To the Members of Nangloi Water Services Private Limited

Report on the Audit of the Financial Statements

Disclaimer of Opinion

- 1) We were engaged to audit the financial statements of Nangloi Water Services Private Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
- 2) We do not express an opinion on the aforesaid financial statements of the Company. Because of the significance of the matters described in the Basis of Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

- 3) As stated in note 45 and 46 to the financial statements, the Company's borrowings and other financial liabilities as at 31 March 2022 include balances amounting to Rs. 34,924.66 lakhs and Rs. 212.35 lakhs, respectively, including Rs 10,517.92 lakhs in respect of which the Administrator appointed by Reserve Bank of India in case of SREI Equipment Finance Limited (SREI), a lender of the Company, has filed an application in National Company Law Tribunal (NCLT) while making allegations as detailed in Note 45, requesting for immediate recovery of all loans and dues from the Company. Appropriate balance confirmations from SREI's administrator have not been received in respect of balances due to SREI by the Company as on 31 March 2022. Further, the Company is in default of repayment of loans and interest due from other lenders of the Company as a result of which such loans are also repayable on demand as per the terms of the loan agreements. The management of the Company continues to classify the aforementioned balances as non-current and current based on the last approved repayment schedule which is not in accordance with the terms of the agreements enforceable in case of events of default as identified in such agreements. In absence of restructuring of the said loans by the lenders, including lack of evidence of involvement of SREI's administrator in discussions with the lenders in this respect, and in absence of sufficient and appropriate alternate audit evidence, we are unable to comment on the adjustments and changes if any, that may be required in classification of aforementioned balances in the accompanying financial statements in accordance with the principles of Ind AS 1, Presentation of financial statements.
- 4) As stated in Note 47 to the accompanying financial statements which indicates that the Company has incurred a net loss of Rs. 7,318.80 lakhs during the year ended 31 March 2022 and, as of that date, the Company's accumulated losses amounts to Rs. 15,814.09 lakhs which have resulted in substantial erosion of net worth of the Company. Further, as of that date, its current liabilities exceeded its current assets by Rs. 3,872.40 lakhs. The Company has defaulted in payment to lenders and as also mentioned in matter 3 above, one of the lenders has filed an

application before the NCLT demanding immediate repayment of loan outstanding from the Company. Further, the Company is unable to meet its expected cash flow projections in the current year as well in last year. These events and conditions cast significant doubt on the Company's ability to continue as a going concern. Pending finalization of discussion with the lenders for restructuring of loans, pending extension of concession agreement with Delhi Jal Board and favourable outcome of other measures as undertaken by the management as mentioned in the aforementioned note, we are unable to comment on whether the use of going concern basis of accounting for the preparation of the accompanying financial statements is appropriate.

- 5) As stated in Note 48 to the financial statements, the Company has entered into a concession agreement with Delhi Jal Board for the improvement and revamping of the existing water supply, transmission and distribution network under the command area of Nangloi Water Treatment Plant, Delhi on a Design, Build, Finance, Operate and Transfer ("DBFOT") basis and management has capitalised such rights as "License to charge grantor for water supply" which has a carrying value Rs. 22,642.75 lakhs as at 31 March 2022. The Company is not able to achieve its cash flow projections and projected profits in the current year as well as in earlier years, which indicate an impairment assessment in accordance with principles of Ind AS 36, Impairment of Assets. However, the management, based on its internal assessment, concluded that no impairment is required for the intangible rights of the Company. In the absence of sufficient and appropriate evidence to corroborate the assumptions and inputs used by the management in their impairment assessment, we are unable to obtain sufficient appropriate evidence to comment on any adjustment that may be required to the carrying value of the above mentioned intangible assets in the accompanying financial statements.
- 6) As stated in note 45 of the accompanying financial statements which describes that subsequent to the balance sheet date, an application has been filed in NCLT by the Administrator of SREI alleging certain matters including the relationship as undisclosed related party between the Company and SREI. The Company obtained a legal opinion based on which the management is of the view that the Company does not have any related party relationship as defined under the Insolvency and Bankruptcy Code, 2016 and the Act, and as a result, there shall not be any material implication on the Company from aforesaid proceedings. However, we are unable to obtain sufficient and appropriate audit evidence to conclude on assessment of significant influence exercised by such alleged related parties on the Company and accordingly, we are unable to comment on the appropriateness and completeness of disclosures made in the accompanying financial statements with respect to related parties as required under Ind AS 24, Related Party Disclosures, and on the compliance by the Company with applicable regulatory requirements including those under the Act, with respect to the transactions with such parties.

Responsibilities of Management for the Financial Statements

- 7) The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Act and other accounting principles generally accepted in India. - 9) Our responsibility is to conduct an audit of the Company's financial statements in accordance with Standards on Auditing specified under section 143 (10) of the Act and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.
- 10) We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('the ICAI') and provisions of the Act that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our ethical responsibilities in accordance with the Code of Ethics and the requirements under the Act.
