No. *4450* /TS/MPPCB/2011
To,

Date: *20-5-11*

✓ M/s. A2Z Infrastructure Ltd.
Plot No. 44, Sector- 32,
Institutional Area,
GURGAON - 122 001 (Haryana)

Sub: **Permission to establish the Integrated MSW Management Project.**

- Ref: 1. Your application No. A2Z/INDORE/24/11-12, dated: 03/05/11.
2. Technical presentation by project proponent on dt. 05/05/11.

-:-:-:-:-

Without prejudice to the powers of this Board under the Water (Prevention & Control of Pollution) Act, 1974 and without reducing your responsibilities under the said Act, and after going through your proposal for achieving the effluent, the Board grants you permission, **ONLY FOR ESTABLISHMENT of operating MSW processing plant at Nemavar Road, Near Bypass, Dev Guradia, Indore (M.P.)** for following purpose :-

This permission is valid for collection, storage, segregation, transportation, processing and disposal of municipal solid waste 600 MT/day.

SUBJECT TO FOLLOWING CONDITIONS :

1. The total quantity of the industrial and domestic effluent shall not exceed 08 m³/day and project proponent shall provide ETP/STP to treat industrial/domestic effluent upto prescribed limits of CPCB norms.
2. Project proponent shall ensure that municipal solid waste shall be transported in the covered lorries. Loaded waste shall be covered with HDPE sheet.
3. Project proponent shall check leakages prior to loading. Body of lorry shall be leakproof or it should be lined at bottom bitumen. Slurry waste shall transported in containers only.
4. Project proponent shall spray water to suppress the dust during transportation, loading/unloading and segregation.
5. The industry shall ensure that the treated effluent quality meets the standards prescribed by the Board and notified in the M.P. Gazette dated: 25/03/88. The whole quantity of treatment effluent shall be utilised within facility premises for plantation/horticulture etc.

☎ {0755} 2464428, 2466191 Fax : {0755} 2463742 e-mail: it.mppcb@rediffmail.com

6. Personal protection equipments should be provided and the labourers should be given primary training.
7. The project proponent shall install separate electric metering arrangement for running of pollution control devices.
8. Project proponent shall treat municipal solid waste on regular basis. If waste is lying on the existing site location, same shall be clear as per the plant layout and levelling the ground.
9. Ambient air quality at the boundary of the project site shall conform to the norms prescribed in MoEF gazette notification no GSR/826(E), dated: 16/11/09. Some of the parameters are as follows :

a.	Particulate Matter (less than 10 micron)	-	100	microgram/cubic meter
	(PM ₁₀ mg/m ³ 24 hrs. basis)			
b.	Particulate Matter (less than 2.5 micron)	-	60	"
	(PM ₂₅ mg/m ³ 24 hrs. basis)			
c.	Sulphur Dioxide [SO ₂] (24 hrs. Basis)	-	80	"
d.	Nitrogen Oxides [NOx] (24 hrs. Basis)	-	80	"
e.	Carbon Monoxide [CO] (2 hrs. Basis)	-	2000	"
10. Project proponent shall also make provisions to comply with prescribed norms of air pollutants given in MSW Rules, 2000.
11. Project proponent shall adequate measures to control dust emission. The compost plant shall be provided with adequate dust control system such as cyclones, bag filters to control dust emission.
12. Project proponent shall make adequate arrangement to control noise pollution during construction phase.
13. Project proponent shall make suitable arrangement for handling and disposal of solid waste and as per MoEF guidelines.
14. Environmental Cell with technically qualified personnel shall be setup under the control of Senior Executive.
15. Project proponent shall provide fire protection system, communication system power distribution system roads, pavement, drains at site.
16. The project proponent shall install acoustic enclosure/canopy in D.G. Set to control the noise pollution. The ambient noise level shall not exceed the limit 75 dB [A] during the day time and 70 dB [A] during the night time.
17. Project proponent shall comply with all the relevant acts/rules, directions, guidelines, notifications issued by MoEF/CPCB/MPPCB from time to time as required and, if applicable
