An Offer Notice shall be an irrevocable offer and shall upon issuance of an Acceptance Notice by the Selling Shareholder, constitute a binding agreement between the Selling Shareholder and the Offered Shareholder to sell and purchase all the Offered Shares under and in accordance with the Offer Notice. Where the Investor issues an Acceptance Notice to DLF further to a Buyback Election, DLF shall procure that the Company completes the buyback of the Offered Shares in the manner set out in the Offer Notice, on or before the expiry of the ROFO Completion Period; failing completion of the buyback of all (and not only some) of the Offered Shares in the manner set out in the Offer Notice for any reason whatsoever, DLF shall be liable to the Investor to pay the Offered Price and purchase the Offered Shares, on or before 10 (ten) days from the expiry of the ROFO Completion Period; provided that any extension of time available further to Article 13.10.8 shall be available to DLF and the Investor.

13.10.6 If the Offered Shareholder after having received the Acceptance Notice does not make payment of the complete Offered Price within the ROFO Completion Period, or in case a Buyback Election but fails to comply with its obligations in Article 13.10.3 ("**Offered Shareholder ROFO Breach Event**"), without prejudice to any remedies that may be available to the Selling Shareholder under Applicable Law or these Articles: (a) the Selling Shareholder, in the case of the Investor, may sell the Offered Shares or any part thereof to an Eligible Third Party, and in the case of DLF, may sell the Offered Shares or any part thereof to any Person not being a Prohibited Person on such commercial terms as the Selling Shareholder determines; and (b) the relevant Offered Shareholder referred to in this Article 13.10.6, shall not be entitled to the Right of First Offer set out in this Article 13.10 with respect to any future proposed sale of Shares by the Selling

Shareholder immediately following the Offered Shareholder ROFO Breach Event solely to the extent equivalent to the Shareholding Percentage originally offered to the relevant Offered Shareholders resulting in the Offered Shareholder ROFO Breach Event; and such Selling Shareholder shall not be required to comply with this Article 13.10: (A) insofar as the relevant Offered Shareholder referred to in this Article 13.10.6 is concerned solely to the extent equivalent to the Shareholding Percentage originally offered to the relevant Offered Shareholders resulting in the Offered Shareholder ROFO Breach Event; and (B) only with respect to that proposed sale of Shares by the Selling Shareholder immediately following the Offered Shareholder ROFO Breach Event (and none other). The Selling Shareholder shall cause the third party purchaser to execute the Deed of Adherence simultaneously with the completion of the sale and purchase of the Offered Shares.

13.10.7 If the Offered Shareholder (a) does not deliver the Offer Notice within the ROFO Period or rejects the Transfer Notice by a written intimation to the Selling Shareholder, or (b) where the Offer Notice has been delivered, the Selling Shareholder chooses not to issue the Acceptance Notice within the ROFO Acceptance Period (each event in (a) and (b) referred to as the **"ROFO Rejection Event"**), the Selling Shareholder shall be entitled, subject to the provisions of Article 13.10.11, to transfer the Offered Shares (and not any part thereof) to an Eligible Third Party (where the Selling Shareholder is the Investor), and to any Person not being a Prohibited Person (where the Selling Shareholder is DLF) (**"ROFO Third Party Transferee"**) within a period of 180 (one hundred and eighty) days from the date of expiry of (i) earlier of the receipt of the rejection of the Offer Notice and the ROFO Period where no Offer Notice has been received by the Selling Shareholder; or (ii) the ROFO Acceptance Period where the ROFO Rejection Event set out in (b) above has occurred (**"Transfer Period"**) at a price not less than 105% (one hundred and five percent) of the Offered Price and on the same terms as set out in the Transfer Notice. Provided that where the Selling Shareholder is the Investor, in addition to the terms set out in the Transfer Notice, the Investor shall be entitled to assign the benefit of the representations and warranties, its indemnification rights and the benefit of DLF's covenant to complete the Post Closing Covenants and the Conditions Subsequent (as contemplated under Clause 8.7.2 of the Agreement and other related Transaction Documents) to the Eligible Third Party in the manner contemplated in the Agreement.

13.10.8 In case any Government Approvals are required for completion of the transfer of the Offered Shares by the Selling Shareholder to the Offered Shareholder or the ROFO Third Party Transferee, the period for obtaining such approvals shall be excluded from computing the Transfer Period provided that the application for seeking such approvals have been made at least 10 (ten) days prior to the expiry of the Transfer Period. Further, if the Investor is the Offered Shareholder, then the Transfer Period shall also exclude such time as may be required to enable the Investor to exercise the Investor Tag-Along Right. If the Selling Shareholder fails to transfer the Offered Shares to the ROFO Third Party Transferee within the Transfer Period, the Selling Shareholder shall: (A) not propose to Transfer any Shares for a period of 180 (one hundred eighty) days of the expiry of the Transfer Period, and shall not be entitled to issue a Transfer Notice; and (B) after the period of 180 (one hundred eighty) days of the expiry of the Transfer Period, be required to comply with the provisions of Article 13.10 once again before it effects any Transfer of the Shares held by it. ensure that such ROFO Third Party Transferee executes the Deed of Adherence simultaneous with the completion of the Transfer.

13.10.9 The Offered Shareholder shall, notwithstanding its confidentiality obligations under the Agreement and for the limited purpose of arriving at the Offered Price, be entitled to provide Confidential Information relating to the Group to merchant bankers and advisors specifically appointed by the Offered Shareholder for the purpose of arriving at the Offered Price; provided that the Offered Shareholder shall place any merchant bankers and advisors to whom any Confidential Information relating to the Group is provided, under confidentiality obligations, which are, in substance, no less rigorous than those provided for in the Agreement.

13.10.10 The Selling Shareholder agrees and undertakes that the ROFO Third Party Transferee shall not be acquiring the Offered Shares for the benefit of the Selling Shareholder or any of its Affiliates or be funded directly or indirectly by the Selling Shareholder or any of its Affiliates or group entities. Further, the Selling Shareholder undertakes that it shall not circumvent, attempt to circumvent, avoid or by-pass the provisions of this Article 13.10 or employ any device or mechanism which results in an artificial increase of the price offered by the ROFO Third Party Transferee for the Offered Shares including by way of any arrangement whereby the ROFO Third Party Transferee (or any of its Affiliates) is compensated directly or indirectly by the Selling Shareholder and/ or any of its Affiliate or group entities by way of a set-off or adjustment under any other transaction.

13.10.11 In the event where a Selling Shareholder proposes to offer any additional representations, warranties or indemnities to the ROFO Third Party Transferee beyond what it proposed to give to Offered Shareholder, the Selling Shareholder shall, prior to entering into any definitive documents in that regard with the ROFO Third Party Transferee, issue a notice in writing to the Offered Shareholder ("**Transfer Additional Notice**") offering such representations, warranties, indemnities or other monetary protection proposed to be offered to the ROFO Third Party Transferee, and shall seek from the Offered Shareholder a revised Offered Price. To the extent any additional representations, warranties or indemnities proposed to be offered to the ROFO Third Party Transferee are included as part of the Offer Notice, the Selling Shareholder shall not be required to issue a Transfer Additional Notice with respect to such representations, warranties or indemnities. The Offered Shareholder shall, within a period of 15 (fifteen) Business Days of receipt of a Transfer Additional Notice, be entitled to issue to the Selling Shareholder a notice revising the Offered Price ("**Offer Additional Notice**"). Upon issuance by the Offered Shareholder of an Offer Additional Notice, the provisions of Articles 13.10.4 to 13.10.10 shall apply once again and the Selling Shareholder and the Offered Shareholder shall once again comply with the provisions of Articles 13.10.4 to 13.10.10; all references to 'Transfer Notice' under Articles 13.10.4 to 13.10.10 shall be deemed to include the Transfer Notice as modified by the Transfer Additional Notice, and all references to 'Offer Notice' under Articles 13.10.4 to 13.10.10 shall be deemed to include the Offer Notice as modified by the Offer Additional Notice. For the purposes of this Article 13.10.11, (a) if DLF were to provide the ROFO Third Party Transferee the representations, warranties and indemnities that have been provided to the Investor under the Agreement which does not include any additional protection or coverage that is not available to the Investor, DLF shall not be required to issue a Transfer Additional Notice; and (b) in respect of the Investor, an assignment of the representations, warranties and indemnities in the manner permitted under the Agreement or providing any representations or warranties relating to title to the Offered Shares and authority to

13.11.2 The Tag Sale Notice shall contain the following details: (a) the total number of Offered Shares that are proposed to be sold ("**Tag Sale Shares**"); (b) the name and ultimate ownership/ shareholding pattern of the proposed purchaser of the Tag Sale Shares ("**Tag Purchaser**"); (c) the price per Share (if there are different types of Shares, price per Share of each type of Share) at which such Tag Sale Shares are proposed to be sold to the Tag Purchaser ("**Tag Sale Price**"); and (d) any other terms and conditions of the proposed sale of the Tag Sale Shares. It is clarified that the Tag Sale Price shall not be less than 105% (one hundred and five percent) of the Offered Price, if any.

13.11.3 Within 30 (thirty) days from the receipt of the Tag Sale Notice ("**Tag Notice Period**"), the Investor shall have the right (but not the obligation) ("**Investor Tag-Along Right**") to participate in such proposed sale in respect of such number of its Shares as is provided in Article 13.11.4 below ("**Investor Tag-Along Shares**") by issuing a notice in writing ("**Tag-Along Notice**") to DLF.

13.11.4 If the Investor decides to exercise the Investor Tag-Along Right pursuant to Article 13.11, the number of Investor Tag-Along Shares that the Investor shall be entitled to sell, shall bear to the total number of Shares held by the Investor, the same proportion which the Tag Sale Shares bear as a percentage to the total Shares held by DLF, computed on a Fully Diluted Basis in the manner illustrated below, except where the Tag Sale Shares represent all the Shares held by DLF. For the avoidance of doubt, where the Tag Sale Shares represent all and not only some of the Shares held by DLF, the Investor Tag-Along Shares shall comprise of all (and not only some) of the Shares held by the Investor.

Illustration: The total number of Shares (on a Fully Diluted Basis) issued by the Company is 100, and DLF holds 60 Shares in the Company on a Fully Diluted Basis and the Investor holds remaining 40 Shares in the Company on a Fully Diluted Basis. If DLF seeks to transfer 15 Shares on a Fully Diluted Basis, the Investor Tag-Along Shares will be calculated as follows:

A = 15 (number of Shares proposed to be transferred) multiplied by 100 (total number of Shares issued by the Company), which is equal to 1500.

B = A divided by 60 (total number of Shares held), which is equal to 25.

$C = B \text{ divided by } 100, \text{ which is equal to } 0.25.$

Investor Tag-Along Shares = C multiplied by the total number of Shares held by the Investor on a Fully Diluted Basis, which is equal to 10 Shares.

- 13.11.5 Any sale by the Investor pursuant to the Investor Tag-Along Rights shall be made at the same price as described in the Tag Sale Notice.
- 13.11.6 The sale of the Tag-Along Shares along with the Investor Tag-Along Shares, if any, to the Tag Purchaser shall be completed within: (a) a period of 60 (sixty) days from the receipt by DLF of the Tag-Along Notice pursuant to the Investor exercising its Investor Tag-Along Right; or (b) a period of 60 (sixty) days of the expiry of the Tag Notice Period if the Investor does not exercise its Investor Tag-Along Rights ("**Tag Completion Period**"). In the event the Investor exercises its Investor Tag-Along Rights, DLF and the Investor shall co-operate in good faith to obtain all Government Approvals that may be required for sale of the Investor Tag-Along Shares. Notwithstanding anything contained in this Article 13.11.6, in the event that the sale of Investor Tag-Along Shares to the Tag Purchaser cannot be completed on account of there being no response from the relevant Governmental Authority within the Tag Completion Period or the Government Approval is refused or has not been obtained, despite the best efforts of the Shareholders and the Company, DLF shall not complete the sale of the Tag Sale Shares to the Tag Purchaser until such Government Approval has been obtained. Further, if DLF intends to transfer its shares pursuant to (b) above, in the event of a failure to so consummate the sale within the aforesaid Tag Completion Period, any sale by DLF of its Shares shall once again be subject to the provisions of Article 13.10. It is further clarified that in case of a transfer by DLF pursuant to (a) above, the Tag Completion Period shall not include any time taken to procure Government Approvals for the transfer provided that the application for seeking such approvals have been made at least 10 (ten) days prior to the expiry of the Tag Completion Period.
- 13.11.7 Where the Investor has issued a Tag-Along Notice in accordance with these Articles, DLF shall not sell any of its Shares to the Tag Purchaser unless, the Tag Purchaser simultaneously purchases all of the Investor Tag-Along Shares from the Investor upon the price specified in the Tag Sale Notice. In the event DLF fails to sell all its Offered Shares to the Tag Purchaser within the Tag Completion Period, the Investor shall be under no obligation to sell the Tag-Along Shares to the Tag Purchaser.
- 13.11.8 In the event the Investor does not exercise the Investor Tag-Along Rights within the Tag Notice Period or where the Investor exercises the Investor Tag-Along Rights within the Tag Notice Period, but fails to tender the Investor Tag-Along Shares in accordance with these Articles, DLF shall be free to sell the Tag Sale Shares to the Tag Purchaser, provided that with respect to such sale as set out in this Article 13.11.8: (a) it shall be consummated within 60 (sixty) days of the expiry of the Tag Notice Period; and (b) the sale price shall not be higher than the Tag Sale Price. In the event of a failure to so consummate the sale within the aforesaid 60 (sixty) days period, any sale by DLF of its Shares shall once again be subject to the provisions of Article 13.10.
- 13.11.9 For the avoidance of doubt, it is hereby clarified that any sale of Shares that may be effected by DLF solely for the purposes of implementing a stock or share plan for employees or directors of the Group (in compliance with these Articles) shall not be

subject to the rights of the Investor as set out in Article 13.10 above and this Article 13.11.
