INDEPENDENT AUDITORS' REPORT

TO

THE MEMBERS OF HARDOLI PAPER MILLS LIMITED

1. We have audited the accompanying standalone financial statements of Hardoli Paper Mills Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2020, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year ended and the notes to the financial statements, including summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian accounting standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2020, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

2. **Basis for opinion**

We conducted our audit in accordance with the standards on Auditing specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

Sr. No.	Key Audit Matter	AUDITOR'S RESPONSE
1	<p>The company's revenue is derived from sales of Kraft paper of different sizes, quality etc. The company recognize the revenue, when the control is transferred to the customer.</p> <p>The application of the revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. We identified the recognition of revenue as a key audit matter because revenue is one of the key performance indicators of the Company and is, therefore, subject to an inherent risk of misstatement to meet targets or expectations and because errors in the recognition of revenue could have a material impact on the Company.</p>	<p>Our audit procedures to assess the recognition of revenue included the following:</p> <ul style="list-style-type: none"> • Evaluating the design, implementation and operating effectiveness of key internal controls over the existence, accuracy and timing of revenue recognition; • Performing substantive test of details over revenue recognized throughout the period by selecting a sample of transactions to ensure that the samples selected meet the revenue recognition criteria and are appropriately recorded; • Tested sample transactions around the period end to ensure they were recorded in the correct period; and • Tested journal entries posted to revenue accounts focusing on unusual or irregular items, if any.

4. **Other Information**

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the other information included in Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon and we do not express any form of assurance conclusion thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITORS' REPORT (Contd.)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

5. **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process

6. **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with the all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

INDEPENDENT AUDITORS' REPORT (Contd.)

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

7. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), issued by the Central Government of India in exercise of powers conferred by sub-section 11 of section 143 of the Act, we enclose in "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. Further to our comments in Annexure A, as required by sub-section 3 of Section 143 of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT- 31st MARCH 2020

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Hardoli Paper Mills Limited (“the Company”) as of 31st March 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

1. Management’s Responsibility for Internal Financial Controls

The Company’s Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

2. Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial control system over financial reporting.

3. Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

4. Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

5. Opinion

In our opinion, the Company has, in all material respects, an internal financial controls with reference to financial statements over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020

NOTE 1: BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

I. Corporate Information

Hardoli Paper Mills Limited (the Company), is incorporated on 24th February, 1995 as a Public Limited Company under the Companies Act, 1956. The company manufactures Kraft paper of various grades which are used as packing material. The Company sells the Kraft Paper directly to various parties and through network of dealers in the domestic market. The Company's equity shares are listed on Metropolitan Stock Exchange of India in the financial year 2017-18.

II. Basis of preparation

a. Compliance with Ind AS.

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The accounting policies are applied consistently to all the periods presented in the financial statements.

b. Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

1. Factory Land and Building of Property plant and equipment which were revalued in FY 2017-18 and no material change in the fair value of current financial year.
2. Defined benefit plans – plan assets measured at fair value.

c. Current and non-current classification

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (not exceeding 12 months) and other criteria set out in the schedule III of the act.

III. Use of estimates and judgment's.

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognized in the period in which the results are known/ materialized.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Estimation of uncertainties relating to the global health pandemic from COVID-19

The Company, as at the date approval of these financial results has considered internal and external sources of information, in assessing the possible effects that may result from the global health pandemic relating to COVID-19 on the carrying amounts of loans, investments, receivables and other assets. As on the date of approval of these financial results, the Company has concluded that the impact of COVID - 19 is not material based on these estimates and expects to recover the carrying amount of these assets. The impact of COVID-19 on the Company's Financial Statements may differ from that estimated as at the date of approval of these financial statements.

IV. Revenue recognition

The Company earns the revenue primarily from the manufacturing of various grades of Kraft Papers.

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably.

Revenue comprises the fair value of the consideration received or receivable for the sale of goods and services in the ordinary course of the Company's activities. Revenue is shown net of GST, returns, rebates and discounts.

Income from services rendered is recognized based on agreements/ arrangements with the customers as the service is performed in proportion to the stage of completion of the transaction at the reporting date and the amount of revenue can be measured reliably.

Interest income is recognized using the effective interest rate (EIR) method.

PSI Subsidies, Incentives are recognized when the right to receive credit as per the terms of the scheme is established after the receipt of provisional sanction from the District Industries Centre and when there is certainty of realization.

V. Property, plant and equipment

Property, Plant and Equipment are stated at cost net of GST, if any and subsequently at cost less depreciation and impairment losses if any.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020
(Contd.)**

Freehold Land & Factory Building

Freehold land is stated at fair value. Factory Building is stated at fair value. Fair values of land and building are estimated by management with the useful life of 30 years in case of building. Management estimate is based on the valuation report dated 5th October 2017 issued by an independent professional valuer. As per the management estimation there is no material change in the fair value as of Free Hold Land & Factory Building as on 31st March 2020.

Factory Building is stated at fair value less depreciation as stated above.

Other Property, plant and equipment

All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Capital Work-in-Progress

Capital work-in-progress includes assets under construction and cost attributable to construction of assets not ready for use before the year end.

Depreciation methods, estimated useful lives and residual value

Depreciation is provided on a pro-rata basis on the straight line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013 with the exception of the following:

- i) Plant and equipment is depreciated over 15 years based on the technical evaluation of useful life done by the management.
 - ii) Assets costing ₹ 5,000 or less are fully depreciated in the year of purchase. Freehold land is not depreciated.
- The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

VI. Inventories

Inventories of Raw Materials, Work-in-Progress, Stores and spares, Finished Goods, Stock-in-trade and Property under development are stated 'at cost or net realizable value, whichever is lower'. Goods-in-Transit are stated 'at cost'. Cost comprises of all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

a. Raw Materials

These inventories are valued at lower of cost or realizable value. Cost is determined on First-in-First-Out basis.

b. Stores, Spares, Packing Materials & Consumables

These inventories are valued at lower of cost or realizable value. Cost is determined on First-in-First-Out basis.

c. Manufactured Finished Goods

These inventories are valued at lower of cost or net realizable value. The cost of finished goods comprises of materials, direct labour, other direct costs and related production overheads. Cost of materials is determined on First-in-First-Out basis.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

VII. Foreign currency transactions

Transactions in the foreign currencies are accounted at functional currency, at the exchange rate prevailing on the date of transactions. Gains/losses arising out of the fluctuations in the exchange rate between functional currency and foreign currency are recognized in the Statement of Profit & Loss in the period in which they arise. The fluctuations between foreign currency and functional currency relating to monetary items at the year ending are accounted as gains/losses in the statement of Profit & Loss.

VIII. Lease

Operating Lease:

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company, as lessee, are classified as operating leases. Payments made under operating lease is charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increases.

IX. Financial Instruments:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instruments. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020 (Contd.)

loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized in profit or loss.

Non-derivative financial instruments:

- a. **Cash and cash equivalents**
The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.
- b. **Financial assets at amortised cost**
Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- c. **Financial assets at fair value**
Financial asset not measured at amortised cost is carried at fair value through profit or loss (FVTPL) on initial recognition, unless the company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investment in equity instruments which are not held for trading.
Financial asset at FVTPL are measured at fair values at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss.
- d. **Financial liabilities**
Financial liabilities are subsequently carried at amortised cost using the effective interest rate method or at FVTPL. Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised in a business combination, or is held for trading or it is designated as FVTPL. Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit and loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

X. Borrowings

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

XI. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred and reported in finance costs.

XII. Provisions, contingencies and commitments

- a. Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, and it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.
- b. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).
- c. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.
- d. A disclosure for contingent liabilities is made where there is-
 - i. a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
 - ii. a present obligation that arises from past events but is not recognized because:
 - a. it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - b. the amount of the obligation cannot be measured with sufficient reliability.
- e. Contingent Assets are neither recognised nor disclosed in the financial statements.
- f. Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting period.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020
(Contd.)**

XIII. Employee benefits

The Company has following post-employment plans:

i. Defined benefit plans - gratuity

- a. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of defined benefit obligations at the end of the reporting period less fair value of plan assets. The defined benefit obligation is calculated annually by actuaries through actuarial valuation using the projected unit credit method.
- b. The Company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss.
Service costs comprising current service costs, past-service costs, gains and losses on curtailment and non-routine settlements.

Net interest expense or income:

- c. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expenses in the statement of the profit & loss.
- d. Re-measurement comprising of actuarial gains and losses arising from Re-measurement of Actuarial gains/ (losses) Return on plan assets, excluding amount recognized in effect of asset ceiling Re-measurement arising because of change in effect of asset ceiling are recognised in the period in which they occur directly in other comprehensive income. Re- measurements are not reclassified to Statement of Profit and Loss in subsequent periods.
- e. Ind AS 19 requires the exercise of judgment in relation to various assumptions including future pay rises, inflation and discount rates and employee and pensioner demographics. The Company determines the assumptions in conjunction with its actuaries, and believes these assumptions to be in line with best practice, but the application of different assumptions could have a significant effect on the amounts reflected in the income statement, other comprehensive income and balance sheet. There may be also interdependency between some of the assumptions.

ii. Defined contribution plans - provident fund

It is accounted on accrual basis with the contributions to the Employee Provident Fund administered by the Central Government.

iii. Short-term and other long-term employee benefits

Short-term employee benefits are recognised as an expense at the undiscounted amount in the Statement of profit and loss of the year in which the related service is rendered.

XIV. Income tax

Income tax expense comprises current and deferred tax. It is recognized in profit and loss except to the extent that it relates to a business combination, or items recognized directly in equity or in OCI.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax is the best estimate of the tax amount expected to be paid or received that reflects uncertainty related to income taxes, if any. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

- a. Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.
- b. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.
- c. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.
- d. Deferred tax assets and liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets relate to the same taxable entity and same taxation authority.
- e. Minimum Alternate Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2020 (Contd.)

that the Company will pay normal income-tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal income-tax during the specified period.

XV. Earnings per share

Basic earnings per share is computed by dividing the profit/ (loss) for the year by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the profit/ (loss) for the year as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

XVI. Exceptional items

When items of income and expense within statement of profit and loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

B) Credit risk arising from trade receivables is managed in accordance with company's established policy with regard to credit limits, control and approval procedure. The company provides for expected credit losses on trade receivables based on simplified approach as per Ind AS 109 Under this Approach, expected credit losses are computed basis the probability of defaults over the lifetime of the asset. This allowance is measured taking into account credit profile of the customer, geographical spread, trade channels, past experience of defaults, estimates of future uncertainties etc. Further, management believes that the unimpaired amounts that are past due by more than 180 days are still collectible in full, based on historical payment behavior and extensive analysis of customer credit risk.
