Notes →

The property is within proper Industrial park named Panagash Industrial Park.

✓ Total Land Area found at site is 30.18 Acre.

Though before inspection I only got documents of 19.28 Acre, when I reached there and inspected the property

✓ I got to know that they got expansions and got possession of 5 Acre + 6.084 Acre^{extra} land portion which comes as a total of 30.364 Acre (when I asked for documents, they provided me possession certificate of extra lands (By WBIDCL))

✓ So maybe in bank only 19.28 Acre is mortgage ~~only~~, please clear the matter with file receiver what to consider for land area of valuation.

(I am providing all the documents along with this survey form which is received at site for your reference and doing the needful).

✓ I had also taken sample measurement from building sheet provided by clients ends.

~ please consider these points while preparing the file.
