*For calculating Gross Current Replacement Cost of the machines as on 01.11.2024, Whole Sale Price Index (WPI) is used issued by Department of Economic Advisor, Govt. of India.

OBSERVATIONS:

- We have been provided with the list of machines that had been purchased/ installed by the company and part financed by EXIM Bank.
- As per observation made during site survey, all the machines and accessories are installed and present at site except Differential PROBE DP-16K and Calibration Adapters for EFT which were sent by the company for calibration purpose for which we have received the copy of Gate Pass and the same is enclosed with the report also.
- Based on the information provided by the subject company (M/s. Mysore ESDM Cluster), it is certified that all the machines are purchased and installed at the above-mentioned site address.

Disclaimer:

1. *This Physical Verification report is stated on the basis of the site visit by the surveyor and we don't recommend any sort of recommendation in our Certificate.*
2. *As per physical inspection and observation made during site visit dated 27th October, 2024. Company has installed all the machines mentioned in the provided list.*
3. *This certificate doesn't include any work related to drawing, design, sketch plan, and technical specifications of the machines.*
4. *We have verified Invoices of machineries of value Rs. 1 lakh and above, Ownership and other legal point of view in respect of the asset in this report as same is out of scope of this certificate.*
5. *This certificate is made at the request of the Bank.*

Report on Service rendered:

In continuation of the earlier Report No. 1702, the following tests have been completed:

1. Full temperature range test of the Chamber from -100° C to 200° C has been conducted.
2. Vibration Step Stress up to 65Grms has been performed.
3. High temperature step stress test has been executed.
4. Ramp rate test has been carried out.
5. Verification of thermocouple functioning has been conducted.
6. Operational and Maintenance training has been provided to the user.
