## Textual information (1)

**Disclosure of accounting policies, change in accounting policies and changes in estimates explanatory [Text Block]**

### **SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO FINANCIAL STATEMENTS**

#### **1 NATURE OF OPERATIONS**

Feedback Energy Distribution Company Limited (?the Company?) was incorporated on 29th Oct 2012 as Private Limited Company, the company has been Converted into Public Limited w.e.f 24th June 2014. The Company is engaged in the business of Electricity Distribution.

#### **2 SIGNIFICANT ACCOUNTING POLICIES**

##### **2.1 Accounting Conventions**

The financial statements are prepared under the historical cost convention on an accrual basis and in accordance with the requirements of the section 133 of Companies Act 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. The accounting policies have been consistently applied by the company.

##### **2.2 Use of Estimates**

The presentation of financial statements in conformity with the generally accepted accounting principles requires estimates and assumptions to be made that affect the reportable amount of assets and liabilities on the date of financial statements and the reportable amount of revenue and expenses during the reporting period. Differences between the actual results and estimates are recognized in the year in which the results are known/materialized.

##### **2.3 Revenue Recognition:**

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

##### **A. Revenue from Operations:**

**a) Incremental Revenue Share**

Revenue is recognised in accordance with respective Distribution Franchisee Agreements entered with Electricity Distribution Licensee under an input based incremental revenue share model and also includes unbilled revenues accrued up to the end of the accounting year. Pursuant to the terms of Distribution Franchisee Agreements, Revenue is recognized to extent of excess of cumulative collection of energy charges per unit over the base line revenue per unit. If the cumulative collection of energy charges per unit fall short off baseline revenue per unit the entire amount is recognised as cost.

**b) Income from Meter Rent**

Revenue is recognized in accordance with the Distribution Franchise Agreements on time proportion basis from the month following the month of installation of meters and in compliance to the Regulatory Tariff Orders and Supply Code.

**c) Other Service Charges**

Revenue from Service Charges such as reconnection charges, service connection charges meter testing fee, supervision charges etc. are recognized on completion of specified services as per terms of the Distribution Franchisee Agreements and in compliance to the Regulatory Tariff Orders and Supply Code.

**d) Income from EPC**

The Company follows the percentage completion method, based on the stage of completion at the balance sheet date, taking into account the contractual price and revision thereto by estimating total revenue including claims / variations as per Accounting Standard 7 and total cost till completion of the contract and the profit so determined has been accounted for proportionate to the percentage of the actual work done.

**B.Other Income:**

Interest Income is recognized on time proportionate basis taking into account the amount outstanding and the rate applicable.

STATEMENTS**

**Tangible assets** are stated at cost, less accumulated depreciation. The cost of an asset comprises its purchase price and any directly attributable cost of bringing the asset to working condition for its intended use. When assets are sold or discarded, their cost and accumulated depreciation are removed from the accounts and any gain or loss resulting from their disposal is included in the Statement of Profit & Loss. Credit of duty, if availed, is adjusted in the acquisition cost of the respective fixed assets.

**Capital work- in-progress** is carried at cost including direct cost, related incidental expenditure and attributable interest cost. Schemes/projects under tangible fixed assets which are not yet ready for their intended use at the balance sheet date.

### **Intangible assets.**

Intangible assets under development comprises cost of acquired or self generated intangible fixed assets that are not yet ready for their intended use at the Balance Sheet date. Cost Includes Original Cost of Acquisition, expenditure towards development, implementation and installation.

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangible assets, excluding capitalised development costs, are not capitalised and expenditure is reflected in Statement of Profit and Loss in the period in which the expenditure is incurred.

2.5 **Inventory:** Inventory, if any, at the closing date is valued at, lower of cost and net realisable value. Cost of inventory is determined at FIFO Basis.

### 2.6 **Intangible assets under development**

Expenditure on research activities, undertaken with prospect of gaining new scientific or technical knowledge and understanding, is recognized in the Statement of Profit and Loss as incurred.

Development activities involve a plan or design for the development of software . Development cost is capitalised only if it can be measured reliably, the product and process is technically and commercially feasible, future economic benefits are probable, and the Company intends to and has sufficient resource to complete development to use or sell the asset. The expenditure capitalised include direct labour and overhead costs that are directly attributable to preparing the assets for its intended use.

Other development costs are recognised in Statement of Profit and Loss as incurred. Capitalised development expenditure is measured at cost less accumulated amortization and accumulated impairment loss (if any).

### 2.7 **Operating Leases**

Leases where the Lessor effectively retains substantially all risks and benefits of ownership are classified as operating leases. Operating Lease payments are charged to the Statement of Profit & Loss on Straight Line basis over the lease term.

## 2.8 Depreciation & Amortisation

- a. Depreciation on Plant & Machinery (Electricity Distribution systems and metering) is provided on lower of useful life of ten years( Considered based on the tenure of Distribution Franchise Agreement including the extension as prescribed) and useful life determined on the basis of technical assessment.
- b. Depreciation on other Fixed Assets is provided on Straight Line Method based on Useful life determined on the basis of technical assessment, which is different from the useful life prescribed in the Schedule II of the Companies Act 2013.
- c. Depreciation on additions/deductions is provided from the date of assets being put to use for their intended purpose up to the date of their disposal.
- d. Assets individually costing below Rs. 5,000 are fully depreciated during the year they are put to use.
- e. Leasehold Improvement are amortised over the period of lease.
- f. Cost incurred on acquisition of intangible assets are capitalized and amortized over a period of 5 years on Straight Line Method from the year of acquisition.

## 2.9 Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that the asset may be impaired. If any such indication exists the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit and Loss. Any Impairment loss is reversed only to the extent that the carrying amount of the asset does not exceed the net book value that would have been determined if no impairment loss had been recognized.

## 2.10 **Investments**

Investments are classified as long term or current based on the Management intention at the time of purchase. Long-term investments are stated at acquisition cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary. Current investments are valued at lower of cost and market rate on individual investment basis.

## 2.11 **Foreign Currency Transactions**

- a. Foreign currency transactions are accounted for at the exchange rates prevailing on the dates of the transactions.
- b. All the monetary assets and liabilities remaining unsettled at the year-end are translated at the closing exchange rate. Any gain or loss on account of exchange difference either on settlement or on translation is recognised and is reflected separately in the Statement of Profit & Loss.
- c. Non-monetary items are carried at cost.

## 2.12 **Employee Benefits**

### a. Defined Benefit Plan

Gratuity and long-term compensated absences are provided for based on actuarial valuation carried out at the close of each financial year. The actuarial valuation is done by an Independent Actuary as per projected unit credit method.

### b. Defined Contribution Plan

The Company's contribution to Employee Provident Fund and Family Pension Fund are deposited with the Regional Provident Fund Commissioner and is charged to statement of Profit & Loss every year on due basis.

## 2.13 **Segment Reporting:**

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The Segment Revenue, Segment Results, Segment Assets and Segment Liabilities include respective amounts identifiable to each of the segments and also amounts allocated on a reasonable basis.

Further Company has only One Reportable segment.

## 2.14 **Taxation**

The accounting treatment for Income Tax in respect of the Company's income is based on the Accounting Standard AS- 22 on 'Accounting for Taxes on Income' for both Current Tax and Deferred Tax.

### a. Current Tax

Provision for Taxation is ascertained on the basis of assessable profit computed in accordance with the provisions of Income Tax Act, 1961.

### b. Deferred Tax

Deferred Tax Assets & Liabilities are recognized at substantively enacted tax rates, subject to the consideration of prudence, on timing difference, being the difference between Taxable Income and Accounting Income that originate in one period and are capable of reversal in one or more subsequent periods.

Deferred Tax Assets are recognized and carried forward to the extent that there is a reasonable certainty, except arising from unabsorbed depreciation and carry forward losses, which are recognized to the extent that there is virtual certainty, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

## 2.15 **Earnings Per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

## 2.16 **Provisions, Contingent Liabilities and Contingent Assets**

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Liabilities which are material, and whose future outcome cannot be ascertained with reasonable certainty, are treated as contingent, and disclosed by way of notes to the accounts. Contingent Assets are neither recognized nor disclosed in the financial statement.

## 2.17 **Borrowing Cost**

Borrowing cost attributable to the acquisition or construction of qualifying assets is capitalized as a part of those assets. Other Borrowing Costs are recognized as an expense in the period to which they relate.

**2.18 Cash flow Statement**

Cash flows are reported using indirect method whereby a profit before tax is adjusted for the effects of transaction of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from operating, investing and financing activities of the Company are segregated

**2.19 Operating Cycle:** The company has determined its operating cycle as 12 months for the purposes of classification of its assets and liabilities as current and non current.
