| 14. | Fill each column of survey form diligently in detail and tick the appropriate form.  Check any defects or negativity in the property and comment in detail on survey form.  Check any defects or negativity and confirm for any recent past transactions.  |
| 15. | Check any defects or negativity in the property and comments.  Do extensive market rate enquiries and confirm for any recent past transactions.  |

in case customer appears to be providing misleading information to you or trying to influence you by money or cash then immediately report to the Management & Bank

| RADE | Survey started with proper work order and knowing the source of payment.  Done complete homework and studied the documents properly with highlighting the main points before moving for the survey.  Chosen correct survey form as per the property type.  All fields of Survey form are properly filled.  All site special observations and negative and positive factors are clearly mentioned Self & client signatures taken on survey form.  Property rates information properly taken, mentioned and verified.  Proper photographs taken.  Selfie with property taken. |
|------|---|
| В    | 12 Selfie and owner photograph with property taken. In case of 3 minor mistakes in any of the above points except Point 1, 2, 3, 4, 6, 8, 10, 11, 12 but all the points are covered.  |
| C    | In case of more than 3 minor mistakes and any 1 major mistake in any of the above points and if any points are completely missing except Point 1, 2, 3, 4, 6, 8, 10, 11, 12.  |
| 1.7  | in case of final of mistake or missing of any 1 point out of 1 2 3 4 6 8 10 11 12   |
| E    | In case of more than 1 major mistakes or missing of more than 1 point out of 1, 2, 3, 4, 6, 8, 10, 11, 12.  |

Note (Survey Grading Matrix):

- For special assignments like LIE, Stock Valuation, etc. where till date survey format is not specified or released, in such cases point wise site observation report has to be submitted by the Surveyor duly signing it properly. Without signed Site Observation report, Point 4 will be considered as not done and will fall under Category E.
- 2. Similar Grading Matrix is issued for Case Collection & Report Preparation as well.

Note (Overall Grading Matrix):

 In case client reports any careless mistake in the report for which revision has to be done in the report then in that case Grading Matrix may be revised and Grade E will be awarded.

| COMPLIANCE CHECKLIST POINTS Did you take proper properly documents to carry out the survey? I lave you properly studied & highlighted Owner/ Area/ Boundaries on the properly documents with bold florescent before moving for the survey? Did you check prominent landmark nearby the subject property and mentioned in the survey tom?  Did you identified the Property clearly by matching the boundaries and area mentioned in the property papers?  Did you check if property is merged with any other property or it is an independent property?  Did you do sample physical or google measurements of the property in case of properly more than 2500 sq.mtr?  Did you check for any building violations in the property?  Did you check municipal limits/ jurisdiction/ ward?  Did you check Main road name & width and its distance from the subject property?  Did you check Main road name & width and its distance from the subject property?  Did you check Approach Lane width on which property is located?
