## TO WHOM SO EVER IT MAY CONCERNED

We, Panasonic Life Solutions India Pvt. Ltd., hereby state that we market our product – Solar Modules under the brand name of ANCHOR and get the solar modules manufactured from ALMM enlisted manufacturer Rayzon Solar Private Limited at their ALMM Enlisted factory situated at No lock No. 94/1/1F, 94/1/3, 102/1, 103, 104, 105, 109, 110, 118, 119, 120, Kim Mandvi Road, Near Hariya Talav, B/H Aron Pipe, Kim Mandvi Road, Karanj, Surat – 394110 Gujarat, India.

Panasonic Module "AE14TXXXVHC16B5R" (570Wp-585Wp) are equivalent to "RSXXX144TGC" (570Wp-585Wp) models of Rayzon Solar Private Limited., listed under the latest ALMM Order of Solar PV Modules issued by MNRE. We recommend incorporating ALMM enlisted model numbers during the process of liaisoning and subsidy applications.

Rayzon models [RSXXX144TGC (570Wp-585Wp)] are ALMM enlisted, and BIS Approved under the R- Number-R-72002305. Anchor Product - [AE14TXXXVHC16B5R (570Wp-585Wp)] is co-branded version of Rayzon product - [RSXXX144TGC (570Wp-585Wp)] and BIS Approved under the R- Number -R-72008460.

As always, Panasonic would be responsible for quality assurance as well as standard warranty conditions as submitted along with supply and updated on time-to-time basis.
