4.	Guideline rate obtained from the Registrar's office (an evidence thereof to be enclosed)	the subject locality is between Rs.35,000/- to Rs.40,000/- per sq. yds. 3. The demand of properties of the size of 1200-1300 sq. yds. or above in this area is good while the demand of small properties of the size of 250-350 sq. yds. is not so much. 4. We also came to know that the subject property lies in the sector of HUDA now and authority have not allowed sub-division of these plots into smaller plots. 5. Maps for smaller plots are also not approved by authority now. 6. The subject locality is a good industrial area and is situated at a distance of about 400 mtr. from Eicher Chowk. 7. Demand for industrial plot/property is good in the subject locality. Therefore, considering all the above mentioned facts like size, shape, demand & Supply gap, location etc. we are on the view that market rate for commercial land would be around Rs.38,000/- per sq. yds. which we seems is reasonable. ii.	Concluding comments & Disclosures if any 1. During the discussion with property dealer we came to know that the subproperty lies in the sector of HUDA now and authority have not allowed division of these plots into smaller plots. 2. Maps for smaller plots are also not approved by authority now. 3. We have not been provided with the map of the subject property and suportion of Lintel is collapsed. And is unfit for living at presently. So we have not given any value for structure. 4. Presently the property market is not under a free market condition due Covid Pandemic disruption. Currently, as per the micro & macro material research, the demand for property is weak and the enquiries and transactions are negligible. In these uncertain times, people are likely to very cautious in their expenditures in general and are and will be averaged by their available liquidity in the acquisition of fixed assets like property if he gets a really good bargain, at a substantial discount to the reprevailing before the Covid Pandemic. Thus the Realizable Value in Report has been adopted based on this consideration.			and authority have not allowed sub- s. proved by authority now. proved by authority now. property and some proved by authority now.
