Dear Nischay,

Hope this email finds you well.

Please find the list of points/tasks to be covered during the site visit of **"Skylimit Research Private Limited"** for the purpose of TEV study:

1. Current status of the project
2. Check approved building plan
3. Check layout plan for number of beds and medical equipments that can be accommodated in the premises
4. Check civil work cost per sq. feet/ sq. meter for the project
5. List of plant & machinery arrived at site & cross checking of the same (kindly have a copy of proposed plant and machinery as per project report)
6. Current Status of building & Civil Works
7. Current status of statutory approvals (kindly obtain copy of approvals/application)
8. Copy of architecture agreement for architectural design service
9. Check nearby whereabouts and available amenities
10. Check nearby hospitals
11. Target Market/ regions/ customers
12. Google Coordinates
13. Site Pictures.
14. Location Advantages.
15. Status of utilities road, water, electricity etc
16. Comment on any other observations seems to be reasonable for TEV purposes at your end

Kindly go through the details about the proposed CRO unit and other technicalities for confidence building during survey and discussions.
