

A Profile

Our Project in Progress

The Director

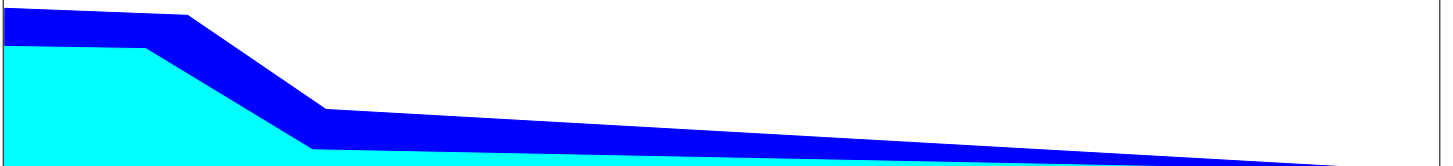

.....An Inspirational cum guiding force-

Mr. Suresh Kumar Singhal & Mr. Bablu Choudhary (Founder Directors) established RADHA BUILDTECH (INDIA) PVT. LTD. with a vision.

It's a vision to serve and provide affordable and quality construction. theybrought it in the sneaky Era of construction industry. When other players of this respective field were busy in minting money through various unethical means and were delivering ill and inferior quality product by using inferior quality raw material.

Unlike others, RBPL stayed committed and kept delivering best quality and flawless projects.

The Directors earned highly recommendable name in the community of construction industry through their consistent and committed efforts. The result of which is obviously in the shape of this profile.

About us

Radha Buildtech (India) Pvt. Ltd. is an association of like minded entrepreneurs, assisted by an efficient team who understand only one language that Quality has no other substitute. We are one of the most successful & foremost upcoming groups in the areas of civil construction, with finest finishing.

Corporate values

Time being the essence of corporate values, we strictly believe in delivering our commitments, with the best quality and that too within the stipulated time frame. Right from conceptualization to implementation, we pay special attention to every aspect and undertake very special care to execute them with great precision.

Our Commitment

Quality

RBPL firmly believes quality work and therefore we possess all necessary equipments & machineries to undergo quality checks on a regular basis. This provides a strong feeling of cent per cent confidence.

Delivery

We are committed to deliver Cent per Cent of that is expected and agreed.

Clientele

Although every Client is equally Precious and Important for RBPL but we are Glad to have some of the most Prestigious names in the fields of Housing, Educational Institution. The spectrum of which includes the infra & ultra as well. We are proud to pronounce that we have executed all the projects with perfection and have bagged appreciation.

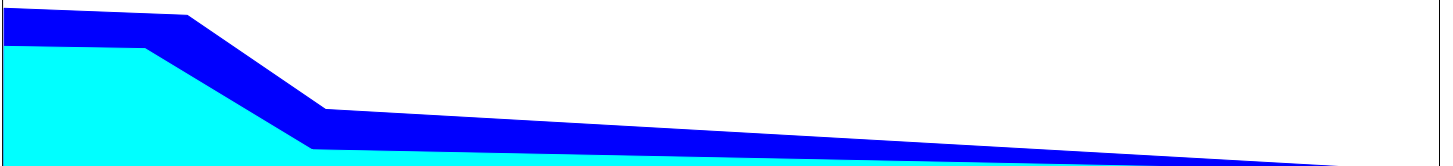

Example is Better than Precept

Success is a journey not a Destination.....

These being some of the inspirational forces, We understand that the continued Success of our Group could be Achieved through a wholesome combination of the Visionary out-look of the Directors, a Remarkable Team Effort, Innovative working strategies and above all, a list of Satisfied Clientele.

Customer Satisfaction

We do believe and understand that a Satisfied Customer is the One who not only provide a repeat Order, but who places an order after having gone through all the Quality checks done. They do suggest our name admirably to others, Only when they feel Satisfied & Confident. They do admire our name and suggest to others after having once satisfied and confident with our services.
