Please Note →

- The Subject property is partially demarcated, mostly on front and back side other 2 sides are not been demarcated ~~thoroughly~~ properly. When asked representative Mr. Anurag K. Mishra to demarcate the property with the help of Google Earth. He said he will not be able to demarcate this ~~the~~ land parcel as it is of irregular shape.
- So, we cannot able to demarcate the property, representative asked to Consider Deeds & provided plan for the ^{land area} "reference". When asked why property is not demarcated properly, he said Company is demarcating land parcel as per their need and expansion of plant.
- Some land parcel on left & right side of property may be merged with other property and some ^{other's} land parcel can also lie under the covered area of the plant.
- The Construction of Internal Road and some blocks are also not marked exactly as per provided Map. (Though we have tried to measure most of the blocks/sheet by ourself with help of Distometer & Google Earth (As per requirement)).
- There are many temporary construction/sheds found at site for use of labour Hutments, Contractors offices/stores etc (As per representative they also told us there will be demolished later on).
- Many ~~the~~ Building/Blocks work, Excavation work are under WIP.
- There are multiple ~~the~~ Building/Blocks present at site which are not clearly mentioned or bifurcated in Map provided by client. When asked to provide a proper Building sheet they are unable to provide those along with other documents like factory approval, tax, EB etc. (Representative told us to collect this with their Head office).
- Some Building/Blocks are in WIP and some are completed which were not updated in Google Earth.
- We have taken measurement and photographs of ~~most~~ of the Building/Blocks ^{only} mentioned in separate ~~separate~~ building sheet. (Though some blocks may be left out as such a big plant of 96.28 Hectare can not be practically possible to measure).
- Requesting file preparer to keep all the above point in mind while preparing file and request file reviewer to arrange further documents if required (you can also contact us, if any assistance needed from ~~our~~ end).
