11. Terms of Quotation:

- This is a tentative advice/ quotation. Final Bill may vary as per the actual work scope and terms of services described underneath. In case there is no change in scope of work or the asset details informed to us by the client at the time of quotation then quotation price will remain same at the time of billing as well.
- Quotation has been raised based on the asset details which customer has provided to us. In case of any changes in the provided information during the course of the work then quoted amount may change at the time of final billing.

- c) Payment of fees will not be dependent on success of the purpose of the customer for seeking the valuation services and after completion of the assignment payment has to be made in full.
- d) If after Survey/ site inspection, customer do not wish to go ahead for the report then 50% fees has to be paid.

12. Terms of Service:

- a) Quotation is raised on the basis of the details provided by the IRP. Any addition in details will change the quotation amount.
- b) Typographical, editing or factual mistakes for which information has already been provided will be corrected in the report if brought into notice and left behind as a human error without any cost.
- c) Any revision or update in the draft report due to additional information not provided earlier will have an extra cost calculated based on amount of time & effort of the Engineering team to make the revisions
- d) It is expected from the customer that the information & data required for preparing the report shall be shared with the consultant in an organized and in time bound manner.
- e) Prolonged delay in providing Project information/ data may attract extra holding charges due to regular engagement of our Engineering resources in the Project.
- f) Valuation report will have proper justification, reasoning and basis of the Valuation. Customer can provide additional information in regard to their asset/ Project during the course of the assignment. However in regard to the final value, no pressure or influence would be entertained to manipulate the value unreasonably which is against the fair professional practices & ethics and R.K Associates & its expert team will have the final say in regard to the final value.
- g) Legal aspects of the asset will be out-of-scope of the Valuation Report.
- h) Verification of authenticity of documents from any Govt. deptt. will be out of scope.
- i) Getting cizra map or coordination with revenue officers for site identification will be out of scope.
- j) Drawing, Map & design of the asset is out of scope of the work.
- k) Asset componentization and invetorization will be out of scope of the work.
- l) Technical/ mechanical/ operational testing of the machines will be out-of-scope of the Valuation Services.
- m) Comment/ determination on technological aspect will be out of scope of the Valuation Services.
- n) Measurements during site inspection will be only limited to sample measurements
- o) For the preparation of the valuation report we will rely on the documents/. information/ data submitted to us by the Bank/ client which they could provide out of the standard checklist of documents sought from them and further will be based on our assumptions and limiting conditions. All such information provided to us will be relied upon assuming to be true and correct. Verification or cross checking of the documents provided to us from the originals will not be done at our end. Although due care will be taken based on the scope of the work to check their reasonability, however in case of any fraudulent activity, misleading, misrepresentation of facts, incomplete or distorted information provided by the client/ owner to us then we shall not be responsible for any error of judgment.
- p) For the preparation of the valuation report we rely on the documents/ information/ data submitted to us by the Bank/ client which they could provide out of the standard checklist of documents sought from them and further based on our assumptions and limiting conditions. All such information provided to us has been relied upon and we have assumed that it is true

- and correct. Verification or cross checking of the documents provided to us from the originals has not been done at our end. Although due care will be taken based on the scope of the work to check their reasonability, however in case of any fraudulent activity, misleading, misrepresentation of facts, incomplete or distorted information provided by the client/ owner to us then we shall not be responsible for any error of judgment.
