Subject: Proposal for Ax130i

Dear Mr Suny,

We thank you for your interest in Domino Products & Solutions.

Domino provides a complete range of high quality products and solutions to meet your Primary, Secondary & Tertiary coding needs.

Based on our discussions and understanding, we take pleasure in proposing our Ax130i.

As part of our Proposal, please find enclosed our Quotation along with Terms of supply.

We trust this proposal is in line with our discussions and meets with your approval. Should you have any questions or require any further information, please feel free to contact us.

Look forward to the privilege of adding value to your organisation in the area of coding.

Best regards

Vibhor Kumar

Quote Proposal

Installation:

Normal working hours are between 8.30am and 5.30pm, Monday to Friday, including travel time. Any additional work required will be charged at Domino standard rates.

Domino will be responsible for:

- Unpacking, configuring and installing the equipment specified within the quotation. This excludes modifications to the production line.
- Ensuring the equipment is performing to the specification detailed within the quotation.
- Providing appropriate operator instruction for the equipment purchased.

Well fine technology pvt ltd will be responsible for:

- Providing the required services such as power and air within 1 metre of the installation.
- Supply - 230 volts with proper ground. Earth leakage not to exceed 3V
- Placing the equipment at the site of the installation, or as required by the Domino technical personnel.
- Facilitating the access of the Domino technical personnel to the production site.
- Carrying out any drilling on the production floor or modifications to the production line.
- Making operators available for instruction on the installation date.
- Allowing the Domino technical personnel to stop the production line for an appropriate time in order for the installation set up to be carried out.

Domino Terms & Conditions Apply

Please note that deposit payment is required prior to printer build. Prompt payment of this invoice will avoid any delays in delivery.
