TO WHOMSOEVER IT MAY CONCERN

We, **Rayzon Solar Pvt. Ltd.**, enlisted in the **ALMM List**, hereby confirm that we manufacture solar modules for **Panasonic Life Solutions India Pvt. Ltd.** under the brand name **ANCHOR**. These modules are produced at our ALMM-enlisted manufacturing facility located at:

Block No. 94/1/1F, 94/1/3, 102/1, 103, 104, 105, 109, 110, 118, 119, 120, Kim Mandvi Road, Near Hariya Talav, B/H Aron Pipe, Kim Mandvi Road, Karanj, Surat - 394110, Gujarat, India.

The Panasonic module [AE14TXXXVHC16B5R (570Wp-585Wp)] is equivalent to Rayzon Solar's [RSXXX144TGC (570Wp-585Wp)], which is listed under the latest ALMM Order of Solar PV Modules issued by MNRE. We recommend incorporating ALMM-enlisted model numbers during the process of liaison and subsidy applications.

The Rayzon models [RSXXX144TGC (570Wp-585Wp)] are ALMM-enlisted and **BIS-approved** under the **R-Number: R-72002305**. The Anchor product [AE14TXXXVHC16B5R (570Wp-585Wp)] is a co-branded version of the Rayzon product [RSXXX144TGC (570Wp-585Wp)], and is **BIS-approved** under the **R-Number: R-72008460**.

This declaration serves as an official endorsement for facilitating liaising and subsidy applications. We encourage using this document to streamline the necessary processes or fulfill related documentation requirements.

Best Regards,

Jainesh Shah | QC Manager
