Figure 1. The effect of the concentration of the *Agrobacterium* suspension on the transformation efficiency of *Agrobacterium* strains.

100

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1801. It is a very important document, as it contains the President's first message to the Congress. The letter is written in a very formal and dignified style, and it is one of the most important documents in the history of the United States.

Necessary steps should be taken for the safety of the lives of the adjoining public and private properties during construction.
