date they become payable.

c) According to information and explanations given to us, there are no dues in respect of Income Tax, Wealth Tax, Goods and Service Tax, Duty of Customs, Duty of Excise, Value Added Tax and Cess which have not been deposited on account of any dispute.

## Textual information (18)

### **Disclosure relating to regularity in payment of undisputed statutory dues [Text Block]**

- a) According to the information and explanations given to us, and on the basis of our examination of the books of account, the Company is generally regular in depositing the undisputed statutory dues, wherever applicable, including provident fund, Employees' State Insurance, Income Tax, Sales Tax, Wealth Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues, with the appropriate authorities.
- b) According to information and explanations given to us, no undisputed amounts payable in respect of Income Tax, Wealth Tax, Goods and Service Tax, Duty of Customs, Duty of Excise, Value Added Tax and Cess were in arrears/outstanding as at March 31, 2020 for a period more than six months from the date they become payable.

## Textual information (19)

### **Disclosure relating to disputed statutory dues [Text Block]**

- c) According to information and explanations given to us, there are no dues in respect of Income Tax, Wealth Tax, Goods and Service Tax, Duty of Customs, Duty of Excise, Value Added Tax and Cess which have not been deposited on account of any dispute.

## Textual information (20)

### **Disclosure in auditors report relating to default in repayment of financial dues**

- 8) According to the information and explanations given to us, and on the basis of our examination of the books of account, the Company has not defaulted in repayment of dues to the Bank and other Financial Institutions. The Company has not issued any debentures during the year.

## Textual information (21)

### **Disclosure in auditors report relating to public offer and term loans used for purpose for which those were raised**

- 9) According to the information and explanations given to us, and on the basis of our examination of the books of account, the Company has not raised any money by way of Initial public offer and further public offer (including debt instruments). Further the amount raised from term loans were applied for the purposes for which they have been raised.

## Textual information (22)

### **Disclosure in auditors report relating to fraud by the company or on the company by its officers or its employees reported during period**

- 10) Based upon the audit procedure performed for the purpose of reporting the true and fair view and on the basis of the information and explanations given by the management, we report that no fraud by the Company or any fraud on the Company by its officers and employees, has been noticed or reported during the course of our audit.

## Textual information (23)

### **Disclosure in auditors report relating to transactions with related parties**

- 13) To the best of our knowledge and according to the information and explanations given to us, all transactions with the related parties are in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.

14) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of equity shares, hence this clause is not applicable to the Company.

## Textual information (25)

### **Disclosure in auditors report relating to non-cash transactions with directors or persons connected with him**

15) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with them. Accordingly this clause 3(xv) of the order is not applicable to the Company.

## Textual information (26)

### **Disclosure in auditors report relating to registration under section 45-IA of Reserve Bank of India Act, 1934**

16) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company is not required to be registered under section 45 IA of Reserve bank of India Act, 1934.

## Textual information (27)

### Disclosure in auditor's report explanatory [Text Block]

#### INDEPENDENT AUDITORS' REPORT

To the Members of MISSION HOLDINGS PRIVATE LIMITED

Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of MISSION HOLDINGS PRIVATE LIMITED ('the Company'), which comprises the Balance Sheet as at March 31, 2020, the Statement of Profit & Loss (including other Comprehensive Income), the statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("IND AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020 and its PROFIT, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

#### Basis of Opinion

We conducted our audit of the financial statements in accordance with the standards on auditing specified under section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's responsibilities for the Audit of the Financial Statements section of our audit report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and ICAI's code of ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Information Other than the Financial Statements & Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and

prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements, as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of sub-section (11) of Section 143 of the Companies Act 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Companies Act 2013 and Companies (Audit and Auditors) Rule 2014, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company as far as it appears from our examination of books.

c) The Balance Sheet and the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.

d) In our opinion, the aforesaid financial statements comply with the IND AS specified under Section 133 of the Act.

e) In our opinion, there are no adverse observations and comments on the financial transactions of the matters which have adverse effects on the functioning of the Company.

f) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164(2) of the Act.

g) In our opinion, there are no qualifications, reservation or adverse remark relating to maintenance of accounts and other related.

h) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

i) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

#### ANNEXURE "A" TO THE AUDITOR'S REPORT

As referred in paragraph 1 under "Report on Other Legal and Regulatory Requirements" section of our report of even date to the members of MISSION HOLDINGS PRIVATE LIMITED on the accounts of the company for the year ended 31st March 2020.

Based on the Audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of accounts and other records examined by us in the normal course of our audit, we report that:

1) In respect of its fixed assets:

a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.

b) As explained to us, fixed assets have been physically verified by the management during the year in accordance with the phased program for verification adopted by the management which, in our opinion, provide the physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such physical verification.

c) According to the information and explanations given to us, the Company does not hold any immovable property in its name.

2) In respect of its inventory:

a) As explained to us, the Company does not hold any inventory of finished goods, stores, spare parts and raw material. Hence the provisions of clause 3(ii)(a), (b) & (c) of the Companies (Auditors Report) Order, 2016 are not applicable to the Company.

3) According to the information and explanations given to us, the Company has granted secured and unsecured loans, to Companies, firms and LLP or other parties covered in the register maintained under Section 189 of the Companies Act 2013, However the terms and conditions of grant of such loans are, in our opinion, prima facie, are not prejudicial to the Company's interest.

4) According to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.

5) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits during the year from the public in contravention of the directives issued by the Reserve Bank of India, and the provisions of Section 73 to 76 or any other provisions of the Companies Act, 2013 and the rules framed there under are not applicable.

6) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of any cost records under sub-section (1) of Section 148 of the Companies Act, 2013 in respect of activities carried out by the Company. Therefore, provisions of Clause 3(vi) of the order are not applicable to the Company.

7) In respect of Statutory dues:

a) According to the information and explanations given to us, and on the basis of our examination of the books of account, the Company is generally regular in depositing the undisputed statutory dues, wherever applicable, including provident fund, Employees' State Insurance, Income Tax, Sales Tax, Wealth Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues, with the appropriate authorities.

b) According to information and explanations given to us, no undisputed amounts payable in respect of Income Tax, Wealth Tax, Goods and Service Tax, Duty of Customs, Duty of Excise, Value Added Tax and Cess were in arrears/outstanding as at March 31, 2020 for a period more than six months from the date they become payable.

c) According to information and explanations given to us, there are no dues in respect of Income Tax, Wealth Tax, Goods and Service Tax, Duty of Customs, Duty of Excise, Value Added Tax and Cess which have not been deposited on account of any dispute.

8) According to the information and explanations given to us, and on the basis of our examination of the books of account, the Company has not defaulted in repayment of dues to the Bank and other Financial Institutions. The Company has not issued any debentures during the year.

9) According to the information and explanations given to us, and on the basis of our examination of the books of account, the Company has not raised any money by way of Initial public offer and further public offer (including debt instruments). Further the amount raised from term loans were applied for the purposes for which they have been raised.

10) Based upon the audit procedure performed for the purpose of reporting the true and fair view and on the basis of the information and explanations given by the management, we report that no fraud by the Company or any fraud on the Company by its officers and employees, has been noticed or reported during the course of our audit.

11) The Company is a private Company and hence the provisions of Section 197 of the Companies Act, 2013 do not apply to the Company. Accordingly, clause (xi) of the order is not applicable.

12) The Company is not a Nidhi Company, so paragraph 3(xii) or the order is not applicable.

13) To the best of our knowledge and according to the information and explanations given to us, all transactions with the related parties are in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.

14) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of equity shares, hence this clause is not applicable to the Company.

15) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors of persons connected with them. Accordingly this clause 3(xv) of the order is not applicable to the Company.

16) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company is not required to be registered under section 45 IA of Reserve bank of India Act, 1934.

## ANNEXURE “B” TO THE AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (1) of sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls over financial reporting of MISSION HOLDINGS PRIVATE LIMITED (‘the Company’) as of March 31, 2020 in conjunction with our audit of financial statements of the Company for the year ended on that date.

### Management’s Responsibility for Internal Financial controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence of the Company’s policies, the safeguard of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (‘the Guidance Note’) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act,

2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining and understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditors' judgment, including the assessment of risks of material misstatement of the financial statements, whether due to fraud and error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide the basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for the external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedure that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statement in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention of timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the institute of Chartered Accountants of India.

## Textual information (29)

**Disclosure of significant accounting policies [Text Block]**

1	Reporting Entity
	Mission Holdings Pvt Ltd ("the Company") is a private company domiciled in India and has its registered office in Delhi
	The Company is exclusively engaged in the business of rendering "Consultancy Services in the field of Infrastructure Development, primarily in India.
2	Basis of preparation
a)	Statement of compliance
	These financial statements have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard ('Ind AS') as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('the Act') and other relevant provisions of the Act to the extent applicable.
	The financial statement up to year ended 31 March, 2019 were prepared in accordance with the recognition and measurement principles laid down in accounting standards notified under section 133 of the Companies Act, 2013 ('The Act') read with rule 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Amendment Rules, 2016, the provisions of the The Act (to the extent notified).
	As these are the Company's first financial statements prepared in accordance with Indian Accounting Standards (Ind AS), Ind AS 101, First-time Adoption of Indian Accounting Standards has been applied. An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 23.
b)	Basis of measurement
	The financial statements have been prepared on an accrual basis and under the historical cost convention, except for the following: - Certain financial assets and liabilities (including derivative instruments) that is measured at fair value;
c)	Functional and presentation currency
	Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). The financial statements are presented in Indian National Rupee ('INR'), which is the Company's functional and presentation currency.
d)	Current or Non current classification
	All Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of services provided and time between the rendering of services and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.
e)	Use of judgments and estimates

	In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent liabilities and contingent assets at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognized prospectively.
	Application of accounting policies that require critical accounting estimates and assumption judgments having the most significant effect on the amounts recognized in the financial statements are: - Impairment test of financial and non-financial assets; - Recognition and measurement of provisions and contingencies; - Fair value measurement of financial instruments;
3	Significant Accounting Policies
	The Company has consistently applied the following accounting policies to all periods presented in the financial statements.
a)	Financial instruments
	a) Initial recognition
	The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.
	b) Subsequent measurement
	(i) Financial assets carried at amortized cost
	A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. When the financial asset is derecognized or impaired, the gain or loss is recognized in the statement of profit and loss.
	(ii) Financial assets at fair value through other comprehensive income A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit and loss. Equity instruments are subsequently measured at fair value. On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment by investment basis. Fair value gains and losses recognized in OCI are not reclassified to profit and loss.
	(iii) Financial assets at fair value through profit or loss A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.
	(iv) Financial liabilities Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.
	c) Impairment of financial assets Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Company recognizes a loss allowance for expected credit losses on financial asset.

	d) Derecognition
	Financial Assets
	<p>Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.</p> <p>If the company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.</p>
	Financial liabilities
	The company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire.
	e) Reclassification of Financial Assets and Financial Liabilities
	<p>The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.</p>
b)	Fair value measurement
	<p>Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using other valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.</p> <p>Fair values for measurement and/ or disclosure purposes are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:</p>
	Level 1 - This includes financial instruments measured using quoted prices.
	<p>Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. Derived from prices).</p>
	Level 3 - If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.
c)	Provisions, Contingent Liabilities and Contingent Assets
	<p>A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.</p> <p>Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement, unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities are not recognized but are disclosed in notes. Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.</p>

d)	Revenue Recognition
	Revenue is recognized and measured at the fair value of the consideration received or receivable, to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The company collects GST, service tax, sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. The following specific recognition criteria must also be met before revenue is recognized:
	<p>a) Interest Income</p> <p>Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition. Interest income is included in other income in the statement of profit and loss.</p>
	<p>b) Dividends</p> <p>Dividend income is recognized when the Company's right to receive dividend is established, and is included in other income in the statement of profit and loss.</p>
e)	Borrowing costs
	Borrowing costs are interest and other ancillary costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. General and specific borrowing costs attributable to acquisition and construction of any qualifying asset (one that takes a substantial period of time to get ready for its designated use or sale) are capitalized until such time as the assets are substantially ready for their intended use or sale, and included as part of the cost of that asset. All the other borrowing costs are recognized in the Statement of Profit and Loss within Finance costs of the period in which they are incurred.
g)	Income tax
	Income tax expense comprises current and deferred tax. It is recognized in profit or loss except to the extent that it relates to items recognized directly in equity or in Other Comprehensive Income
	<p>a) Current tax</p> <p>Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year after taking credit of the benefits available under the Income Tax Act and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.</p> <p>Current tax assets and liabilities are offset only if, the Company:</p> <p>a) has a legally enforceable right to set off the recognized amounts; and</p> <p>b) intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.</p>
	b) Deferred tax
	Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognized for all taxable temporary differences. In contrast, deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized.
	The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.
	Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realized based on the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow

	from the manner in which the Company expects, at the end of the reporting period, to cover or settle the carrying value of its assets and liabilities.
	Deferred tax assets and liabilities are offset only if: i) The entity has a legally enforceable right to set off current tax assets against current tax liabilities; and ii) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.
	Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. MAT is recognized as deferred tax assets in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.
h)	Cash and cash equivalents
	Cash and cash equivalents comprise cash at bank and on hand and short-term deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.
i)	Cash flow statement
	Cash flows are reported using the indirect method as explained in the Accounting Standard on Statement of Cash Flows (Ind AS - 7), whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.
j)	Earning per share
	Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to Equity Shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted Earning per Share, the net profit or loss for the period attributable to Equity Shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note 23.
b)	Basis of measurement
	The financial statements have been prepared on an accrual basis and under the historical cost convention, except for the following: - Certain financial assets and liabilities (including derivative instruments) that is measured at fair value;
c)	Functional and presentation currency
	Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ("the functional currency"). The financial statements are presented in Indian National Rupee ('INR'), which is the Company's functional and presentation currency.
d)	Current or Non current classification
	All Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of services provided and time between the rendering of services and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.
e)	Use of judgments and estimates

	In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, the disclosures of contingent liabilities and contingent assets at the date of financial statements, income and expenses during the period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognized prospectively.
	Application of accounting policies that require critical accounting estimates and assumption judgments having the most significant effect on the amounts recognized in the financial statements are: - Impairment test of financial and non-financial assets; - Recognition and measurement of provisions and contingencies; - Fair value measurement of financial instruments;
3	Significant Accounting Policies
	The Company has consistently applied the following accounting policies to all periods presented in the financial statements.
a)	Financial instruments
	a) Initial recognition
	The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.
	b) Subsequent measurement
	(i) Financial assets carried at amortized cost
	A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. When the financial asset is derecognized or impaired, the gain or loss is recognized in the statement of profit and loss.
	(ii) Financial assets at fair value through other comprehensive income A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in profit and loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit and loss. Equity instruments are subsequently measured at fair value. On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment by investment basis. Fair value gains and losses recognized in OCI are not reclassified to profit and loss.
	(iii) Financial assets at fair value through profit or loss A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.
	(iv) Financial liabilities Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.
	c) Impairment of financial assets Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Company recognizes a loss allowance for expected credit losses on financial asset.

	d) Derecognition
	Financial Assets
	<p>Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.</p> <p>If the company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.</p>
	Financial liabilities
	The company derecognizes a financial liability when its contractual obligations are discharged or cancelled, or expire.
	e) Reclassification of Financial Assets and Financial Liabilities
	<p>The company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.</p>
b)	Fair value measurement
	<p>Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using other valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.</p> <p>Fair values for measurement and/ or disclosure purposes are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:</p>
	Level 1 - This includes financial instruments measured using quoted prices.
	<p>Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. Derived from prices).</p>
	Level 3 - If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.
c)	Provisions, Contingent Liabilities and Contingent Assets
	<p>A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.</p> <p>Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement, unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities are not recognized but are disclosed in notes. Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.</p>

d)	Revenue Recognition
	Revenue is recognized and measured at the fair value of the consideration received or receivable, to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The company collects GST, service tax, sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. The following specific recognition criteria must also be met before revenue is recognized:
	<p>a) Interest Income</p> <p>Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition. Interest income is included in other income in the statement of profit and loss.</p>
	<p>b) Dividends</p> <p>Dividend income is recognized when the Company's right to receive dividend is established, and is included in other income in the statement of profit and loss.</p>
e)	Borrowing costs
	Borrowing costs are interest and other ancillary costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. General and specific borrowing costs attributable to acquisition and construction of any qualifying asset (one that takes a substantial period of time to get ready for its designated use or sale) are capitalized until such time as the assets are substantially ready for their intended use or sale, and included as part of the cost of that asset. All the other borrowing costs are recognized in the Statement of Profit and Loss within Finance costs of the period in which they are incurred.
g)	Income tax
	Income tax expense comprises current and deferred tax. It is recognized in profit or loss except to the extent that it relates to items recognized directly in equity or in Other Comprehensive Income
	<p>a) Current tax</p> <p>Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year after taking credit of the benefits available under the Income Tax Act and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.</p> <p>Current tax assets and liabilities are offset only if, the Company:</p> <p>a) has a legally enforceable right to set off the recognized amounts; and</p> <p>b) intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.</p>
	b) Deferred tax
	Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the balance sheet liability method. Deferred tax liabilities are generally recognized for all taxable temporary differences. In contrast, deferred tax assets are only recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilized.
	The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.
	Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realized based on the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow

	from the manner in which the Company expects, at the end of the reporting period, to cover or settle the carrying value of its assets and liabilities.
	Deferred tax assets and liabilities are offset only if: i) The entity has a legally enforceable right to set off current tax assets against current tax liabilities; and ii) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.
	Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. MAT is recognized as deferred tax assets in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized.
h)	Cash and cash equivalents
	Cash and cash equivalents comprise cash at bank and on hand and short-term deposits with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.
i)	Cash flow statement
	Cash flows are reported using the indirect method as explained in the Accounting Standard on Statement of Cash Flows (Ind AS - 7), whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.
j)	Earning per share
	Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to Equity Shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted Earning per Share, the net profit or loss for the period attributable to Equity Shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

## 27. FINANCIAL INSTRUMENTS

Financial Assets						
						Amount (INR)
Particulars	Note	Fair Value Hierarchy	As at March 31,2020		As at March 31,2019	
			Carrying Amount	Fair Value	Carrying Amount	Fair Value
1. Financial assets designated at fair value through profit and loss						
a) Investment in Equity Instruments in FIPL	B,C	Level 2	2309943500	2,30,99,43,500	2074226000	2,07,42,26,000
2. Financial assets designated at amortised cost						
a) Loans	A	Level 3	20116564	2,01,16,564	23505251	2,35,05,251
b) Cash and cash equivalents			945943	9,45,943	872239	8,72,239
c) Other financial assets			0	-	0	-
Total			2331006007	2331006007	2098603490	2098603490
Financial Liabilities						
Particulars	Note	Fair Value Hierarchy	As at March 31,2020		As at March 31,2019	
			Carrying Amount	Fair Value	Carrying Amount	Fair Value
1. Financial liability designated at amortised cost						
a) Borrowings	A	Level 3	1,85,70,00,000	1,85,70,00,000	1,85,00,00,000	1,85,00,00,000
b) Trade payables			2,88,078	2,88,078	8,078	8,078
c) Other Financial Liabilities			41,46,58,692	41,46,58,692	19,03,46,118	19,03,46,118

Total			2,27,19,46,770	2,27,19,46,770	2,04,03,54,196	2,04,03,54,196

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale

The following methods and assumptions were used to estimate the fair values.

A. The fair value of cash and cash equivalents, loans, current financial assets, trade payables and current financial liabilities approximate their carrying amount, largely due to the short-term nature of these instruments. The change in the Fair Value of Non-Current Financial Asset and Liability is insignificant and hence carrying value and fair value is taken same.

B. The Company has fair valued the investments in Equity Instruments in FIPL through profit & loss.

C. As per Para D-15 of Appendix D of Ind AS 101, the first time adopter may chose to measure its investment in subsidiaries, JVs and Associates at cost or at fair value. Company has opted to value its investments in subsidiaries, JVs and Associates at Fair Value.

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

## 28. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

### 28.1 Financial risk factors

The Company is exposed to Market risk and Liquidity Risk. The Company's board of directors has the overall responsibility for the management of these risks and is supported by Business Process and Risk Management Committee that advises on the appropriate financial risk governance framework. The Company has the risk management policy and system in place and are reviewed regularly to reflect changes in market condition and company's activities. The Company's Board of Director monitors compliance with the risk management policy in procedure and reviews the adequacy of risk management framework in relation to the risk faced by the Company.

#### I. MARKET RISK

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of fluctuation in market prices. These comprise three types of risk i.e. currency rate, interest rate and other price related risks. Financial instruments affected by market risk include investments, deposits, etc. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

##### a. Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. As the company is not having any financial instrument in foreign currency it is not exposed to foreign currency risk.

##### b. Interest Rate Risk

The Company's main interest rate risk arises from working capital and long-term borrowings. Company's does not have any

investments and does expose it to interest rate risk. The risk is managed by the Company by maintaining an appropriate mix between fixed and floating rate borrowings.

#### Exposure to Interest Rate Risk

The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

Particulars	March 31, 2020 Amount (INR)	March 31, 2019 Amount (INR)
Fixed-rate instruments		
Financial assets	-	-
Variable-rate instruments		
Financial liabilities	-	-
- Borrowings	1,85,70,00,000	1,85,00,00,000

#### - SENSITIVITY ANALYSIS

##### Fair Value Sensivity Analysis for Fixed Rate Instruments

The Company does not account for any fixed rate financial assets or financial liabilities at fair value through Profit or Loss, therefore change in interest rate at the reporting date would not affect profit or Loss.

##### Cash Flow Sensivity Analysis for Variable Rate Instruments

A increase of 45 basis point in interest rate at the reporting date would have increased, (decreased) Profit or Loss by the amount shown below. This analysis assumes that all other variables, remain constant.

The sensitivity analysis is computed by comparing weighted average interest rate for the period ended 31 March, 2018 and 31 March, 2017.

Particulars	Year ended March 31,2019		Year ended March 31,2019	
	Increase	Decrease	Increase	Decrease
Interest rates - increase/decrease by 45 basis points	57,74,342	-57,74,342	57,52,575	-57,52,575

#### c. Price Risk

The Company doesnot have any investments,therefore is not exposed to Price Risk.

## II. LIQUIDITY RISK

Liquidity risk arises when the Company will not be able to meet its present and future cash and collateral obligations. The risk management action focuses on the unpredictability of financial markets and tries to minimize adverse effects. The Company manages Liquidity Risk by maintaining adequate reserves and continuously monitoring forecast and actual cash flows and by matching the maturity profiles of Financial Assets and Liabilities.

a. The table below provides details regarding the contractual maturities of significant financial liabilities as of March 31, 2020:

Particulars	Carrying Amount Amount (INR)	Less than 1 year Amount (INR)	More Than 1 Year Amount (INR)
Borrowings - Current		-	
Borrowings - Non-Current	1,85,70,00,000	70,00,000	1,85,00,00,000

## 21. Impairment Review

Assets are tested for impairment whenever there are any internal or external indicators of impairment. Impairment test is performed at the level of each Cash Generating Unit ('CGU') or groups of CGUs within the Company at which the assets are monitored for internal management purposes, within an operating segment. The impairment assessment is based on higher of value in use and value from sale calculations. During the year, the testing did not result in any impairment in the carrying amount of other assets. The measurement of the cash generating units' value in use is determined based on financial plans that have been used by management for internal purposes. The planning horizon reflects the assumptions for short to-mid-term market conditions.

Key assumptions used in value-in-use calculations are:-

(i) Operating margins (Earnings before interest and taxes), (ii) Discount Rate, (iii) Growth Rates and (iv) Capital Expenditure

23	CONTINGENT LIABILITIES & COMMITMENTS (TO THE EXTENT NOT PROVIDED FOR)		
	PARTICULARS	March 31, 2020	March 31, 2019
A.	CONTINGENT LIABILITY NOT PROVIDED FOR:		
	(a) Claims against the company not acknowledged as debt		
	-Income Tax		

Note: The Company has contested/filed appeals in respect of the aforesaid disputed matters before the authorities. The Management is hopeful that matters will be decided in favour of the Company

25	THE MICRO, SMALL AND MEDIUM ENTERPRISES DEVELOPMENT (MSMED) ACT, 2006		
	The information regarding Micro, Small and Medium enterprises has been determined to the extent such parties have been identified on the basis of information available with the company:		
			Amount (INR)
		Year ended March 31, 2020	Year ended March 31, 2019
a)	Principal amount and Interest due thereon remaining unpaid to any supplier as on 31st March	-	-
b)	Interest paid by the Company in terms of Section 16 of the MSMED Act along with the amounts of the payment made to the supplier beyond the appointed day during the accounting year	-	-
c)	the amount of interest due and payable for the year of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under this Act	-	-

d)	the amount of interest accrued and remaining unpaid	-	-
e)	The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of this Act.	-	-

## 29. Events Occurring After The Balance Sheet Date

There are no events occurring after the balance sheet date for the financial year 2019-20

## 30. RECENT ACCOUNTING PRONOUNCEMENTS

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The amendment will come into force from April 1, 2018. The Company does not enter into foreign currency transactions, thus, there is no impact on the financial statements.

Ind AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The standard permits two possible methods of transition:

1) Retrospective approach - Under this approach the standard will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8- Accounting Policies, Changes in Accounting Estimates and Errors

2) Retrospectively with cumulative effect of initially applying the standard recognized at the date of initial application (Cumulative catch - up approach)

The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018.

The Company will adopt the standard on April 1, 2018 by using the cumulative catch-up transition method and accordingly comparatives for the year ending or ended March 31, 2018 will not be retrospectively adjusted. The effect on adoption of Ind AS 115 is expected to be insignificant.

**[611800] Notes - Revenue**

Unless otherwise specified, all monetary values are in INR

	01/04/2019 to 31/03/2020
Disclosure of revenue [TextBlock]	Textual information (45) [See below]

**Textual information (45)****Disclosure of revenue [Text Block]****d) Revenue Recognition**

Revenue is recognized and measured at the fair value of the consideration received or receivable, to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The company collects GST, service tax, sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. The following specific recognition criteria must also be met before revenue is recognized:

**a) Interest Income**

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition. Interest income is included in other income in the statement of profit and loss.

**b) Dividends**

Dividend income is recognized when the Company's right to receive dividend is established, and is included in other income in the statement of profit and loss.
