

LIST OF CUSTOMERS FOR BIOMASS PELLETS

In order to promote and develop sustainable supply chain of biomass pellets and enable faster pellet procurement by power utilities, Ministry of Power (MoP) vide letter No,11/86/z}2t-fh. U [C.No:238797) dated 16th June, 2023 issued 'Modification of Revised Policy for Biomass Utilization for Power generation through Co-firing in Coal based Power Plants' and make it mandatory for the thermal power plants of all categories (central govt., state govt., Pvt) to use the biomass pellet to replace 5-7% of coal.

Below are List of potential customers for Biomass Pellet.

National Thermal Power Corporation (NTPC): NTPC DADRI UNIT shall be our potential as they need huge biomass pellet to meet their 5% obligation under the biomass policy. Apart from the NTPC various state owned Thermal Power Plants has also got the mandate to use Biomass Pellet therefore, they are also our potential customers.

INDUSTRIES: Various industries in and around Chandausi Moradabad or in Delhi NCR including food processing, textiles, paper and pulp, and brick kilns, use biomass pellets as a replacement for fossil fuels in their production processes and they are our potential customers

COMMERCIAL UNITS Hotels, hospitals, educational institutions, and other commercial establishments with high energy requirements for heating and hot water now considering biomass pellets as a sustainable and cost-effective alternative to conventional fuels like diesel or LPG. They are also our Potential Customers.
