3. Attendance slip, proxy form and the route map of the venue of the Meeting are annexed hereto.
4. Corporate Members intending to send their authorized representative(s) to attend the Meeting in terms of Section 113 of the Companies Act, 2013, are requested to send the Company a certified true copy of the Board Resolution authorizing such representative to attend and vote on their behalf at the Meeting.
5. In case of joint holders attending the meeting, only such a joint holder who is higher in the order of names will be entitled to vote.

6. E-VOTING

In compliance with Section 108 of the Act, read with the corresponding rules, Regulation 44 of the LODR Regulations and in terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020, the Company has provided a facility to its members to exercise their votes electronically through the electronic voting (e-voting) facility provided by the Link Intime India Private Limited. (RTA). Members who have cast their votes by remote e-voting prior to the AGM may participate in the AGM but shall not be entitled to cast their votes again. The manner of voting remotely by members holding shares in dematerialized mode, physical mode and for members who have not registered their email addresses is provided in the 'Instructions for e-voting' section which forms part of this Notice.

The Board has appointed Mr. Ritesh Sharma of M/s R & J Co, Practicing Company Secretary (Membership No. ACS 55260), as the scrutinizer ("**Scrutinizer**") for conducting the e-voting process in a fair and transparent manner.

7. The facility for voting during the AGM will also be made available. Members present in the AGM who have not cast their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through poll papers during the AGM.
8. Members holding shares either in physical or dematerialized mode, as on cut-off date, i.e. September 19, 2024, may cast their votes electronically. The e-voting period commences on Tuesday, September 24, 2024 (9:00 a.m. IST) and ends on Thursday, September 26, 2024 (5:00 p.m. IST). The e-voting module will be disabled by RTA thereafter. Members will not be allowed to vote again on any resolution on which vote has already been cast.

9. The voting rights of members shall be proportionate to their share of the paid-up equity share capital of the Company as on the cut-off date, i.e. September 19, 2024. A person who is not a member as on the cut-off date is requested to treat this Notice for information purposes only.
10. Any person who acquires shares and become member of the Company after dispatch of the notice and holding shares as on the cut-off date may obtain the login ID and password by sending a request at [mt.helpdesk@linkintime.co.in](mailto:helpdesk@linkintime.co.in) or issuer / RTA.
11. In compliance with the Circulars, the Integrated Annual Report for 2023-24, the Notice of the 39th AGM, and instructions for e-voting are being sent through electronic mode to those members whose email addresses are registered with the Company / depository participant(s) (DP).
12. Mr. Bhavesh P. Sheth, Mrs. Soniya P. Sheth and Mr. Pravin V. Sheth are related to each other. Hence, they are interested in the item Nos. 2 and 5. The inter relation between them is mentioned in the explanatory statement. Save and except the above, none of the Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in any other business set out in the Notice.
13. The relevant details as required under Regulation 36(3) of SEBI (Listing obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and clause 1.2.5 of the Secretarial Standard on General Meeting ("SS-2") of the persons seeking appointment /re-appointment as Directors /Directors are provided in Annexure to this Notice.

15. TRANSFER OF SHARES PERMITTED IN DEMAT FORM ONLY:

As per Regulation 40 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), securities of listed companies can be transferred only in dematerialised form with effect from 1st April, 2019, except in case of transmission or transposition of securities. Further, SEBI vide its Circular dated 25th January, 2022, has mandated that securities shall be issued only in dematerialised mode while processing duplicate/ unclaimed suspense/ renewal/ exchange/ endorsement/ sub division/ consolidation/ transmission/ transposition service requests received from physical securities holders. In view of the above and to eliminate risk associated with physical shares and to avail various benefits of dematerialisation, Members are advised to dematerialise their shares held in physical form.

Members are accordingly requested to get in touch with any Depository Participant having registration with SEBI to open a Demat account or alternatively, contact Link Intime (India) Private Limited to seek guidance in the demat procedure. Members may also visit website of depositories viz. National Securities Depository Limited at <https://nsdl.co.in/faqs/faq.php> or Central Depository Services (India) Limited at <https://www.cdslindia.com/Investors/open-demat.html> for further understanding the demat procedure. The relevant documents referred above to in any of the items of the Notice are available for inspection by the members at the Registered Office of the Company on any working day during the business hours of the Company upto the date of the meeting and at the meeting.

16. ELECTRONIC DISPATCH OF NOTICE AND ANNUAL REPORT:

In accordance with the MCA General Circular Nos. 20/2020 dated 5th May, 2020 and 10/2022 dated 28th December, 2022 and SEBI Circular No. SEBI/HO/ CFD/PoD-2/P/CIR/2023/4 dated 5th January, 2023, the financial statements (including Board's Report, Auditors' Report or other documents required to be attached therewith) for the Financial Year ended 31st March, 2024 pursuant to section 136 of the Act and Notice calling the AGM pursuant to section 101 of the Act read with the Rules framed thereunder, such statements including

the Notice of AGM are being sent only in electronic mode to those Members whose e-mail addresses are registered with the Company/RTA or the Depository Participant(s). The physical copies of such statements and Notice of AGM will be dispatched only to those shareholders who request for the same. Members are requested to register/update their email addresses, in respect of electronic holdings with the Depository through the concerned Depository Participants and in respect of physical holdings with the Company or RTA by following due procedure. A copy of the Notice of this AGM along with Annual Report for the FY 2023-2024 is available on the website of the Company at <https://www.fiberwebindia.com>, website of the Stock Exchanges where the shares of the Company are listed i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively.

17. Members who hold shares in dematerialized form are requested to bring their CLIENT ID AND DP ID numbers for easy identification of attendance at the meeting. Only bona fide members of the Company whose names appear on the Register of Members / Proxy holders, in possession of valid attendance slips duly filled and signed along with the identity proof will be permitted to attend the meeting. The Company reserves its right to take all steps as may be deemed necessary to restrict non-members from attending the meeting.
18. Members seeking any information with regard to accounts of the Company are requested to send their queries so as to reach the registered office at least 10 days before the meeting to enable the management to keep the information ready for clarification.
19. Members holding shares in physical form and who have not updated their e-mail ids with the Company are requested to update their e-mail ids by writing to the RTA at rnt.helpdesk@linkintime.co.in along with the copy of the signed request letter mentioning the name and address of the Member, self-attested copy of the PAN card, and self-attested copy of any document (eg.: Driving License, Voter Identity Card, Passport) in support of the address of the Member. Members holding shares in dematerialised (demat) mode are requested to register/update their e-mail addresses with the relevant DPs.
20. The Ministry of Corporate Affairs (vide circular nos. 17/2011 and 18/2011 dated April 21 and April 29, 2011 respectively), has undertaken a Green Initiative in Corporate Governance and allowed companies to serve documents to its shareholders through electronic mode. Members are requested to support this green initiative by registering/updating their e-mail address, in respect of shares held in dematerialized form with their respective Depository Participants and in respect of shares held in physical form with company/its Share Transfer Agents.
21. In terms of provisions of Section 72 of the Companies Act, 2013, nomination facility is available to individual shareholders. The shareholders who are holding shares in physical form and are desirous of availing this facility may kindly write to the Company's **Share Transfer Agent, M/s. Link Intime India Private Limited, C 101, 247 Park, LBS Marg, Vikhroli West, Mumbai 400083** for nomination form quoting their folio number. Shareholders holding shares in the dematerialized form may contact their Depository Participant for recording nomination in respect of their shares.
22. **Norms for furnishing of PAN, KYC, Bank details and Nomination:**

Pursuant to SEBI Circular no. SEBI/HO/MIRSD/MIRSDPoD-1/P/CIR/2023/37 dated March 16, 2023, issued in supersession of earlier circulars issued by SEBI bearing nos. SEBI/HO/MIRSD/MIRSDRTAMB/P/ CIR/2021/655 and SEBI/HO/MIRSD/MIRSDRTAMB/P/CIR/2021/687 dated November 3, 2021 and December 14, 2021, respectively, SEBI has mandated all listed companies to record PAN, Nomination, Contact details, Bank A/c details and Specimen signature for their corresponding folio numbers of holders of physical securities. The folios wherein any one of the cited documents/details is not available on or after October 1, 2023, such folios shall be frozen by the RTA. However, the security holders of such frozen folios shall be eligible:

 - To receive any payment including dividend, interest or redemption amount (which would be only through electronic mode) only after they comply with the above stated requirements.

The forms for updation of PAN, KYC, Bank details and Nomination viz., Forms ISR-1, ISR-2, ISR-3, SH-13 and the said SEBI Circular are available on our website at <https://fiberwebindia.com//>

In view of the above, we urge Members holding shares in physical form to submit the required forms along with the supporting documents at the earliest. The Company has completed the process of sending letters to the Members holding shares in physical form in relation to the above referred SEBI Circular. Members who hold shares in dematerialised form and wish to update their PAN, KYC, Bank details and Nomination, are requested to contact their respective DPs.

Further, Members holding shares in physical form are requested to ensure that their PAN is linked to Aadhaar to avoid freezing of their folios. Such frozen folios shall be referred by RTA/Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002, after December 31, 2025.

23. SCRUTINISER FOR E-VOTING:

BUSINESS OUTLOOK:

The technical textile industry is an ever-evolving space that is increasingly facing pressure from environmental and sustainability perspectives. The technical textile industry has experienced unprecedented growth over the last few years and in coming years, it is likely to be higher than ever before. In 2023 and 2024, the world of technical textile saw major shifts in production, demand, and solutions. The past decade has seen immense growth in production - particularly with regard to technical textile. This surge of technical textile production has led to a rise in demand for innovative solutions - such as biodegradable plastic material that could mitigate the vast amounts of plastic waste currently plaguing our environment.

The company is undergoing the Spunlace project (Biodegradable) of ₹ 160 Crore. The project will become commercial and production will start in 2025. This project will over smart top line by nearly ₹ 250 Crores with high profitability.

This year has been quite encouraging on yearly basis. The Profit for the year ending 31.03.2024 is ₹ 736.10 Lacs as against Loss of ₹ 52.87 Lacs in previous year. Net Profit after Tax is ₹ 726.96 Lacs against Loss of ₹ 29.93 Lacs in previous year.

In view of the above facts, the earning per share of the face value of shares ₹ 10.00 each has gone up to ₹ 2.52 per share.

CONCLUSION:

The technical textile industry has more room to grow in the near future; potentially taking it to new heights where incredible levels of innovation could become commonplace within a wider range of applications.

The advancements in technology and improvements in cost management has allowed technical textile manufacturers to capitalize on these opportunities by offering high quality products at competitive prices. As an example, biodegradable plastics have been gaining traction due its ability to reduce waste and pave paths towards more responsible consumption patterns making it an unprecedented opportunity for companies wishing to capitalize on sustainability efforts or better yet, create new opportunities altogether.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

Economic Overview

The July 2024 World Economic Outlook by the IMF projects global growth to stabilize at 3.2% in 2024, following a 3.3% in 2023, with a slight uptick to 3.3% anticipated in 2025. This consistent growth is underpinned by robust expansions in emerging markets, particularly China and India, where growth is forecasted at 5.0% and 7.0%, respectively, for 2024. These figures highlight the significant contributions of these economies to global growth, despite challenges such as geopolitical tensions, which have led to disruptions in commodity prices and economic stability worldwide.

The persistent challenges of inflation, particularly in the services sector driven by wage increases, are complicating central banks' efforts to manage inflation without hindering economic growth. Also, the ongoing Red Sea crisis is causing significant disruptions in the global textile industry, leading to increased costs, delays, and supply chain concerns. Advanced economies, where growth is projected to remain moderate at around 1.7% in 2024, must carefully balance the implementation of policies aimed at curbing inflation without triggering a broader economic slowdown. In this complex environment, the importance of multilateral cooperation is crucial to managing these risks and ensuring long-term global economic stability.

"India took a big economic leap this year: The country ended fiscal year 2023 to 2024 with a big bang, surpassing all market estimates of GDP, with 8.15% year-over-year (YoY) growth."

India's economic growth surged by 8.15% year-on-year in the fiscal year 2023 to 2024, surpassing market expectations and maintaining an average annual growth of 8.3% over the past three years. Deloitte projects a GDP growth of 7.0% to 7.2% for the fiscal year 2024 to 2025, and 6.7% to 7.3% the following year, driven by expected improvements in global liquidity conditions driving private investments and exports. Noteworthy trends include an 8.1% increase in Indian exports, with significant growth in high-value manufactured goods such as pharmaceuticals and engineering products, signalling positive strides in global integration.

In the fourth quarter of fiscal 2023 to 2024, India witnessed an 8.9% growth in manufacturing, with a strong industrial production index indicating sustained momentum. Private consumption spending saw a notable uptick, and exports surged by 8.1%, particularly in high-value segments. The recent Union Budget addresses regional disparities, emphasizing strategic spending patterns to foster sustainable growth. With a focus on consumer preferences shifting towards discretionary goods and services, businesses are presented with new opportunities to tap into evolving spending patterns in both rural and urban markets, promising a dynamic and vibrant economic landscape for growth and expansion.

Outlook

In 2024, we are navigating a complex global economic landscape marked by inflationary pressures and uncertainties. Despite these challenges, we remain focused on maintaining financial health while pursuing sustainable growth through disciplined cost management and targeted investments. The Indian economy is set for continued growth, driven by manufacturing expansion, private consumption, and exports, particularly in high-value sectors. We are deploying tailored strategies across our business segments to enhance operational efficiency, strengthen supply chain resilience, and support innovation and market expansion. Emphasizing sustainability, we are accelerating investments in green technologies to reduce our environmental footprint and capitalize on opportunities in the green economy. This approach positions us advantageously in a dynamic and increasingly favorable economic environment, both globally and in India, as we continue to tap into emerging trends and expand our reach in both rural and urban markets.

Textile Industry Overview

The textile industry is a global sector producing yarn, fabric, and garments, including traditional textiles for fashion and technical textiles for industrial applications like automotive and healthcare. It is vital to both consumer and industrial markets.

The ongoing Red Sea crisis has introduced several challenges for the global textile industry, significantly impacting its operations:

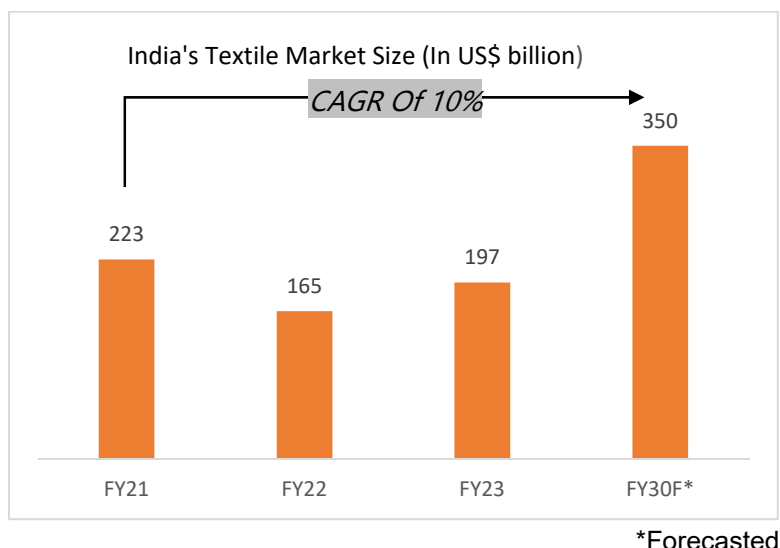

- Increased operational costs due to disrupted shipping lines, leading to higher expenses for textile merchants.
- Longer delivery times affecting companies like Adidas, H&M, and Danone.
- Significant supply chain concerns within the apparel industry.
- Geopolitical tensions between Israel and Hamas are at the root of these disruptions, impacting normal business operations in the region.

To navigate these challenges, textile manufacturers must monitor their supply chains closely and respond swiftly to emerging problems. Additionally, decision-makers should investigate ways to cut expenses to create budgetary flexibility in this volatile environment. Proactive measures are essential for maintaining resilience amidst ongoing disruptions.

The Indian textile industry, with its deep historical roots, has long been a key contributor to the nation's economy and global trade. Historically, India's textiles have been integral to international trade, valued for their quality, Craftsmanship, and diversity. Over time, the industry has undergone significant modernization, evolving into one of the largest and most diversified sectors in the global market. Today, India stands as the world's second-largest producer of textiles and garments, and the third-largest exporter in the textile and apparel space, playing a Critical role in both the domestic and global markets.

Currently, the Indian textile sector contributes 2.3% to the country's GDP, 13% to industrial production, and employs over 45 million people. The sector is projected to grow at a CAGR of 10%, reaching US\$ 350 billion by 2030. Export growth is similarly robust, with expectations to achieve US\$ 100 billion by 2030, reinforcing India's 4.6% share in global textile trade. In FY24, exports totaled US\$ 35.9 billion, reflecting the sector's resilience in a competitive global market.

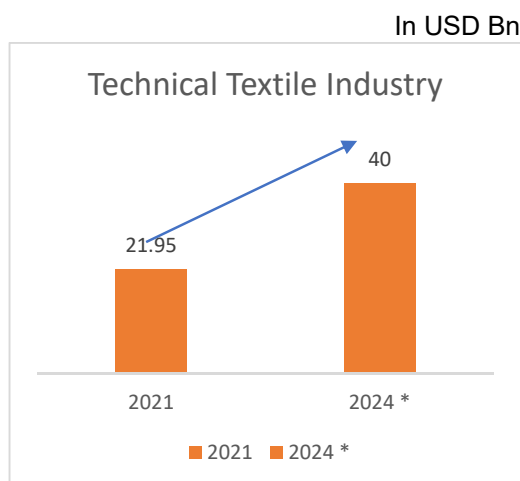

Strategically, the government's ₹ 10,683 Cr Production-Linked Incentive (PLI) scheme is set to boost domestic manufacturing, particularly in man-made fiber (MMF) and technical textiles, driving further expansion and innovation. With this support and an anticipated rise in global demand, India's textile exports are expected to reach US\$ 65 billion by FY26. As a result, the Indian textile industry is poised to solidify its leadership position in the global market, ensuring long-term growth and competitiveness in an increasingly dynamic economic environment.

India's Technical Textile Industry

The Technical Textile Industry is a promising sector with significant potential for growth and innovation. With a CAGR of 16.05%, India's technical textile market is the 5th largest in the world, offering a substantial 10% growth rate and increased penetration levels. The industry spans across various categories such as Agrotech, Meditech, Mobitech, Packtech, Sportech, Buildtech, Clothtech, Hometech, Protech, Geotech, Oekotech, and Indutech, catering to diverse needs in the healthcare and infrastructure sector.

The Government of India has been actively involved in promoting this industry by assigning Harmonized System Nomenclature codes, developing numerous technical textile products according to the Bureau of Indian Standards, and approving significant research proposals valued at US\$ 28.27 Mn under the National Technical Textile Mission.

Furthermore, the Indian government has unified the GST rate at 12% on man-made fabrics, MMF yarns, MMF fabrics, and apparel, effective from January 1, 2022. This, coupled with the dedicated corpus of ₹ 1,000 Cr for research and development, and the introduction of additional skill development courses under Samarth, signifies a strong focus on propelling the industry forward.

Additionally, the industry's substantial export figures for 247 technical textile items, amounting to ₹ 5,946 Cr between April-June (2023-24), demonstrate its growing global impact.

India's Textile Exports

During FY 2023-24, India's textile exports reached an impressive US\$ 35.90 billion, covering a broad range of products including ready-made garments (RMG), cotton yarns, fabrics, made-ups, handloom products, man-made yarns, handicrafts (excluding handmade carpets), carpets, and jute-based products. The country's RMG exports are poised for significant growth, projected to exceed US\$ 30 billion by 2027, with an estimated CAGR of 12-13%. The government's extension of the Rebate of State and Central Taxes and Levies (RoSCTL) scheme until March 2021 has been instrumental in boosting apparel and garment exports, enhancing the sector's global competitiveness.

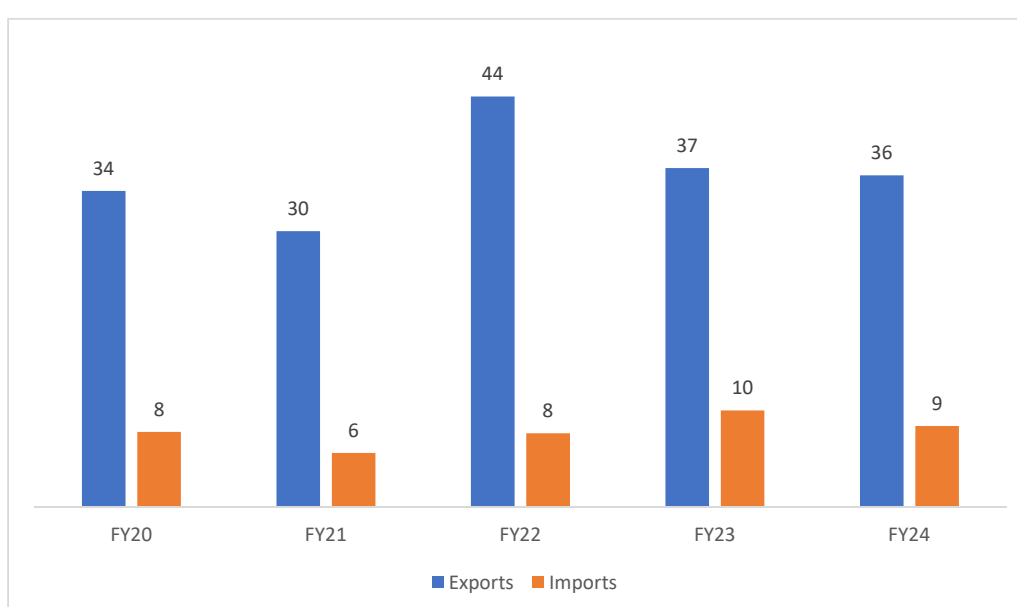

In a push to further strengthen the handloom sector, the government has taken proactive measures. In August 2021, Minister Piyush Goyal announced ambitious targets to increase the handloom sector's production capacity from ₹ 60,000 Cr (US\$ 8.06 billion) to ₹ 125,000 Cr (US\$ 16.80 billion) over three years, alongside boosting handloom exports from ₹ 2,500 Cr (US\$ 335.92 million) to ₹ 10,000 Cr (US\$ 1.34 billion). A committee comprising weavers, equipment makers, and marketing experts was also established to explore ways to enhance production and export capacities, ensuring sustainable growth in this labour-intensive segment of the industry.

Key Initiatives and Developments in the Textile Sector

In a major initiative to promote sustainability in the textile industry, a tripartite Memorandum of Understanding (MoU) was signed between the Textiles Committee under the Ministry of Textiles, the Government e-Marketplace (GeM) under the Ministry of Commerce and Industry, and the Standing Conference of Public Enterprises (SCOPE). This MoU focuses on promoting upcycled products made from textile waste and scrap, encouraging the adoption of environmentally friendly practices across the industry.

On the educational front, the academic year 2022-23 saw the inauguration of a new campus of the National Institute of Fashion Technology (NIFT) in Daman. Furthermore, construction is underway for new NIFT campuses in Bhopal and Srinagar, signalling the government's commitment to expanding education and fostering innovation in fashion and textile design.

Under the National Technical Textile Mission (NTTM), the government approved 74 research projects valued at US\$ 28.27 million (₹ 232 Cr) for specialty fibres and technical textiles. This initiative aims to boost innovation and promote the development of high-performance technical textiles in key sectors such as healthcare, infrastructure, and defence.

To enhance the global presence of Indian handloom products, the Handloom Export Promotion Council (HEPC) continues to actively participate in international fairs and events. These platforms help handloom exporters and weavers showcase their products to international buyers, promoting India's handloom tradition on a global scale under the National Handloom Development Programme (NHDP).

The Ministry of Textiles has also been implementing the Handloom Marketing Assistance (HMA) scheme as part of the NHDP. This initiative provides a marketing platform for handloom weavers and agencies, enabling them to directly engage with consumers and establish strong marketing channels through expos and events in both domestic and international markets.

In August 2021, the ONGC-supported Assam handloom project, 'Ujjwal Abahan,' was launched virtually by Minister of Petroleum & Natural Gas and Labor & Employment, Mr. Rameswar Teli. The project aims to support and train over 100 artisans in Bhatiapar, Sivasagar, Assam, empowering them in the traditional Hathkharga handicraft sector, further preserving and promoting Assam's rich handloom heritage.

Key Growth Drivers for the Technical Textiles Industry

- Growing demand for textiles that combine protection, durability, and fashion is boosting the adoption of technical textiles.
- Rising populations and aging demographics in emerging economies are driving demand for medical and building technologies.
- Advances in nano-fibers and nano-tubes are enhancing the strength and longevity of materials, fueling growth in technical textiles.
- Increased use of biometric garments for health monitoring is driving demand for smart textiles.
- Growing emphasis on sustainability is promoting the use of Geotech and Oekotech solutions, making technical textiles more affordable and accessible.
- The use of Geotech textiles in controlling soil erosion and supporting infrastructure projects is driving market growth.

Segment Performance

The Company operates primarily in the field of polymer processing, with all activities centered around this core business. As a result, the Company's operations are not segmented into distinct reportable segments. According to Ind AS 108 – Operating Segments (previously Accounting Standards 17), segment reporting is applicable when a company has multiple operating segments that require separate reporting. However, in the context of our business model, where polymer processing constitutes the sole focus, the Criteria for segment reporting are not met. Therefore, the Company does not provide segment-wise financial reporting, as there are no separate reportable segments within the organization.

INDEPENDENT AUDITOR'S REPORT

To the Members of
FIBERWEB (INDIA) LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Fiberweb (India) Limited** ('the Company'), which comprise the standalone balance sheet as at 31 March 2024, the statement of profit and loss (including Other Comprehensive Income, if any), standalone statement of cash flow and standalone statement of changes in equity for the year then ended and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2024, and its profit, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors;
- Conclude on the appropriateness of management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, based on our audit we report that;
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this report are in agreement with the books of accounts;
 - d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
 - e) On the basis of the written representations received from the directors as on 31 March 2024 and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matter to be included in the Auditors' Report under section 197(16), as amended, in our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 read with Schedule V of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

- i) The Company has disclosed the impact of pending litigation on its financial position as at 31 March 2024 - Refer note 34 to the standalone financial statements;
- ii) The Company has made provision as at 31 March 2024, as required under the applicable law or Ind AS, for material foreseeable losses, if any, to the standalone financial statements;
- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024;
- iv) a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
- b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) of the Companies (Audit and Auditors) Rule, 2014 as provided under (a) and (b) above, contain any material misstatement; and
- v) The dividend, if any declared or paid during the year by the Company is in compliance with Section 123 of the Act, as applicable.
- vi) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended 31st march, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all the relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1st April, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March, 2024.

Annexure A to the Independent Auditor's Report

{Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Fiberweb (India) Limited}

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i) In respect of the Company's Property, Plant and Equipment :
 - a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment
 - B. The Company does not have intangible assets hence reporting under clause 3(i)(a)(B) is not applicable.
 - b) The Company has a program of physical verification of Property, Plant and Equipment, so as to cover all the assets once every three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, a portion of the Property, Plant and Equipment has been physically verified by the management during the year. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
 - c) According to the information and explanations given to us and based on the examination of the registered sale deed / transfer deed / conveyance deed / share certificate / other documents evidencing title, we report that the title deeds of all the immovable properties (other than properties where company is the lessee and the lease agreement are duly executed in favour of the lessee) as disclosed in the standalone financial statements, are held in the name of the Company under Property, Plant and Equipment as at the balance sheet date.
 - d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued any of its Property, Plant and Equipment during the year.
 - e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated during the year or are pending against the Company as at 31 March 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii) a) The inventory, except goods-in-transit and goods lying with third parties, has been physically verified by the management at reasonable intervals during the year. The coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and nature of its operation. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account. In respect of inventory lying with third parties at year end, these have substantially been confirmed by them.
- b) According to the information and explanation given to us and on the basis of our examination, the Company has not been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets. Accordingly, clause 3(ii)(b) of the Order is not applicable to the Company
- iii) According to information and explanations given to us the Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or

unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, paragraph 3(iii) of the Order is not applicable to the Company.

- iv) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- v) The Company has not accepted any deposit or amounts which are deemed to be deposits from the public as per the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act and the rules made thereunder and hence, reporting under clause 3(v) of the Order is not applicable.
- vi) We have broadly reviewed the records maintained by the Company pursuant to the rules prescribed by Central Government for maintenance of cost records under Section 148 (1) of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the records with a view to determine whether these are accurate or complete.

vii) In respect of statutory dues:

- (a) Undisputed statutory dues including provident fund, income tax, goods and service tax, sales tax, service tax, duty of customs, duty of excise, cess, professional tax and other material statutory dues, as applicable, the Company is generally been regularly deposited by it with the appropriate authorities.

There are no undisputed amounts payable in respect of provident fund, income tax, goods and service tax, sales tax, service tax, duty of customs, duty of excise, cess, professional tax and other material statutory dues in arrears as at 31 March 2024 for a period of more than six months from the date they became payable.

- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31st March, 2024 on account of any dispute are given below:

Name of the statute	Nature of the dues	Amounts (₹ in Lakhs)	Period to which the amount relates	Forum where the dispute is pending
Customs Act, 1962	Anti-dumping duty	152.78	August 2009 to March, 2015	The Customs, Excise and Service Tax Appellate Tribunal, Ahmedabad
Central Excise Act, 1944	Central Excise duty	17.45	August 2009 to March, 2015	
Customs Act, 1962	Custom duty	294.85	August 2009 to March, 2015	
Income Tax Act, 1961	Income Tax	21.63	A.Y. 2022-23	The Commissioner of Income Tax (Appeals)

- viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.

- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x) (a) The Company has not raised any money by way of initial public offer, further public offer (including debt instruments) and term loans during the year. Accordingly, the paragraph 3(x)(a) of the Order is not applicable to the Company.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with related parties are in compliance with the provisions of Sections 177 and 188 of the Act, where applicable and the details of such related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standard.
- xiv) a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi) a) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, paragraph 3 (xvi)(a) of the Order is not applicable to the Company.
- b) The company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934 and accordingly the clause 3(xvi)(b) is not applicable.

- c) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(c) of the Order is not applicable.
- d) According to the information and explanations provided to us during the course of audit, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC.

xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

xviii) There has been no resignation of the statutory auditors of the Company during the year.

xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amounts for the year requiring a transfer to a fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of Section 135 of the Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

Annexure B to the Independent Auditors' Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Fiberweb (India) Limited of even date)

Report on the internal financial controls over financial reporting under Clause (i) of Sub- section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls with reference to standalone financial statements of Fiberweb (India) Limited ("the Company") as of 31 March 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit on Internal Financial Control over financial reporting ('the Guidance Note') issued by ICAI and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with

authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024****1. Corporate information**

Fiberweb (India) Limited ("Company") is a public limited company incorporated and domiciled in India. Its shares are listed on Bombay Stock Exchanges. The Registered office of Company is located at Airport Road, Kadaiya, Nani Daman, Daman (U.T) 396210. The Company is primarily engaged in the business of manufacturing of Spunbond and Melt-blown Nonwoven Fabrics from polypropylene.

2. Basis of preparation of financial statements**2.1. Statement of Compliance**

These standalone financial statements of the Company have been prepared in all material aspects in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified under section 133 of the Companies Act, 2013 ('The Act') read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and accounting principles generally accepted in India.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013.

2.2. Basis of measurement

These standalone financial statements are prepared under the historical cost convention unless otherwise indicated.

2.3. Use of estimate and judgments

The preparation of standalone financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods. Assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ended 31 March 2024 are as follows

2.3.1. Property, plant and equipment

Determination of the estimated useful life of property, plant and equipment and the assessment as to which components of the cost may be capitalized. Useful lives of tangible assets are based on the life prescribed in Schedule II of the Act. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support.

2.3.2. Allowance for uncollected accounts receivable and advances

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management seems them not collectible. Impairment is made on the expected credit loss model. The impairment provisions for financial assets are based on assumption about risk of default and expected loss rates. Judgment in making these assumptions and selecting the inputs to the impairment calculation

are based on past history, existing market condition as well as forward looking estimates at the end of each reporting period.

2.3.3.Allowances for inventories

Management reviews the inventory age listing on periodic basis. The review involves comparison of the carrying value of the aged inventory items with the respective net realizable value. The purpose is to ascertain whether an allowance is required to be made in the standalone financial statement for any obsolete and slow-moving items.

2.3.4.Recognition of deferred tax assets and income tax

Deferred tax asset is recognized for all the deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilized. The management assumes that taxable profits will be available while recognizing deferred tax asset/liability. Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each balance sheet date the carrying amount of deferred tax asset/liability. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the standalone financial statements.

2.3.5.Recognition and measurement of other provisions

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may, therefore, vary from the figures included in other provisions.

2.3.6.Contingencies

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

3. Functional and Presentation Currency

The financial statements are presented in Indian Rupees which is the functional currency for the Company.

4. Current / non-current classification

The Company classifies any asset as current when-

- (a) It expects to realize the asset, or intends to sell or consume it, in its normal operating cycle;
- (b) It holds the asset primarily for the purpose of trading;
- (c) It expects to realize the asset within twelve months after the reporting period; or
- (d) The asset is cash or a cash equivalent unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

Otherwise as non-current.

The Company classifies any liability as current when-

- (a) It expects to settle the liability in its normal operating cycle;

- (b) It holds the liability primarily for the purpose of trading;
- (c) The liability is due to be settled within twelve months after the reporting period; or
- (d) It does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Otherwise as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

5. Operating Cycle

An operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

6. Significant Accounting Policies

6.1. Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at cost less accumulated depreciation and impairment loss, if any.

Cost includes purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates these components separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied.

All other repair and maintenance costs are recognized in the statement of profit or loss as incurred.

Capital work-in-progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest, if any.

Property, plant and equipment are derecognized either on disposal or when the asset retires from active use. Losses arising in the case of the retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognized in the statement of profit and loss in the year of occurrence.

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on the property, plant and equipment is provided on straight line method, over the useful life of the assets, as specified in Schedule II to the Companies Act, 2013. Property, plant and equipment which are added / disposed of during the year, depreciation is provided on pro-rata basis.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

6.2. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

Classification:

The Company classifies financial assets as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit or loss, on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement:

All financial assets (not measured subsequently at fair value through profit or loss) are recognized initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement:

For the purpose of subsequent measurement, financial assets are classified in two broad categories:

- Financial assets at fair value (FVTPL /FVTOCI)
- Financial assets at amortized cost

When assets are measured at fair value, gains and losses are either recognized in the statement of profit and loss (i.e. fair value through profit or loss (FVTPL)), or recognized in other comprehensive income (i.e. fair value through other comprehensive income (FVTOCI)).

Financial Assets measured at amortized cost (net of write down for impairment, if any):

Financial assets are measured at amortized cost when asset is held within a business model, whose objective is to hold assets for collecting contractual cash flows and contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest. Such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method less impairment, if any. The losses arising from impairment are recognized in the Statement of profit and loss.

Financial Assets measured at Fair Value through Other Comprehensive Income ("FVTOCI"):

Financial assets under this category are measured initially as well as at each reporting date at fair value, when asset is held within a business model, whose objective is to hold assets for both collecting contractual cash flows and selling financial assets. Fair value movements are recognized in the other comprehensive income.

Financial Assets measured at Fair Value through Profit or Loss ("FVTPL"):

Financial assets under this category are measured initially as well as at each reporting date at fair value with all changes recognized in profit or loss.

Investment in Subsidiary:

Investment in equity instruments of Subsidiaries are measured at cost. In the financial statements, investment in subsidiaries is carried at cost. The carrying amount is reduced to recognize any impairment in the value of investment.

Derecognition of Financial Assets:

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Impairment of Financial Assets:

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments and trade receivables.

Financial Liabilities:

Classification:

The Company classifies all financial liabilities as subsequently measured at amortized cost or FVTPL.

Initial recognition and measurement:

All financial liabilities are recognized initially at fair value and, in the case of loans, borrowings and payables, net of directly attributable transaction costs.

Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

Derecognition of Financial Liabilities:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

6.3. Inventories

Raw materials and packing materials are valued at lower of cost and the net realizable value, cost of which includes duties and taxes (net of Goods and Service Tax wherever applicable). Cost of imported raw materials and packing materials lying in warehouse includes the amount of customs duty. Finished products and work-in-progress are valued at lower of cost and net realizable value. Cost is arrived on moving weighted average basis.

The cost of Inventories have been computed to include all cost of purchases, cost of conversion, appropriate share of fixed production overheads based on normal operating capacity and other related cost incurred in bringing the inventories to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses necessary to make the sale.

6.4. Cash and Cash Equivalents

Cash and Cash Equivalents comprise of cash on hand and cash at bank including fixed deposit/highly liquid investments with original maturity period of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

6.5. Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flow from operating, investing and financing activities of the Company is segregated.

6.6. Foreign Currency Transactions

Transactions in foreign currencies are translated into the Company's functional currency at the exchange rates at the dates of the transactions.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are not translated. Foreign currency exchange differences are generally recognized in the statement of profit and loss.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous Financial Statements are recognized in the Standalone Statement of Profit and Loss in the period in which they arise.

6.7. Revenue Recognition

Under Ind AS 115, the Company recognized revenue when (or as) a performance obligation was satisfied, i.e. when 'control' of the goods underlying the particular performance obligation were transferred to the customer.

Sale of Goods

The Company applied Ind AS 115 using the modified retrospective approach. Revenue is measured based on the transaction price adjusted for discounts and rebates, which is specified in a contract with customer. Revenues are net of estimated returns and taxes collected from customers.

Revenue from sale of goods is recognized at point in time when control is transferred to the customer and it is probable that consideration will be collected. Control of goods is transferred upon the shipment of the goods to the customer or when goods are made available to the customer.

The transaction price is documented on the sales invoice and payment is generally due as per agreed credit terms with customers.

The consideration can be fixed or variable. Variable consideration is only recognized when it is highly probable that a significant reversal will not occur.

Sales return is variable consideration that is recognized and recorded based on historical experience, market conditions and provided for in the year of sale as reduction from revenue. The methodology and assumptions used to estimate returns are monitored and adjusted regularly in line with trade practices, historical trends, past experience and projected market conditions.

Interest income

Interest income is recognized with reference to the Effective Interest Rate method.

Income from Export Benefits and Other Incentives

Export benefit available under prevalent schemes are accrued as revenue in the year in which the goods are exported and/ or services are rendered only when there is reasonable assurance that the condition attached to them will be complied with and the amounts will be received.

6.8. Employee Benefit

Short term employee benefits are recognized as an expense at the undiscounted amount in the statement of profit and loss for the year in which the related service is rendered;

Post-Employment Benefits

Defined contribution plans: Company's contribution to State governed Provident Fund Scheme is recognized during the year in which the related service is rendered;

The company has not ascertained liability towards payment of gratuity and hence no provision has been made in accounts. It is accounted for on the basis of payment.

All employee benefits payable wholly within twelve months rendering service are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex- gratia are recognized during the period in which the employee renders related service. Retirement benefits are accounted as and when the same become due for payment.

6.9. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

6.10. Lease

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases are charged to the Statement of profit and loss on a straight line basis over the period of the lease in a manner which is representative of the time pattern in which benefit derived from the use of the leased asset is diminished.

6.11. Earning Per Share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per

equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

6.12.Income Taxes

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Minimum Alternate Tax ('MAT') credit is recognized as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognized as an asset is reviewed at each Balance Sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

6.13.Dividends to Shareholders

Annual dividend distribution to the shareholders is recognized as a liability for the previous year for which the dividends are approved by the shareholders. Any interim dividend paid is recognized on approval by Board of Directors. Dividend payable and corresponding tax on dividend distribution is recognized directly in equity.

6.14.Provisions, Contingent Liabilities, Contingent Assets and Commitments

General

Provisions (legal and constructive) are recognized when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

If there is any expectation that some or all of the provision will be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any virtually certain reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liability is disclosed in the case of:

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from past events, when no reliable estimates is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote

Contingent liabilities are not recognized but disclosed in the standalone financial statements. Contingent assets are neither recognized nor disclosed in the financial statements.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets and Non-cancellable operating lease.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

7 Estimation of uncertainties relating to the global health pandemic from COVID-19:

The COVID-19 pandemic is an evolving human tragedy declared a global pandemic by the World Health Organization with adverse impact on economy and business. Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc., in several states followed by a nationwide lockdown from the 25th of March 2020 announced by the Indian Government, to stem the spread of COVID-19. Due to this, the operations in Company's manufacturing activities got temporarily disrupted.

In light of these circumstances, the Company has considered the possible effects that may result from COVID-19 on the carrying amounts of financial assets, inventory, receivables, advances, property plant and equipment etc. as well as liabilities accrued. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company has used internal and external information such as our current contract terms, financial strength of partners, investment profile, future volume estimates from the business etc. Having reviewed the underlying data and based on current estimates the Company expects the carrying amount of these assets will be recovered and there is no significant impact on liabilities accrued. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.
