

REPORT FORMAT: CL-1 | Version: 1.0\_2018

FILE No.: VIS (2024-25)-PL402-352-476

Date: 09-10-2024

- **REPORT NAME:** Cost Verification Report for machines which are proposed to be installed at Plot No. 70, Sector – 7, IIE SIDCUL, Haridwar, Uttarakhand.
- **PREPARED FOR ORGANIZATION:** State Bank of India, SME Branch, Haridwar, Uttarakhand
- **BORROWER COMPANY'S NAME:** M/s. Laksh Care Biotech
- **ASSET TYPE:** Pharmaceutical Machines & Accessories.
- **CURRENT LOCATION OF THE MACHINES:** Proposed to be installed at Plot No. 70, Sector – 7, IIE SIDCUL, Haridwar, Uttarakhand.

**TO WHOM IT MAY CONCERN**

S. NO.	PARTICULARS	DESCRIPTION
1.	Date of Survey	Not Applicable
2.	Date of Report	09-10-2024
3.	Documents provided for perusal	Quotations of the machines
4.	Current Location of the Machines	Plot No. 70, Sector – 7, IIE SIDCUL, Haridwar, Uttarakhand
5.	Borrowing Company	M/s. Laksh Care Biotech
6.	Type of Asset	Pharmaceutical machines & accessories
7.	Type of Assessment	Cost Verification
8.	Scope of Assessment	Cost Verification of the new equipment which are proposed to be purchased and installed by the company
9.	Year of Manufacturing	Yet to be purchased
10.	Total Project Cost	<b>Rs.3.49 Crore.</b> (Total project cost includes only the purchase cost as per the quotations / invoices / purchase orders provided by the company). <b>Excluding G.S.T.</b>

11.	Current Estimated Market Value	<p>The range of current market rates of such type of machinery &amp; equipment is verified from various suppliers and also from the public domain for the new machinery and equipment's.</p> <p>As per quotes received from market and online references, we are of the view that rate range for establishing the machinery of similar kind of machinery are available around <b>Rs.3.4 crore to Rs.3.6 crore.</b></p> <p>According to our observation, the rate as per the list of machinery and their total purchase price provided to us by the company/ bank are quite reasonable when compared to the rates of similar machines currently prevailing in the market.</p>
12.	Condition of Machines	The machines are yet to be purchased / installed.

#### OBSERVATIONS:

1. We have been provided with the copy of quotation mentioning cost of machines/ equipment by the borrower company.
2. As per the information provided by the company officials these machines are proposed to be installed at Plot No. 70, Sector – 7, IIE SIDCUL, Haridwar, and Uttarakhand.
3. We have contacted several suppliers for similar items and also did research on the public domain. Accordingly, we have got the quotation from the suppliers and found that the price given in the list of quotations provided to us is well within the price range of similar items available in the market and seems to be reasonable.
4. In this report, there can be some difference in the cost of some of the machines due to the cost of some of the auxiliary equipment and accessories.
5. Also, the installation cost of any equipment like labour cost varies according to the scope of work and it is not possible to calculate exact amount for any fabrication work. So, we have considered the same as mentioned in the quotations provided by the company.
6. Based on the information provided by the company (M/s. Laksh Care Biotech) and enquiries made by us in the open market and references found on the public domain for similar machines/equipment, it is certified that the total market cost for the procurement of similar type of machines of similar specifications should be around **Rs.3.4 Crore to Rs.3.6 Crore** and therefore the total purchase price of **Rs.3,49,98,607/- (Excl. GST)** (as per the quotations provided to us by the company) appears to be reasonable.

**Disclaimer:**

1. We can't comment about the current status of machines whether these are purchased, installed or in transit. This cost vetting is done only on the basis of quotations provided to us by the company and we don't recommend any sort of recommendation in our Report.
2. The estimated cost verification of item to item can't exactly match as per our vetting due to several market consideration. In some of the items it is lower while in some of the item's price comes to be higher but on an average the price as per list provided to us falls in the range as confirmed by us.
3. There can be variation in the estimated price if the specification & make of any items procured is different from the list provided to us during assessment.
4. The estimated cost verification is made based on the third-party information which has been replied upon in good faith.
5. The estimated price may vary at the time of actual procurement because of change in prices in the market for such kind of machinery/items for which we will not have any control. The cost vetting is only limited to the date of Report issued. We do not assume any responsibility in change of prices of the said machinery/items after this date.
6. This report doesn't include any work related to drawing, design, sketch plan, procurement of the machines.
7. Ownership and other legal point of view in respect of the asset is not considered in this report as same is out of scope of this report.
8. This report is made at the request of the Bank.

**For R.K Associates Valuers & Techno  
Engineering Consultants (P) Ltd.**

**FOR INTERNAL USE**

**TYPED BY: Manmohan**

**REVIEWED BY: Abhinav Chaturvedi**

## ANNEXURE:- I (COMPARISON LIST)

S. No.	Name	Specifications	Vendor	QTY (in nos.)	Amount shown by company (Excl. GST) (INR)	Market Rate as per RKA (INR)
1	Paste Cattle 100 ltr.	Complete assembly, Contact Parts - SS316, other parts - SS304	RP Engineering	1	2,05,000	3,25,000
2	Fluid Bed Dryer 120 Kg.		RP Engineering	1	9,95,000	10,00,000
3	Rapid Mixer Granulator 240 ltr.		RP Engineering	1	12,15,000	12,50,000
4	Multi Mill	With Vacuum Pump, Complete assembly, Contact Parts - SS316, other parts - SS304	RP Engineering	2	4,00,000	2,90,000
5	Sifter 32"	Complete assembly, Contact Parts - SS316, other parts - SS304	RP Engineering	1	1,50,000	1,25,000
6	Octagonal Blender 450 ltr.		RP Engineering	1	5,00,000	7,30,000
7	Coating Pan 48"	Complete assembly, Contact Parts - SS304	RP Engineering	1	8,15,000	9,70,000

Home Uncategorized Automatic Measuring/Dosing Cup Placement & Pressing Machine

**Automatic Measuring/Dosing Cup Placement & Pressing Machine Manufacturer, Supplier & Exporter in India**  
**₹650000.00**

Automatic linear measuring cup placement machine is suitable for irregular shapes of round bottles, Glass, Plastic, PET, LDPE, and HDPE Bottles.

Measuring/Dosing Cup Placement and Pressing Machine is suitable for placement of Measuring Cup on the sealed bottle. Specially Machine construction in Stainless Steel finish including machine M.S. frame structure with Stainless Steel Cladding/Enclosures. Machine is ideal for application in Pharmaceutical, Food, Pesticides, Cosmetic & Other Industries. Machine with user friendly operation to handle various type and size of bottles.

The Machine is equipped with Orientation type Cap Feeder or Vibratory type Bowl Feeder depending on cap shape and size. It provides continuous feeding of Measuring Cup / Cap for online operation.

**Terms & Conditions :-**

**Price Bases** : All prices given in this offer are net and Ex-works - Ahmedabad, unless otherwise stated.

**Delivery** : Within 10-12 Weeks from the date of receipt of technically & commercially clear order along with advance payment or receipt of approval for input dimensions, whichever is later.

**GST** : As Applicable

**Packing & Forwarding** :

- Packing charges are extra as mentioned in the offer or as actual.
- Transportation is to be borne by the consignee.
- Goods will be forwarded in the normal course and according to our usual practice in the absence of specific instructions with regard to packing or transporter.
- Our responsibility ceases once the goods are delivered on the board carrier.

**Insurance** : Transit Insurance against theft, pilferage, breakage, etc. will be arranged at extra cost at your explicit instruction, otherwise it will be assumed that goods are to be sent at your risk. Cost of such insurance will be as actual to be borne by the consignee.

**Payment** :

- 50 % advance along with purchase order and balance 50 % against Proforma Invoice before dispatch. All payments are to be secured by Demand Draft favoring NPM Machinery Pvt. Ltd., payable at Ahmedabad.
- Interest will be charged from the due date of invoice at the rate of 24 % p.a. on amount remaining unpaid after the due date.
- In case of documents negotiated through bank for collection, all bank handling and incidental charges shall be borne by the purchaser. Refusal to honor the documents for whatsoever reason shall be entirely at the purchaser's own risk and to Cost and Consequences.
- Ownership of the goods shall remain with us until the full invoice value of the goods is received by us.

**Commissioning** :

- For supervising and commissioning of the machine we will depute one of our engineers on chargeable bases. Customer will have to send a prior intimation of readiness of electrical and utility connections along with required materials.
- Rs. 4,500/- Per Man Day will be charged. Customer will reimburse to and fro 1st class fare from Ahmedabad to the destination, lodging and boarding expenses and other local expenses for the period of commissioning.
